No. 39 M.

CALCUTTA, THE 10TH JANUARY 1911.

FROM H. WHEELER, ESQ., C.I.E., I.C.S.,

Secretary to the Government of Bengal,

TO THE SECRETARY TO THE GOVERNMENT OF INDIA,
EDUCATION DEPARTMENT.

SIR,

I AM directed to forward the accompanying Resolution recorded by the Lieutenant-Governor on the working of the municipalities in Bengal during the year 1909-10, together with the prescribed statements.

I have the honour to be,

SIR,

Your most obedient servant,

H. WHEELER,

Secretary to the Government of Bengal.

MUNICIPAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 5TH JANUARY 1911.

RESOLUTION No. 28 M.

READ—

Reports from the Commissioners of divisions on the working of municipalities in Bengal (except Calcutta) during the year 1909-10.

THE number of municipalities in the province during the year was 130, as compared with 128 in 1908-09. Two new municipalities were created at Dhulian in the district of Murshidabad, and at Madhupur in the Sonthal Parganas, respectively. No accounts have been submitted in respect of the latter municipality for the year under report, since taxation in it did not take effect before the 1st April 1910.

'2. *Results of elections held during the year.*—General elections of Commissioners were held in 53 municipalities, at which the percentage of attendance of voters ranged from 92·6 in one ward of the North Dum Dum Municipality, to less than 3 in three wards of the Monghyr Municipality, but in the Burdwan and Presidency Divisions it is reported generally that the elections were keenly contested. In several municipalities, however, notably in Kurseong, no interest whatever was evinced in the election. In the Patna Municipality votes are said to have been bought openly, but it is not clear whether any seats were actually secured by this means. Any Commissioner whose election had been characterised by such practices would appear to have been guilty of "disgraceful conduct" within the meaning of section 19 of the Act (III of 1884), and enquiry will be made why action was not taken accordingly for his removal.

A material extension of the elective system has been effected since the close of the year, and the names of 18 municipalities have been removed from the first Schedule to the Act, which specifies the localities in which the Commissioners are appointed by the Local Government.

3. *Number of meetings and attendance of Commissioners.*—The total number of meetings held was 2,121, of which 130 were adjourned, but seven municipalities held less than one meeting a month. On the whole the attendance of Commissioners at meetings was fairly satisfactory.

4. *Number of rate-payers.*—The total number of rate-payers rose from 418,105 to 420,364, the new municipality of Dhulian contributing 1,492 to the increase. There were also noticeable additions in Darbhanga (981) and Bihar (938), the increase in the latter instance being due to the inclusion of a new area within the municipal limits. The South Suburban Municipality, where some holdings in the municipality were purchased by the Commissioners for the Port of Calcutta, returned a decrease of 530 rate-payers, while in Bhagalpur the exclusion of a village which had previously been wrongly assessed accounted for a fall of 598.

5. *Assessment and taxation.*—In 54 municipalities, and in portions of the South Dum Dum, South Barrackpore, Bhadreswar, Bettiah, Darbhanga and Deoghur Municipalities, the method of taxation adopted was that of a rate on holdings. In 68 municipalities, and in the remaining portions of the six municipalities referred to, the tax on persons was in force. Neither the tax on persons nor the rate on holdings is in force in Sambalpur, where an octroi is levied. As regards special rates a latrine rate was levied in 96 municipalities, a water rate in 14, and a lighting rate in 4, there having been no change in this respect since the previous year. The average incidence of taxation for the whole province was Re. 1-8-10, as compared with Re. 1-8-7 in 1908-09, but

it varies considerably in different divisions as shown by the following figures :—

Division.	Incidence of taxation per head of population. Rs. A. P.
Burdwan	2 4 9
Presidency	1 12 5
Patna	0 13 4
Tirhut	0 13 9
Bhagalpur	1 15 0
Orissa	1 2 3
Chota Nagpur	0 15 6

In Bhagalpur the inclusion of the Darjeeling and Kurseong Municipalities, where the incidence is high, affects the divisional figures, but, *primâ facie*, the burden of taxation in Patna and Tirhut as compared with Bhagalpur, and in the Presidency as compared with the Burdwan Division, would appear to be unduly light, and the following remarks of the Commissioner of the Presidency Division are of interest, since the tendency to exercise leniency in assessment is not confined to his charge :—

"In his report for the year the Magistrate of the 24-Parganas emphasises the fact that in some of the municipalities the amounts realised by the rates levied barely exceeds the amounts which the tax-payers would have to pay under the *chaukidari* system, and in this connection he specially mentions the municipalities of North Dum-Dum, Gobardanga, Basirhat, Baduria and Taki in his district. The same remarks apply also to the municipalities of Meherpur, Chakdah, Kandi, Dhulian, Kotechandpur, Mahespur and Debhatta in other districts. The tendency in the *mufassal* municipalities appears to be to keep down the rates of taxation as much as possible, the reason being that in most of them assessments are fixed by the Municipal Commissioners themselves. There is no doubt too that assessments, wherever they are revised by independent paid assessors, tend to substantially increase the revenue, but even then committees appointed to dispose of appeals frequently reduce such assessments as far as possible. The case of Santipur may be mentioned as an instance of the kind. The financial position of North Dum Dum is at present very critical. The income of this municipality depends to a great extent on cart registration fees, and these are likely to decrease considerably owing to the extension of the Patipukur Railway. The general assessment of the municipality, made in the year under report, brought in an insignificant increase of Rs. 217 only. An examination of details by the Magistrate disclosed so many instances of inequitable and inadequate assessments that the Municipal Commissioners have been directed to take action under sections 91 to 94 of the Act, with a view to increase their income by proper assessments.

The average incidence of Municipal taxation per head of population for the whole division was Re. 1-12-5 against Re. 1-10-8 in the preceding year. This points to some improvement in assessment. The incidence ranged from Rs. 6 per head in Cossipore-Chitpur to annas 3-2 in Dhulian, and was below annas 8 in five municipalities as against three in the preceding year. This would appear to show that the tendency to maintain unreasonably low rates of taxation is increasing among the *mufassal* municipalities in this division."

6. *Revision of assessment.*—The assessment was revised during the year in 65 municipalities, and the most noticeable instances of an increased revenue being thus secured were in the following towns :—

	Increase of revenue. Rs.
Muzaffarpur	15,089
Howrah	11,923
* Ranchi	11,228
Kurseong	6,005
Asansol	4,892
Titagarh	4,881
Santipur	4,101
Midnapore	3,840
Purulia	3,802
Berhampore	3,558

In Muzaffarpur the revision was made by a Sub-Deputy Collector specially appointed by Government, and the results amply justified this course. In Santipur reductions made on appeal largely nullified the advantages of revision, and the Commissioner is enquiring into the special circumstances of the case, but assuming that a trustworthy assessor is appointed in the first instance, the Lieutenant-Governor in Council would impress upon municipalities

* Subject to revision on appeal.

the undesirability of lenient interference with his subsequent proposals. The Arrah Municipality again postponed its revision pending the completion of the drainage scheme, and the expediency of this course is open to considerable question. In any case it destroys the claim, which on a previous occasion was advanced for special assistance in respect of the drainage and flushing projects in recognition of the voluntary contributions made by the rate-payers to the former.

7. *Collections.*—The percentage of the total collections on the current demand (97·4) was practically the same as in the preceding year (97·5). There was a marked improvement in the Orissa and Presidency Divisions (of 7·2 and 4 per cent., respectively), but in the Burdwan Division the percentage declined by 5·3, and the progress made in the previous year was not maintained. Of individual municipalities those showing the best results were Jajpur (116·0), North Barrackpur (106·5), North Dum Dum (106·4), Satkhira (106·1) and Naihati (105·3). The Garulia Municipality succeeded in collecting the entire amount of its demand, and showed neither remissions nor outstandings at the close of the year. The percentage of collection was lowest in Balasore, being 79·6 as against 68 in 1908-09, but this is apparently the sequel to the confusion into which the accounts had been allowed to fall. Only 20 municipalities were able to show collections of cent per cent and over, although this result is better than in the preceding year, when there were only 13 such cases. The collections in Howrah declined from 105·1 to 97·7, of which no explanation has been given. The poor percentage in Arrah (85·0) was caused by abstention from coercive measures pending the realisation of voluntary subscriptions promised towards the drainage scheme and in return for the acquiescence of the rate-payers in the demolition of platforms over the drains without compensation, but the excuse of the collection of subscriptions was alleged in 1908-09 also, and the efficient management of the ordinary municipal affairs should not be interfered with indefinitely on this account. Of the state of the collections in the Burdwan Municipality both the Commissioner and the District Magistrate speak in terms of condemnation, and out of the arrear and current demand of Rs. 1,37,025, only Rs. 99,682 was collected, while Rs. 2,638 was remitted, leaving an outstanding balance of Rs. 34,705, equivalent to approximately one-third of the annual demand. The Lieutenant-Governor in Council trusts that no time will be lost in remedying this discreditable state of affairs, which was remarked upon in the Resolution dealing with the report for 1908-09 also. What is unrealisable of these outstandings should be remitted, after enquiry, without delay; what is realisable should be collected. The accumulation of arrears to this extent merely hampers the administration and offers facilities for fraud. It is hoped that the municipalities named in the margin, all of which have been criticised by the local officers in this respect, will show improved results during the current year. The aggregate outstanding balance in all municipalities fell from Rs. 2,11,201 during the previous year to Rs. 1,86,675, representing 5·0 per cent. of the current demand, while the percentages of total remission on current demand was 2·9. The highest percentages were returned from Jajpur (14·8) and Monghyr (13·1), but it is preferable that the accounts should once and for all be cleared of old outstandings, rather than that demands of which the collection is hopeless should be carried over from year to year.

Monghyr.
Ranchi.

8. *Income and expenditure.*—The total receipts of the municipalities in the province, including the opening balances, amounted to Rs. 80,82,914, as compared with Rs. 73,73,133 in 1908-09. The increase occurred chiefly under the following heads and to the extent noted. It will be seen that the growth under the head of rates and taxes was comparatively small:—

	Rs.
Opening balance	2,59,465
Municipal rates and taxes	66,883
Revenue derived from municipal property and powers ...	1,02,343
Sources other than taxation—	
Grants and contributions	1,41,885
Loans and advances	1,52,226

The total disbursements amounted to Rs. 62,16,193, as against Rs. 57,88,710 in the preceding year. The increase was chiefly under the head of drainage, capital outlay (Rs. 1,87,378), water-supply, capital outlay (Rs. 90,366), hospitals and dispensaries (Rs. 45,691) and advances (other than permanent advances) Rs. 1,57,729.

9. *Closing balances.*—The aggregate closing balances rose from Rs. 15,84,423 in 1908-09, to Rs. 18,66,721 at the close of 1909-10. The bulk of this increase represents the unspent balances of loans and contributions received by different municipalities from Government. The largest balances were held by the municipalities of Howrah (Rs. 2,60,839), Darjeeling (Rs. 1,48,456), Monghyr (Rs. 1,14,789), and Burdwan (Rs. 1,13,385). The large balance in Burdwan was due chiefly to the receipt of a contribution from Government of Rs. 50,000 for drainage, and to a payment of Rs. 40,000 on account of the sale-proceeds of the old dispensary building. The large balance in Monghyr was due mostly to the grant of Rs. 1,00,000 from Government towards the drainage scheme of the town.

10. *Income (Rs. 65,02,903).*—The total income of the year, excluding the heads of "Opening balance" and "Extraordinary and debt," amounted to Rs. 53,77,648, showing an increase of Rs. 2,98,090 over the figures of the preceding year. Details of the main items of income are given below.

11. *Tax on houses and lands (Rs. 14,82,375).*—The increase under this head amounts to Rs. 53,339, the bulk of which was contributed by the municipalities of Cossipore-Chitpur (Rs. 22,491), Khagole (Rs. 10,423), Kurseong (Rs. 4,413), Asansol (Rs. 4,220), Titagarh (Rs. 3,957), Chapra (Rs. 3,371) and Berhampore (Rs. 2,891). Howrah shows a decrease under this head of nearly Rs. 20,000, of which no explanation is given.

12. *Tolls on roads and ferries (Rs. 98,472).*—The income under this head shows a decline of Rs. 1,109, which is in continuation of a fall of Rs. 3,526 in the preceding year. The only marked fluctuations were in Bhagalpur, where Rs. 5,000 was gained by the re-settlement of the Bhagalpur ferry with local farmers, in place of the Bengal and North-Western Railway, at a rent of Rs. 15,000, and in Muzaffarpur, where Rs. 4,995 was lost, mainly on the settlement of the Akhara ferry.

13. *Water-rate (Rs. 4,13,624).*—As in 1908-09, this rate was levied in 14 municipalities, and the total receipts show a small increase of Rs. 6,728. The increase was marked in Cossipore-Chitpur (Rs. 8,762), Maniktala (Rs. 5,714), and Berhampore (Rs. 3,463). There was, on the other hand, a decrease of Rs. 15,977 in Howrah, and the administration of the water-works in this municipality has recently been severely criticised by the Sanitary Board. House connections have been given on a lavish scale, unprovided with meters, and complaints are now arising as to the adequacy of the supply to meet the demands upon it. The matter forms the subject of special enquiry.

14. *Lighting rate (Rs. 1,49,103).*—This rate is levied only in the four municipalities of Howrah, Cossipore-Chitpur, Maniktala and Darjeeling. The apparent falling off in the receipts, as compared with those of the preceding year, by Rs. 40,348, is due to a change in the accounts. The Darjeeling Municipality has credited the receipts from this source, amounting to Rs. 43,896, to a new head "Electric Light Installation," and these have been shown in column 35 (*b*) of Form II, headed "Other fees."

15. *Conservancy (including scavenging and latrine rates) (Rs. 8,46,779).*—The income under this head showed a small increase of Rs. 24,091, mainly in the Presidency Division (Rs. 9,961). The receipts from the sale of night soil and the disposal of refuse and street sweepings rose from Rs. 2,754 to Rs. 7,089, and it is satisfactory to find that more attention is being given to this source of income, although there is still room for further expansion of the revenue under this head. The Cuttack Municipality appears to have derived some income in this manner, but the receipts have apparently been merged in the figures shown under "Conservancy," instead of being separately shown in column 35 (*a*) in Form II, as directed in paragraph 15 of last year's Resolution.

16. *Income from the tax on persons according to their circumstances and property and the tax on professions and trades.*—The receipts from these taxes rose from Rs. 3,55,309 and Rs. 62,470, respectively to Rs. 3,67,163 and

Rs. 67,747. Under the former head there was an increase in all divisions except Tirhut and Bhagalpur.

17. *Receipts under the Hackney Carriage Act.*—This Act is now in force in 60 municipalities, and the realisations under it amounted to Rs. 11,099. In many towns veterinary assistants are now employed, and where their services are available, municipalities would do well to utilise their advice in various points connected with the care of animals, which must arise in the administration of the law.

18. *Grants from Provincial and Local Funds and contributions from private individuals (Rs. 10,36,444).*—The net increase under this head, which amounted to Rs. 1,41,885, was mainly due to Government grants and private subscriptions for the water-supply and drainage schemes of Monghyr town (Rs. 1,10,815). Government made large grants during the year to Monghyr (Rs. 1,00,000 for a drainage scheme), Burdwan (Rs. 50,000 for drainage), Jessore (Rs. 44,000 for water-supply), Bhatpara (Rs. 30,000 for drainage), Arrah (Rs. 25,000 for drainage) and Titagarh (Rs. 20,000 for drainage). It is to be regretted that there were few striking instances of private liberality during the year, but Babu Laldhari Singh and his brothers, zamindars of Dharahra in Patna, made a donation of Rs. 20,000 to the Patna Municipality towards the Bankipore Hospital. The proprietress of the seven annas Tikari Raj also made a free gift of land, valued at Rs. 13,000, for the site of the pumping station for the Gaya water-works, and Chotey Nawab of Guzri and Khan Bahadur Shah Kamal of Lodikatra, respectively, made donations of Rs. 5,000 towards the Patna flushing scheme. The local mills subscribed Rs. 9,733 towards the Bhatpara drainage project.

19. *Expenditure—Office and collection establishment (Rs. 3,69,114).*—The expenditure under this head declined from 8·0 per cent. on the total ordinary expenditure to 7·4. The highest percentage (39·7) was in the new municipality of Dhulian, where it is attributed to the difficulty of securing suitable men on low pay, but a reduction should be effected as soon as matters are in working order. The proportionate expenditure on this account was lowest in the Monghyr Municipality (1·7), but it was also satisfactorily small in the municipalities of Motihari (3·3), Berhampore (3·4), and Arrah (3·9).

20. *Prevention of fire (Rs. 38,581).*—The expenditure under this head was mainly incurred in the municipalities of Howrah (Rs. 13,502) Cossipore-Chitpur (Rs. 17,688), Garden Reach (Rs. 2,916), Maniktala (Rs. 1,750) and Darjeeling (Rs. 1,154). In comparison with the expenditure of the previous year there was an increase of Rs. 4,720.

21. *Lighting (Rs. 3,11,659).*—The expenditure under this head rose by Rs. 47,101, and now represents 6·4 per cent of the total ordinary expenditure, as compared with 6·0 per cent. in the preceding year. With reference to the remarks in the Resolution of the previous year regarding the importance of street lighting, it is represented that municipalities containing extensive tracts, largely of a rural character, cannot provide for the proper lighting of the streets and roads without neglecting more important and pressing local requirements, but it cannot even as yet be said as regards the more thickly-populated urban areas that they are as well lighted as is desirable, and it is upon these that attention should first be concentrated.

22. *Water-supply (Rs. 5,18,033).*—The expenditure under capital outlay increased by Rs. 90,366, while that under establishment repairs, etc., decreased by Rs. 6,175. The most conspicuous instance of additional expenditure was in the Bhagalpur Division, where the total expenditure incurred rose from Rs. 1,54,629 to Rs. 2,40,694; of which the execution of the Monghyr water-works scheme was responsible for a capital outlay of Rs. 1,84,650. Sanction has been accorded to important projects for the improvement of the water-supply at Hooghly-Chinsura and Serampore at an estimated cost of Rs. 4,53,118 and Rs. 1,10,000, respectively. Other important schemes which have received the approval of Government were at Naihati (Rs. 19,191), Jessore (Rs. 1,35,000), and Kurseong (Rs. 61,950). The total expenditure under this head in the Orissa Division (Rs. 10,821) was regrettably small, but in Chota Nagpur it was even less (Rs. 5,925).

23. *Drainage* (*Rs. 5,39,375*).—There was an increase of expenditure under "Capital outlay" (Rs. 1,87,378) and a decrease under "Maintenance" (Rs. 7,591). The municipalities which incurred the largest expenditure under the former head were: Howrah (Rs. 1,14,237), Titagarh (Rs. 82,058), Arrah (Rs. 77,123) and Puri (Rs. 31,308). A number of drainage schemes in the Burdwan and Presidency divisions were in various stages of preparation and progress, and the Monghyr drainage scheme was finally approved by Government in February 1910. The Kishanganj project, which was partly approved by Government, has been delayed for further enquiries concerning the outfall. A drainage scheme for Burdwan and partial schemes, for Berhampore, Bhatpara and Bankura were also sanctioned. The cost of the Hooghly-Chinsura scheme, as a whole (Rs. 8,79,453) being prohibitive, it is proposed to undertake the work piecemeal. The preparation of the Jessore scheme was completed during the year, at an estimated cost of Rs. 4,10,368, but the Municipal Commissioners have declared their inability to provide funds, and the possibility of a less ambitious plan is being considered. Similarly at Ranaghat, the drainage scheme having been found to be beyond the resources of the municipality, a less costly project is under the consideration of the Sanitary Engineer. Drainage schemes for Bhagalpur and Sahebganj are under preparation, and the execution of the drainage scheme of the Arrah Municipality was commenced. It is satisfactory that some progress was made in this respect in the hitherto backward division of Chota Nagpur. Schemes have been sanctioned for Hazaribagh and Daltonganj, and in Ranchi estimates have been framed.

24. *Conservancy, including road cleaning, road watering and latrines* (*Rs. 14,30,805*).—There were no noticeable fluctuations in the outlay under this head. The largest expenditure was incurred in Howrah (Rs. 2,12,757), Darjeeling (Rs. 1,12,446) and Cossipore-Chitpur (Rs. 84,128). In the Darjeeling Municipality Rs. 62,064 was expended in connection with the sewage scheme, which will, however, depend for its completion upon the experience gained of the working of septic tanks, of which one installation has been erected.

25. *Hospitals and Dispensaries* (*Rs. 6,18,162*).—There was an increase of expenditure under this head amounting to Rs. 45,691, which was shared by the Presidency, Tirhut, Bhagalpur and Orissa Divisions. At Kurseong Rs. 60,398 was spent on the construction of new hospital buildings, and in the Tirhut Division in particular the Commissioner reports that praiseworthy progress was made.

26. *Plague charges* (*Rs. 41,714*).—In comparison with the figures for 1908-09, the expenditure under this head fell by Rs. 12,440, mainly in the Patna Division (Rs. 12,763), where the severity of the disease was appreciably less than in previous years.

27. *Public Works* (*Rs. 7,57,061*).—The expenditure under this head shows a small decrease of Rs. 4,237, as compared with 1908-09. The expenditure on roads declined from Rs. 6,04,371 to Rs. 5,63,083, or by 6·8 per cent., while the expenditure on buildings rose from Rs. 55,989 to Rs. 91,973. The expenditure of the Howrah Municipality on roads was reduced by Rs. 47,840, which mainly accounts for the net decrease. The roads in Berhampore, Suri, Midnapore and Serampore are reported to have been neglected, while those in Hooghly-Chinsura are spoken of by the Divisional Commissioner as a discredit to the municipality. The Muzaffarpur Municipality appears to have effected economies (Rs. 8,014) mainly at the expense of its roads, while in Arrah the insufficient excuse is alleged for neglect that the energies of the municipal officers were absorbed by the drainage scheme which was in hand.

28. *Public instruction* (*Rs. 1,57,567*).—The total expenditure rose by Rs. 6,584, as compared with the previous year. The Burdwan Division showed an increase of Rs. 7,843, mainly on account of the employment of additional lecturers in the Midnapore College and to the repairs and equipment of its library. The ratio of expenditure on primary education to the total ordinary income of the municipalities varied from 13·3 in Roserah to ·006 in Howrah. In Government Circular No. 20M., dated the 1st April 1910, the

rule requiring municipalities to incur expenditure on primary education equal to 3·2 per cent. of their ordinary income was withdrawn, although Divisional Commissioners were directed to see that provision approximating to that standard was made in the municipal budgets.

29. *Loans.*—Thirty-eight municipalites were in debt at the close of the year, and their total indebtedness, after deducting the balance of the Sinking Fund investments, amounted to Rs. 39,97,210 as compared with Rs. 38,89,909 in 1908-09. The largest outstanding liabilities were those of Howrah (Rs. 21,62,572), Darjeeling (Rs. 5,88,245), Bhagalpur (Rs. 3,17,797) and Patna (Rs. 2,31,317). Ten municipalities received loans during the year, namely, Howrah (Rs. 1,66,000 for drainage), Darjeeling (Rs. 30,000 for the reconstruction of certain barracks), Bhatpara (Rs. 20,000 for drainage), Hooghly-Chinsura (Rs. 15,000 for roads), Titagarh (Rs. 10,000 for drainage), Bhagalpur (Rs. 10,000 for improvements to the water-works), Tollyganj (Rs. 7,000 for the extension of the filtered water-supply), Balasore (Rs. 5,000 for the repair of roads, bridges and culverts), Naihati (Rs. 5,000 for the extension of the filtered water-supply), and Giridih (Rs. 1,300 for an office building).

30. On the 31st March 1910, 82 municipalities had outstanding liabilities on account of unpaid bills and unfinished works amounting to Rs. 1,35,567, which represents 4·2 per cent. of their current demand. The largest debtor (Rs. 18,617) was Berhampore, where, however, the liabilities were somewhat less than in the previous year (Rs. 25,029), but the liabilities exceeded the closing balance in 10 municipalities, and early action should be taken to re-establish equilibrium. The excess is most marked in Balasore, which had liabilities amounting to Rs. 7,200 against a closing balance of Rs. 1,563, but this is presumably due to the confusion into which the municipal management had fallen.

31. *Audit of accounts and embezzlements.*—Two cases of embezzlement occurred during the year in Baduria and Manicktala, respectively. The offenders in both cases were convicted, and convictions were also secured in respect of the defalcations in the Balasore Municipality to which reference was made in the review of the reports for 1908-09.

32. *Inspection.*—The Lieutenant-Governor in Council is glad to notice that the reports of the Divisional Commissioners show that more attention is being given to the matter of the inspection of municipalities by Government officers.

33. As regards the general aspects of municipal administration, the Commissioner of Burdwan, while admitting some improvement, is still dissatisfied with the general level of efficiency, and draws attention to the difficulties caused by the existence of party factions and rivalries. In the Presidency Division a more decided rate of progress is chronicled, and it is claimed that in the advanced suburban and mill municipalities (noticeably in those of Cossipore-Chitpur and Manicktala), a high standard of efficiency is attained, and a genuine attempt is made to keep pace with the increasing demands of modern times. The Commissioner notes that the control now exercised by Government officers over the proceedings of municipalities is not as a rule regarded as irksome or as interfering unduly with the discretion of the Municipal Commissioners. The reports from the Patna Division are generally favourable, particularly with reference to the important municipalities of Patna and Gaya. In Arrah the merits of the drainage scheme seem scarcely as yet to be appreciated, and the Commissioner promises special enquiry in the matter. The Commissioner of Tirhut is of opinion that much public spirit is noticeable in the work done by municipal bodies, and that abuses are remarkably uncommon. He lays stress on the value of the influence of District Magistrates as Chairmen of the different *sadar* municipalities. In the Bhagalpur Division work seems to have progressed smoothly, while in Orissa the most satisfactory feature was the progress of the Balasore Municipality towards rehabilitation, under the guidance of the District Magistrate as Chairman. The water-supply project of the Puri Municipality is still delayed for lack of public support, and only a small proportion of the necessary funds is as yet forthcoming. In Chota Nagpur the working of the Purulia Municipality seems to leave most room for improvement.

34. The acknowledgments of Government are due to the following gentlemen whose names have been mentioned by Divisional Commissioners for the good work done by them:—

BURDWAN DIVISION.

Babu Dol Gobinda Chattarji, Vice-Chairman, Asansol Municipality.
„ Gokul Nath Sen, Vice-Chairman, Hooghly-Chinsura Municipality.
„ Baman Das Banarji, Vice-Chairman, Serampore Municipality.
„ Debendra Nath Mukharji, Vice-Chairman, Baidyabati Municipality.
Mr. James D. Ogg, late Chairman, Bhadreswar Municipality.
Babu Bhut Nath Bandopadhya, Vice-Chairman, Bhadreswar Municipality.
„ Bepin Behari De, Vice-Chairman, Bansberia Municipality.
„ Nava Gopal Basu, Vice-Chairman, Arambagh Municipality.

PRESIDENCY DIVISION.

Rai Kripa Nath Dutta, Bahadur, Chairman, Cossipore-Chitpur Municipality.
Mr. J. C. Watson, Chairman Manicktala Municipality.
„ Stewart Macpherson (jr.) Chairman, Baranagar Municipality.
Babu Benode Lal Ghosh, Vice-Chairman, Baranagar Municipality.
Mr. W. C. Graham, Barrister-at-Law, Chairman, Tollyganj Municipality.
Nawab Muhammad Sultan Alum, Vice-Chairman, Tollyganj Municipality.
Mr. H. B. Pool, Chairman, Garden Reach Municipality.
„ H. M. Peat, Chairman, Garden Reach Municipality.
Babu Ram Das Banarji, B.A., Chairman, Jainagar Municipality.
„ Durga Das Rai Chaudhury, Chairman, Baruipur Municipality.
„ Shib Das Rai Chaudhury, Vice-Chairman, Baruipur Municipality.
Mr. C. L. Thomson, Chairman, Titagarh Municipality.
Maulvi Syed Mofakhurrur Rahaman, Vice-Chairman, Titagarh Municipality.
Mr. R. N. Band, Chairman, Garulia Municipality.
„ W. W. Tyndall, Chairman, Bhatpara Municipality.
Rai Shyama Charan Bhattacharji, Bahadur, Vice-Chairman, Bhatpara Municipality.
Mr. A. E. Pyster, Chairman, Budge-Budge Municipality.
Rai Nogendra Nath Pal Chaudhury Bahadur, Chairman, Ranaghat Municipality.
Babu Prosunno Kumar Bose, Chairman, Krishnagar Municipality.
„ Dwarka Nath Pramanik, Vice-Chairman, Kumarkhali Municipality.
„ Kumud Bandhu Das Gupta, Subdivisional Officer of Ranaghat, *ex-officio* Chairman, Santipur and Chakdah Municipalities.
The Hon'ble Maharaja Monindra Chandra Nandi, Chairman, Berhampore Municipality.
Babu Ramani Mohan Sen, Vice-Chairman, Berhampore Municipality.
Raja Bejoy Singh Dudhoria, Chairman, Azimganj Municipality.
Babu Krishna Dyal Pramanik, Subdivisional Officer, *ex-officio* Chairman, Kandi Municipality.
Babu Jogendra Nath Mitra, Chairman, Jessore Municipality.
„ Bejoy Krishna Mitter, Vice-Chairman, Jessore Municipality.
„ Bepin Behary Biswas, Vice-Chairman, Maheshpur Municipality.
Rai Bepin Behary Sen Bahadur, Chairman, Khulna Municipality.
Babu Hari Nath Mazumdar, Chairman, Satkhira Municipality.
„ Debendra Nath Banarji, Vice-Chairman, Satkhira Municipality.

PATNA DIVISION.

Hon'ble Khan Bahadur Sarfaraz Hosain Khan, Vice-Chairman, Patna Municipality.
Maulvi Syed Abdul Majid, Vice-Chairman, Barh Municipality.
Captain Holmes, Vice-Chairman, Khagole Municipality.
Babu Janakdhari Lal, Vice-Chairman, Dinapur Municipality.
„ Deoki Nandan, B.A., B.L., Vice-Chairman, Gaya Municipality.
Mr. Keith, Chairman, Tikari Municipality.
Babu Sachita Nand Sahai, Vice-Chairman, Arrah Municipality.

TIRHUT DIVISION.

Babu Shama Charan Ghosh, Vice-Chairman, Chapra Municipality.
„ Ambika Charan Chattarji, Vice-Chairman, Siwan Municipality.
Mr. F. C. Lawrie, Chairman, Revelganj Municipality.
Babu Ashutosh Mukharji, Vice-Chairman, Revelganj Municipality.
Babu Gyanendra Nath Bose, Vice-Chairman, Motihari Municipality.
Mr. G. E. Hicks, Vice-Chairman, Motihari Municipality.
Maulvi Fazlur Rahman, Vice-Chairman, Bettiah Municipality.
„ Dost Muhammad Khan, Vice-Chairman, Bettiah Municipality.
Babu Bankim Bihari Mitra, Vice-Chairman, Bettiah Municipality.

TIRHUT DIVISION—*concld.*

Maulvi Mahbub Husain Khan Bahadur, Vice-Chairman, Muzaffarpur Municipality.
Babu Harnandan Prasad, Vice-Chairman, Sitamarhi Municipality.
Maulvi Muhammad Abdullah, Vice-Chairman, Darbhanga Municipality.
Babu Chaturbhuj Sahay, Vice-Chairman, Madhubani Municipality.
,, Rameswar Prosad, Vice-Chairman, Samastipur Municipality.
Mr. C. R. Macdonald, Chairman, Roserah Municipality.
Maulvi Chaudhry Zahur Alum, Vice-Chairman, Roserah Municipality.

BHAGALPUR DIVISION.

Hon'ble Kumar Siva Nandan Prasad Singh, Vice-Chairman, Monghyr Municipality.
Mr. Wedderburn, Chairman, Jamalpur Municipality.
„ Ferrer, Vice-Chairman, Jamalpur Municipality.
Babu Nishi Kanta Sen, Vice-Chairman, Purnea Municipality.
Mr. Bewley, Chairman, Katihar Municipality.
„ F. A. Moller, Vice-Chairman, Darjeeling Municipality.

ORISSA DIVISION.

Babu Jagadish Chandra Rai Chaudhuri, Vice-Chairman, Cuttack Municipality.
Mr. B. C. Sen, District Magistrate, Chairman, Balasore Municipality.

CHOTA NAGPUR DIVISION.

Mr. T. C. Eagles, Chairman, Hazaribagh Municipality.
Babu Mahadeo Lall, Vice-Chairman, Chatra Municipality.
Mr. E. O. R. Myers, Vice-Chairman, Giridih Municipality.
M. M. Yusuff, Vice-Chairman, Lohardaga Municipality.
Babu Saroda Kumar Aikath, Vice-Chairman, Ranchi Municipality.
„ Jotindra Nath Gupta, Vice-Chairman, Daltonganj Municipality.
„ Jotindra Chandra Mukharji, Chairman, Jhalda Municipality.
„ Gopes Chandra Adhikhari, Vice-Chairman, Purulia Municipality.
„ Ganendra Nath Ghosh, Vice-Chairman, Purulia Municipality.

35. The record of the year's work calls for little remark of a general character, and on the whole it may be regarded as satisfactory. Since the close of the year under review, Government had occasion to examine the question of the nature and degree of the supervision now exercised by its officers over the proceedings of municipalities, with reference to which various suggestions were made by the Royal Commission upon Decentralisation, more particularly on the subject of finance. The conclusion arrived at was that there was no conclusive evidence that municipalities had been unduly hampered by the control of their budgets by District Magistrates and Commissioners, and the complaints alleged were for the most part directed, not against the existence of such control at all, but against its exercise in petty details. While not prepared to accept the recommendation that all municipalities should be allowed a free hand in respect of their budgets, the Lieutenant-Governor was prepared to allow an experiment in this direction in the municipalities of the Presidency and Burdwan Divisions whose annual income was in excess of one lakh of rupees (namely, Howrah, Cossipore-Chitpur, Manicktala and Burdwan), and in future the Divisional Commissioners, in these instances, will merely ensure that the necessary closing balances are maintained, that due provision is made for the service of all loans, and that the provisions of the Act and any statutory rules and standing orders of Government are observed. With reference, however, to all municipalities Commissioners were enjoined to refrain, so far as possible, from interference with details, and to endeavour to guide municipalities rather by friendly advice than by explicit direction. The ultimate power of control should be resorted to only in cases of persistent neglect and default, and for the efficiency of their administration generally municipalities should be made to realise that they are themselves responsible.

By order of the Lieutenant-Governor of Bengal in Council,

H. WHEELER,

Secretary to the Govt. of Bengal.

Circular No. 2 M.

COPY forwarded to all Commissioners of divisions (except the Patna Division) for information. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 40 M.

COPY forwarded to the Commissioner of the Patna Division for information. His attention is invited to paragraph 2 of the Resolution so far as it relates to the alleged sale of votes at the last elections in the Patna Municipality, and he is requested to report whether any seats were actually secured by this means, and, if so, why no action was taken for the removal of the Commissioner whose election was secured by this means. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

Circular No. 3 M.

COPY forwarded to all District Officers for information and guidance. Additional copies are supplied for distribution to Subdivisional Officers and Municipal Commissioners.

Circular No. 4 M.

COPY forwarded to all departments of this Government for information.

No. 41 M.

COPY forwarded to the Accountant-General, Bengal, for information.

No. 42 M.

COPY forwarded to the Director of Public Instruction, Bengal, for information.

No. 43 M.

COPY forwarded to the Inspector-General of Civil Hospitals, Bengal, for information.

No. 44 M.

COPY forwarded to the Sanitary Commissioner, Bengal, for information. One set of the Divisional Municipal Reports is also forwarded for information.

No. 45 M.

COPY forwarded to the Secretary, Sanitary Board, Bengal, for information.

No. 46 M.

COPY forwarded to the Inspector-General of Police for information.

By order of the Lieutenant-Governor of Bengal in Council,

E. L. TANNER,

Under-Secy. to the Govt. of Bengal.

CALCUTTA,

The 10th January 1911.

APPENDIX B.

Statement showing the results of the General Elections held in Municipalities in Bengal during the year 1909-10.

Serial number of Municipality.	Name of Municipality.	Number of voters in the Ward or Municipality, if not divided into wards.	Number of persons who actually voted.	Percentage of attendance of voters.	Number of Commissioners to be elected.	Number of candidates for election in successful cases.	Remarks.
1	2	3	4	5	6	7	8
	Burdwan Division.						
1	Burdwan	Ward No. I 898	541	60·2	3	5	
		Ward No. II 893	569	63·7	3	4	
		Ward No. III	...	...	...	...	No poll was held, as the other candidates withdrew their candidature.
		Ward No. IV 220	165	75·	3	4	
		Ward No. V 366	292	79·7	3	4	
5	Raniganj	Ward No. I 537	...	...	...	...	There was no poll, the number of candidates being equal to the number of vacancies.
		Ward No. II 484	383	79·1	3	4	
		Ward No. III 228	173	75·8	2	3	
8	Bankura	Ward No. I 191	114	59·6	2	8	
		Ward No. II 121	77	63·6	1	4	
		Ward No. III 200	114	57·0	1	5	
		Ward No. IV 265	117	44·1	2	3	
		Ward No. V 217	36	11·9	1	1	Uncontested.
		Ward No. VI 101	...	...	1	1	Ditto.
18	Hooghly-Chinsura	Ward No. I 356	230	64·6	2	9	Six candidates withdrew before the poll was commenced.
		Ward No. II 628	371	59·07	2	6	Three candidates only appeared.
		Ward No. III 794	611	76·95	2	3	
		Ward No. IV 584	359	63·65	2	7	
		Ward No. V 777	509	65·5	2	5	Three candidate only appeared.
		Ward No. VI 701	338	48 21	2	4	Ditto ditto.
19	Serampore ..	Ward No. I (Serampore.) 2,064	1,412	...	4	7	Owing to mistakes of procedure the election was declared by Government to have failed, and a fresh election will be held on the 9th July 1910.
		Ward No. II (Chatra) 587	377	64·2	2	3	One candidate withdrew.
		Ward No. III .. ...1,435 (Mahesh-Rishra).	857	59·7	3	6	
		Ward No. IV (Konnagar.) 902	443	49·1	3	4	Ditto.
21	Baidyabati ...	Ward No. I 320	233	72·5	2	4	
		Ward No. II 413	245	59·32	2	5	
		Ward No. III 282	218	77·3	2	3	
		Ward No. IV 364	305	83·79	2	5	Two candidates withdrew before the poll was held.
22	Bhadreswar ...	Ward No. I 339	295	87·02	3	6	
		Ward No. II 154	77	50·0	2	3	
		Ward No. III 453	...	...	2	2	
		Ward No. IV 60	...	...	1	1	
23	Kotrung	Ward No. I 133	95	71·4	3	7	
		Ward No. II 211	55	20·06	3	4	One candidate withdrew.
24	Bansberia ...	Ward No. I 148	91	63·6	1	2	
		Ward No. II 168	...	...	1	1	
		Ward No. III 140	122	87·1	2	3	
		Ward No. IV 193	141	73·05	2	3	
26	Howrah ...	Ward No. I ...1,716	...	...	...	...	
		Ward No. II ... 767	267	34·81	1	2	Uncontested.
		Ward No. III ...1,224	791	64·62	3	10	Contested.
		Ward No. IV ...1,011	567	56·08	2	3	Do.
		Ward No. V ...1.341	824	61·44	2	4	Do.
		Ward No. VI ... 2,342	1,367	58·36	2	6	Do.
		Ward No. VII ...1,696	964	56 83	2	4	Do.
		Ward No. VIII ...1,866	914	48·98	3	7	Do.

APPENDIX C.

Statement showing the mode of assessment in vogue in each Municipality in Bengal, the rate at which each form of tax is levied, and the result of any revision of assessment made during the year 1909-1910.

Serial number of Municipality.	Name of Municipality.	Mode of assessment in vogue.	The rate at which the assessed tax is levied.	Result of any general or partial revision of assessment made during the year.		Remarks.
				Increase in income.	Decrease in income.	
1	2	3	4	5	6	7
	Burdwan Division.			Rs. A. P.	Rs. A. P.	
1	Burdwan	Rate on holdings ...	At the rate of 7½ per cent. on the annual rent value of holdings.	153 0 0		
		Water-rate	At the rate of 7½ per cent. on holdings that have house connections, and at the rate of 6 per cent. generally within the water-supply area on the annual rent value of holdings.	87 0 0		
		Latrine-fees	At the rate of 3½ per cent. on the annual rent value of holdings	64 0 0		
2	Kalna	Tax on persons ...	According to circumstances and property, annas 12 per cent. on the annual income of the assessee.	.....	86 8 0	The decrease is due to the remission of the assessment at the uniform rate of annas 12 per Rs. 100 of the assessee's income.
		Latrine-fees	According to the scale fixed by the Commissioners up to Rs. 96, and above that at 6½ per cent. on the annual value of each holding.	89 10 6	.....	
3	Katwa	Tax on persons ...	According to circumstances and property, annas 12 per cent. on the annual income of the assessee.	187 8 0		
			Government buildings are assessed at a rate of 7½ per cent. on the annual value of the holding.			
		Latrine-fees	According to the annual value of holdings.	130 9 3		
4	Dainhat	Tax on persons ..	According to the circumstances and property of assessees.	384 12 0	.....	The revision of assessment will take effect from the beginning of 1910-11.
			Government buildings are assessed at 7½ per cent. on the valuation of holdings.			
		Latrine-fees ...	Rs. 5 per cent. on the annual value of holdings.	142 8 9	.....	Ditto ditto.
5	Ranigunj	Rate on holdings ...	At 7½ per cent on the annual value of holdings.	265 0 0	.....	
6	Asansol	Ditto ...	At 7½ per cent. on the annual value of holdings.	4,692 0 0	.....	Increase is chiefly due to a revision of the assessment of the East Indian Railway property which came into force in the 2nd quarter of 1908-09 and to a certain extent to the quinquennial reassessment which was given effect to from 2nd quarter of 1909-10.
		Latrine-fees	At 3½ per cent. on the annual value of holdings.			
7	Suri	Tax on persons ...	According to the circumstances and property of assessees. Rupee 1 and annas 2 per cent. per month on incomes above Rs. 30 per month, and Re. 1 on incomes up to Rs. 30 per month.	.....	.....	The rate has been revised and the rate of Re. 1-2 has been raised to Re. 1-6 and that of Re. 1 to Re. 1—1 with effect from the beginning of the year 1909-10.
			Government buildings are assessed at a rate of 7½ per cent. on the annual value of holdings.	...

† Use river water for drinking purposes and tank water for other domestic purposes.
‡ A portion of the village uses river water for drinking purposes and the other portion uses tank water.
§ Tank water is used for all purposes.
‖ These villages draw their supply of drinking water from the river, and use tank water for purposes other than drinking
¶ Tank water is used for all purposes.

READ—

The Reports from the Commissioners of Divisions on the working of Municipalities in Bengal (except Calcutta) during the year 1910-11.

There was no change in the number of municipalities in existence during the year, which continued to be 130, but the population within municipal limits rose from 2,386,939 to 2,561,409. The statistics in the Burdwan and Patna Divisions are of the census of 1901; elsewhere of that of 1911. It is noticeable, however, that according to the recent enumeration, the municipalities in the Patna and Tirhut Divisions showed a net decrease in the number of their inhabitants, which is attributed to the prevalence of plague.

2. *Results of elections held during the year.*—General elections of Commissioners were held in ten municipalities, as against 53 in the previous year. The percentage of attendance of voters was fair, possibly owing to the fact that in seven instances the elections occurred in the Presidency Division. It is disappointing that the towns of Sitamarhi and Chaibassa evinced little interest in the newly-bestowed privilege of the right to choose their own representatives. Serious malpractices were reported in the case of one ward in Maniktala.

3. *Number of meetings and attendance of Commissioners.*—The total number of meetings held was 2,067, and only the municipalities of Ramjibanpore (7) and South Dum Dum (9) showed a noticeable shortage from the minimum standard of one meeting per mensem. The average percentage of attendance at each meeting was on the whole fairly satisfactory, but Ranaghat (35 per cent.), Jangipur (38), Sassaram (38), Bhagalpur (37) and Purulia (35) can scarcely pride themselves upon the degree of interest evinced by their members in their proceedings.

4. *Numbers of rate-payers.*—The total number of rate-payers rose from 420,364 to 425,701, but the proportion of the population assessed is still remarkably low in the instances noted in the margin, and the District Officers concerned are requested to satisfy themselves that there are good reasons for the apparent failure to distribute equitably the burden of taxation.

Name of municipality.	Percentage of rate-payers to population.
Raniganj	9·8
Garden Reach ...	8·5
Titagarh	3·4
Garulia	5·2
Bhatpara	5·9
Deoghar	7·6
Sahebganj	8·5

5. *Assessment and taxation.*—There was little change in the methods of taxation in force, the number of municipalities which adopt the tax on persons continuing to be somewhat in excess of those in which the system of assessment by holdings is in force. A latrine-rate was levied in 99 municipalities, a water-rate in 14 and a lighting-rate in 4. The average incidence of taxation for the whole province was Re. 1-7-9 as compared with Re. 1-8-10 during 1909-10, and the variations between different divisions are analogous to those which formed the subject of comment in connection with the reports of the preceding year. The decrease in the provincial figure is more apparent than real, and is more than accounted for by the fact that the population upon which the calculation is based (except in the Burdwan and Patna Divisions other than the district of Howrah) is that of the census of 1911. The figures, however, accentuate the lightness of taxation in the Presidency Division. Since the close of the year attention has been drawn to the discreditable failure of the Patna Municipality to introduce the latrine tax throughout the town,

although this was sanctioned so long ago as July 1891, and no further time should be lost in complying with the orders passed.

6. *Revision of assessment.*—The assessment was revised in 89 municipalities, with noticeably satisfactory results in the following instances:—

	Increase of revenue.
	Rs.
Garden Reach	44,618
Maniktala	26,596
Ranchi	10,883
Muzaffarpur	8,911
Patna	6,988
Cuttack	5,971
Howrah	4,787
Bhatpara	3,855
Chapra	3,735
Purulia	3,183
Gaya	2,683
Nadia	2,591

In only one case (that of the Taki Municipality) the assessment was found to be inadequate and inequitable, but in spite of the remarks in previous Resolutions the Arrah Municipality again postponed the revision of its assessment pending the completion of the drainage scheme, and the Lieutenant-Governor in Council must now insist that the matter shall be dealt with at once, since a further postponement cannot be tolerated. The Local Government has already liberally assisted the town in various matters, and unless the municipality proceeds forthwith to help itself these grants will be withdrawn.

7. *Collections.*—The percentage of the total collections on current demand was 95·8, in comparison with 97·4 in the previous year. This unsatisfactory result was common to all divisions except Patna and Tirhut, the largest falling off being returned by the Presidency (5·8) and Orissa (5·3). Of individual municipalities those showing the best results were Debhatta (133·7), Buxar (115·4), Jamalpur (115·2), Chandrakona (110·2), and Tikari (107·3), but only 19 municipalities, as against 20 in the preceding year, were able to show collections of cent. per cent. and over. The percentage of total remissions on current demand (3·0) remained practically the same as in the previous year, but the provincial figure was greatly exceeded in the Monghyr (13·58), Revelganj (13·5), South Suburban (12·7) and Debhatta (11·8) Municipalities. The aggregate outstanding balances rose from Rs. 1,86,675 to Rs. 2,38,521, the increase being shared by all the divisions except those of Tirhut and Burdwan. Excluding the Garden Reach Municipality (the short collection in which was due to a dispute with the Port Commissioners touching certain items), the largest outstanding balances were returned by the towns of Burdwan (Rs. 29,222), Patna (Rs. 11,943) and Maniktala (Rs. 11,668). No less than 12* out of 130 municipalities in the Province showed outstanding balances of Rs. 5,000 or more, while in Burdwan the outstanding balance was as much as 27* per cent of the current demand. The Municipalities of Burdwan, Hooghly, Serampore, Arrah, Darbhanga and Balasore were unfavourably mentioned in this respect last year also, but apparently without result, and the Lieutenant-Governor in Council especially regrets to see the town of Darbhanga apparently relapsing into the state of confusion in its collections from which it was rescued with difficulty some years ago. With municipal revenues made up, as they are, of a multitude of petty items, it cannot be too strongly insisted upon that the only hope of efficient collections is promptitude in realising what can be paid, and the writing off forthwith of what is irrecoverable; the accumulation of heavy arrears upon the books impedes the administration at every turn, and it is well worth while to employ a temporary special staff if the accounts can thereby be brought up to date. It is hoped that the matter will receive the special attention of all concerned, since the deterioration exhibited by the present reports is to be regretted and is not sufficiently explained by such reasons as have been adduced.

*Burdwan.	Patna.
Hooghly-Chinsura.	Arrah.
Serampore.	Darbhanga.
Cossipore-Chitpore	Bhagalpur.
Maniktala.	Balasore.
Garden Reach.	Puri.

8. *Income and expenditure.*—The total receipts of the municipalities in the Province, including the opening balances, amounted to Rs. 87,66,333 as compared with Rs. 80,82,914 in 1909-10. The increase occurred chiefly under the following heads:—

	Increase.
	Rs.
Opening balance...	2,82,578
Municipal rates and taxes	1,18,912
Revenue derived from municipal property and powers	20,386
Sources other than taxation—Loans and advances ...	2,16,092

The total disbursements amounted to Rs. 67,61,717, as against Rs. 62,16,123 in the preceding year. The increase was mainly due to one of Rs. 4,80,100 under advances (other than permanent advances), which was due chiefly to the deposit of the surplus balance of the Howrah Municipality with the Bank of Bengal; excluding "Extraordinary and Debt," the total expenditure declined by Rs. 1,83,291.

9. *Closing balances.*—The closing balances rose from Rs. 18,66,721 in 1909-10 to Rs. 20,04,616 at the close of the year under review. As observed last year, the bulk of this increase represents the unspent balances of loans and contributions received by different municipalities from Government. The largest balances were held by Monghyr (Rs. 2,25,618), Puri (Rs. 2,01,229) and Howrah (Rs. 1,71,360).

10. *Income (Rs. 69,03,744).*—The total income of the year, excluding that under the heads of "Opening balance" and "Extraordinary and Debt," amounted to Rs. 55,62,397, showing an increase of Rs. 1,84,749 over the figures of the preceding year. Details of the main items of revenue are given below.

11. *Tax on houses and lands (Rs. 15,33,473).*—The bulk of the increase (Rs. 51,098) under this head was contributed by the Municipalities of Maniktala (Rs. 8,337), Jamalpur (Rs. 6,520,) Monghyr (Rs 6,406), Muzaffarpur Rs. (5,341) and Ranchi (Rs. 3,786).

12. *Tolls on roads and ferries (Rs. 96,661).*—The income from this source continues to decline, and fell by Rs. 1,811, in continuation of decreases of Rs. 1,109 in 1909-10 and Rs. 3,526 in 1908-09. The matter appears to call for attention, since recent years have been favourable, and there should have been no difficulty in realising good rents. Marked fluctuations occurred in the Municipalities of Muzaffarpur, Monghyr, Bhagalpur and Cuttack. In Muzaffarpur an increase of Rs. 2,295 was due to settlements at higher rates, compared with a loss of Rs. 4,995 in the previous year. In Monghyr the decrease of Rs. 4,834 was mainly due to the settlement of the Rajghat ferry at a reduced annual rental for a period of five years, in compensation for which Government sanctioned a special grant of Rs. 5,000 for five years. The failure on the part of the farmers of the Bhagalpur station ferry to pay a sum of Rs. 5,750 accounts for the decrease in that town. The increase of Rs. 2,599 in Cuttack was due to the realisation of arrears.

13. *Water-rate (Rs. 4,17,972).*—As in the previous year, this rate was levied in 14 municipalities, and the total receipts showed an increase of Rs. 4,348. The most noticeable improvement occurred in Maniktala, where the revision of assessment brought in an increase of Rs. 5,839. The improvement of the supply in the South Suburban Municipality was in process, and was liberally assisted by Government; with its completion it is hoped that the difficulties previously experienced in realising the rate will cease. Model rules for adoption where house conhections are given, have been framed by Government, and their use should tend to improve the income from this source and at the same time prevent waste, but the tendency to grant such concessions too lavishly should be guarded against.

14. *Lighting rate Rs. (1,47,333).*—The small falling off of Rs. 1,770 under this head calls for no remarks.

15. *Conservancy, including scavenging and latrine rates (Rs. 8,93,948).*—The total income under this head showed an increase of Rs. 47,169, and was shared by all divisions, noticeably Patna (Rs. 12,295) and Tirhut (Rs. 11,981).

The receipts from the sale of night-soil and disposal of refuse and street sweepings fell from Rs. 7,089 in the previous year to Rs. 6,397, and only 30 municipalities returned figures under this head, although the revenue should be capable of expansion with proper management. The income received from this source is shown in column 35(*a*) of form No. II, but in the case of the Cuttack Municipality the receipts have again been partially merged in the figures under "Conservancy," although attention was invited to the irregularity in paragraph 15 of the Resolution of the previous year.

16. *Income from the tax on persons according to their circumstances and property and the tax on profession and trades* (*Rs. 3,78,366+66,420=4,44,786*).—Under the former head the receipts rose by Rs. 11,203, the increase being common to all divisions, except Orissa and Chota Nagpur. Under the latter the receipts fell slightly by Rs. 1,327.

17. *Receipts under the Hackney Carriage Act* (*Rs. 12,214*).—Fifty-six municipalities, as compared with 60 in the previous year, derived an income under this head, the aggregate amount showing an improvement of Rs. 1,115 over the revenue of the previous year. The four municipalities against which receipts were shown in the preceding year, as compared with nothing during the year under review, were Kotrung, Satkhira, Hajipur and Darjeeling, but no explanation of the omission has been furnished, and the point should receive the attention of the local officers concerned.

18. *Prevention of cruelty to animals.*—The fines realised under Act I (B.C.) of 1869 or Act XI of 1890 (aggregating Rs 8,300) were credited to the municipalities concerned, except in Howrah and Darjeeling, where they were made over to the local branch of the Society for the Prevention of Cruelty to Animals.

19. *Grants from Provincial and Local Funds and contributions from private individuals* (*Rs. 10,28,748*).—The net receipts under this head fell from Rs. 10,36,444 in 1909-10 to Rs. 10,28,748. The most noticeable grants made by Government during the year were to the Municipalities of Hooghly-Chinsura (Rs. 70,000 for water-supply), Darjeeling (Rs. 30,000 for drainage), Serampore (Rs. 20,000 for water-supply), Ranaghat (Rs. 19,000 for drainage), Berhampore (Rs. 16,000 for drainage), and Puri (Rs. 15,000 for drainage). Among private donors the following are deserving of special mention: the Maharajadhiraj Bahadur of Burdwan contributed Rs. 80,000 towards the construction of a new hospital building at Burdwan, in addition to lands and buildings; Raja Jogendra Narain Ray Bahadur, of Lalgola, made a donation of Rs. 1,20,000 towards the improvement of the Berhampore Hospital; Raja Kristo Das Law and his brothers subscribed Rs. 80,200 towards the water-supply scheme of the Hooghly-Chinsura Municipality, and in aid of a similar project at Serampore the Hon'ble Rai Kisori Lal Goswami Bahadur and his family contributed Rs. 40,000, as well as lands for the drainage of the Bhatpara Municipality to the value of Rs. 10,000. Towards the latter scheme Messrs. Duncan Brothers, Jardine Skinner & Co., and Ernsthausen, Limited, gave an aggregate of Rs. 20,267. The Hon'ble Maharaja Manindra Chandra Nandi, of Cossimbazar, made a grant of Rs. 15,000 to the Berhampore Municipality towards its drainage scheme, and Rs. 8,000 towards the liquidation of its debts. Rai Mahabir Prasad Shah Bahadur made a donation of Rs. 20,000 for the construction of a town hall and municipal office at Chapra in memory of his late Majesty the King-Emperor Edward VII, while a sum of Rs. 17,500 was contributed by Babus Mahamya Prasad and Bindeswari Prasad, of Darbhanga, for the erection of a memorial town hall at Muzaffarpur.

20. *Expenditure—Office and collection establishment* (*Rs. 3,66,428*).—The total expenditure under this head showed a decline of Rs. 2,686. The percentage calculated on the total ordinary expenditure was highest (23·3) in the newly-created municipality of Madhupur, Lohardaga and Debhatta following with 22·7 and 21·9 respectively. The expenditure in the Dhulian Municipality, which showed the high percentage of 39·7 in the previous year, was reduced to 18·5, but since the provincial percentage is 7·6 only, it is not easy to appreciate the necessity for such wide departures from it in isolated instances, and local officers are requested to enquire into the reason at the time of inspection.

21. *Prevention of fire (Rs. 48,537).*—Twenty-two municipalities showed expenditure under this head, that incurred by Howrah (Rs. 17,694), Cossipore-Chitpur (Rs. 22,631), Maniktala (Rs. 2,245) and Garden Reach (Rs. 3,742) representing the amount contributed towards the maintenance of the Metropolitan Fire Brigade. In comparison with the expenditure of the previous year there was an increase of Rs. 9,956.

22. *Lighting (Rs. 2,92,346).*—Excluding the Municipality of Madhupur, where the expenditure under this head was incurred for the first time during the year under report, and those of Ghatal and Raghunathpur, in respect of which the figures were the same as in the previous year, the expenditure rose in 81 municipalities and fell in 35, resulting in a net falling off of Rs. 19,313. Eleven municipalities, namely those of Bansberia, North Dum Dum, North Barrackpore, Gobardanga, Taki, Birnagar, Chakdah, Dhulian, Debhatta, Daudnagar and Jagdispur, did not incur any outlay at all on this important branch of administration, and the attention of the local officers concerned is invited to the omission. In Cossipore-Chitpur the large decrease of Rs. 9,180 was due to the extension of the system of gas lighting, while in Darjeeling the heavy decline of Rs. 27,178 was due to the fact that the expenditure during the previous year was swollen by the large amount spent on the purchase of a new hydro-electric plant.

23. *Water-supply (Rs. 3,75,875).*—The expenditure under capital outlay declined by Rs. 1,28,275, and that under "Establishment, repairs, etc.," by Rs. 13,883. The outlay under this head was very small in the Tirhut (Rs. 5,091), Orissa (Rs. 9,316) and Chota Nagpur (Rs. 5,592) divisions, and generally the reports do not indicate with sufficient clearness the towns in which the existing supply is radically defective, and the measures which are being taken to remedy this need. Various accounts are given of work done, which is no doubt advantageous, but a perusal of the paragraphs in question almost leaves the impression that the existing wants are for the most part already met, and it is certainly doubtful whether this can truthfully be said of the Province as a whole. In future years attention should be directed more especially to those municipalities in which the state of the water-supply still calls for grave complaint, and the local authorities should be urged to undertake its improvement gradually and systematically, even if only to the extent of one new well a year. At the same time the maintenance of existing sources, and particularly the regular cleansing of them, should be insisted upon.

The most important schemes in progress during the year were those at Hooghly-Chinsura, Serampore, Monghyr and Kurseong, and it is hoped that better progress will be made during the current year with the projects under discussion in connection with Khulna, Jessore, Satkhira, Deoghar and Puri. The last mentioned work especially has experienced great difficulties both in its technical design and in the provision of funds.

24. *Drainage (Rs 4,51,828).*—The total capital outlay declined from Rs. 4,14,437 to Rs. 3,22.890, while the expenditure on account of the establishment, repairs, etc., rose from Rs. 1,24,938 to Rs. 1,28,938. Under the former head the Municipalities of Howrah, Bhatpara and Arrah incurred the largest expenditure, namely, of Rs. 85,274, Rs. 68,655 and Rs. 51,765, respectively. In the Burdwan Division various important schemes were hanging fire for different reasons, and the Local Government would be glad to see better progress made with those at Burdwan (under revision), Kalna, Katwa, Suri, Hooghly-Chinsura and Serampore (all delayed for financial reasons) and Asansol (under preparation). The statement made by the Commissioner that the Hooghly-Chinsura project is blocked by the decision of Government to permit no commencement of it until the whole can be financed, is not correct; a reference to the orders issued will show that the municipality was directed to decide which portion of the work it could take up first within its available resources, and then to move the Sanitary Board to approve of the detailed plans to that extent. The Commissioner's attention is invited to the matter, and he is requested to see that action is taken on the lines indicated. In the Presidency Division schemes were completed at Khulna, Baraset, and Basirhat, while work in the following localities should be expedited—Baranagar, Garulia, Budge-Budge, Baruipur, Bhatpara and Berhampore. A beginning will shortly be made at Ranaghat and Kushtia, while the completion of the Bagjola khal,

at Government expense, should now be followed as soon as possible by the linking to it of the various adjoining municipalities. In the Patna Division the Arrah project was finished and important works at Gaya are now in hand. In Tirhut it is hoped that some advance will be made at Muzaffarpur, Motihari and Bettiah. In the Bhagalpur Division, the most important works in progress are at Monghyr, Darjeeling and Kurseong, but pending proposals at Kishenganj, Sahebganj and Deoghur should be expedited. In Orissa, the Puri project was still incomplete and should not be further delayed, while in Chota Nagpur the works at Hazaribagh and Daltonganj demand attention. On the whole, a programme of busy activity is in course of execution throughout the Province, but the causes of delay in these matters are legion, and it is only by the unremitting enthusiasm of the local authorities that progress can be achieved.

25. *Conservancy, including road-cleaning and road-watering and latrines* (*Rs. 14,31,108*).—The expenditure under this head declined in all divisions except Bhagalpur, Tirhut and Chota Nagpur, the increase of Rs. 34,976 in the division first named contributing mainly to a net increase of Rs. 303 over the figures of the previous year. The reports of the local officers appear to show that the work of conservancy was generally efficiently performed, but as in the case of water-supply, when no material departure from the general methods of work is effected from year to year, it is desirable to bring to prominent notice the municipalities in which defects exist, rather than those which are proceeding upon the ordinary lines. The towns of Berhampore and Khulna are singled out as still leaving room for improvement in this respect, but the Lieutenant-Governor in Council would hesitate to believe that there are no other places in which a higher standard of administration may be desirable.

26. *Hospitals and dispensaries* (*Rs. 6,25,160*).—The expenditure fell in Tirhut, Bhagalpur and Orissa, but rose in the remaining divisions, resulting in a net increase of Rs. 6,998. This result was conspicuous in Burdwan (Rs. 39,405) owing to the payment of Rs. 40,000 as the municipal contribution towards the construction of the new Fraser Hospital. The fluctuations under this head mainly depend upon the amount spent on buildings and repairs from year to year. A new female ward was constructed at Katwa, a pauper shed at Vishnupur, and new dispensary buildings at Khulna and Patna (Bankipore). A new surgical ward attached to the Darbhanga Hospital was under construction, a "contagious ward" was added to the dispensary at Kishanganj, and a new operation-room was constructed in Purulia. The Arrah Dispensary was made over to the District Board, but the municipality will continue to pay an annual contribution of Rs. 3,200 to it.

27. *Plague and other epidemic disease charges* (*Rs. 40,664*).—The expenditure under this head shows a slight decrease of Rs. 1,050, and was incurred by 59 municipalities. The severity of the disease during the year was less than usual, but its recrudescence with great severity in Chapra town, which had been immune for three years, was remarkable. The attempt to popularise inoculation in consequence met with no success.

28. *Public Works* (*Rs. 8,15,485*).—The expenditure under this head showed an increase of Rs. 58,424 over the figures of the previous year. The expenditure on "Establishment" declined from Rs. 96,822 to Rs. 94,458, while that on buildings, roads and stores rose from Rs 91,973, Rs. 5,63,083 and Rs 5,183 to Rs. 1,19,468, Rs. 5,83,087 and Rs. 18,472 respectively. In twenty-five municipalities in the Province the percentage borne by the outlay on public works on the total ordinary expenditure was 25 per cent. or more, while it varied from 51·5 in the municipality of Birnagar to 1·3 in Chatra. *Primâ facie* the percentage was unduly small in Kalna (2·2), Kurseong (2·8), Monghyr (4·2), Jhalda (4·4), Suri (4·6), Revelganj (4·6) and Midnapore (4·9), and attention is invited to the point. The municipalities in which special deficiencies were reported in the state of their roads are Midnapore, Halishahar, those of the district of Nadia generally, Berhampore and Patna.

29. *Public instruction* (*Rs. 1,60,873*).—The total expenditure rose by Rs. 3,306 as compared with the previous year, the increase being common to all the divisions except Burdwan and Bhagalpur. The ratio of expenditure on primary education to total ordinary income varied from 8·4 in Ramjibanpore to ·006 in Howrah, while 40 municipalities spent on primary education less than 3·2 per cent. of their ordinary income. The orders prescribing this percentage

as a rigid standard were withdrawn early in the year, but it is hoped that this will not result in the neglect of this important subject, and the attention of the Director of Public Instruction will be invited to the matter.

30. *Loans.*—Forty municipalities were in debt at the close of the year, and their total indebtedness, after deducting Rs. 22,164, being the balance of the sinking fund investments of the Burdwan Municipality on account of loans raised in the open market, amounted to Rs. 40,60,546, as compared with Rs. 39,97,210 in 1909-10. The largest outstanding liabilities were those of Howrah (Rs. 21,58,869), Darjeeling (Rs. 6,07,808), Bhagalpur (Rs. 3,04,526) and Patna (Rs. 2,18,969). Eight municipalities received loans during the year, namely, Bankura (Rs. 11,000 for drainage), Howrah (Rs. 75,000 for drainage), South Barrackpore (Rs. 1,600 for general improvements), Bhatpara (Rs. 30,000 for drainage), Jessore (Rs. 30,000 for water-works), Purnea (Rs. 15,000 for improvement of roads), Darjeeling (Rs. 50,000 for sewerage) and Kurseong (Rs. 35,000 for water-supply).

31. On the 31st March 1911, 78 municipalities, as against 82 in the previous year, had outstanding liabilities on account of unpaid bills and unfinished works amounting to Rs. 1,02,304, which represented 3·5 per cent. of their current demand. It is satisfactory to note that the number of municipalities in which the liabilities exceeded the closing balance fell from 10 to 5, namely, Baduria, Debhatta, Jajpur, Balasore and Chaibassa. The excess was most marked in Balasore, which had liabilities amounting to Rs. 5,599, against a closing balance of Rs. 509. This result is a legacy from recent mismanagement, the effects of which are only gradually being rectified.

32. *Audit of accounts and embezzlements.*—Embezzlements occurred in the Municipalities of Maniktala, Halishahar, Rajpur, Gaya, Monghyr and Sahebganj. Convictions were secured in respect of the defalcations in the Halishahar and Sahebganj Municipalities, while in Gaya a trial was in progress. The accounts of the Maniktala Municipality had fallen into most discreditable confusion, and the Municipality was instructed by the District Magistrate to prosecute its cashier. The record of the year is far from satisfactory.

33. Viewing the municipal administration of the year as a whole, it appears that in the Burdwan Division the two worst managed towns are Burdwan and Midnapore, though better results might have been expected, looking to the state of education in them. Of the Midnapore Municipality in particular, it is said that it has failed to perform its duties efficiently in almost every branch of its work. Uttarpara and Kotrung suffer noticeably from the existence of party feeling, and in the Presidency Division a similar remark is made as regards Taki, Baduria and North Dum Dum. The remarks in this latter division as to the results achieved are generally favourable, though affairs in Maniktala were mismanaged. The District Magistrate of the 24-Parganas characterises the standard of work in the mill and suburban municipalities as, on the whole, remarkably good. The Commissioner comments upon the persistent tendency to raise establishment charges unduly, some Rs. 4,000 having been so added during the year. In the Patna Division, looking to the attitude of the Patna Municipality with reference to the imposition of a latrine-tax and its apathy as regards the proposed flushing scheme of which the town was only asked to find about one-fifth of the cost and has hitherto failed to do so, the commendation of the local officers can scarcely be endorsed. The Commissioner emphasises the crying need of a flushing scheme at Arrah, and the attention of the Sanitary Engineer will be called to his remarks. The Commissioner of Bhagalpur condemns the administration of the Bhagalpur and Madhupur Municipalities, and the administration by the former of their water-works has been noticeably dilatory and unsatisfactory, in spite of liberal assistance given by Government. In the latter it was found necessary to appoint the Subdivisional Officer to be Chairman in order to put an end to quarrels. In Chota Nagpur the management of the municipal offices at Purulia and Chaibassa was lax. Elsewhere the general comments made for the most part recognize the maintenance of a fair standard of efficiency.

34. As stated last year the municipalities of Burdwan, Howrah, Cossipore-Chitpur and Maniktala were allowed a free hand in the preparation of their budgets, and as regards the two latter the Commissioner states that the discretion was not abused. No remarks are offered in the remaining two instances,

although the point is one which is deserving of special comment and should be dealt with in future years.

35. The acknowledgments of Government are due to the following gentlemen, whose names have been mentioned by Divisional Commissioners, for the good work done by them:—

BURDWAN DIVISION.

Babu Dol Gobinda Chattarji, Vice-Chairman, Asansol Municipality.
„ Jogendra Nath Mukharji, Chairman, Ramjibanpore Municipality.
„ Gokul Nath Sen, Vice-Chairman, Hooghly-Chinsura Municipality.
„ Debendra Nath Mukharji, Vice-Chairman, Baidyabati Municipality.
Mr. W. D. B. Watt, Chairman, Bhadreswar Municipality.
Babu Sashi Bhusan Chattarji, Chairman, Bally Municipality.

PRESIDENCY DIVISION.

Mr. T. Burns, Chairman, Tittagarh Municipality.
Rai Kripa Nath Dutta Bahadur, Chairman, Cossipore-Chitpur Municipality.
„ Barada Kant Mitra Bahadur, Vice-Chairman, Naihati Municipality.
„ Shyma Charan Bhattacharji Bahadur, Vice-Chairman, Bhatpara Municipality.

Mr. T. C. Eagles, Vice-Chairman, Hazaribagh Municipality.
Babu Serada Kumar Aikath, Vice-Chairman, Ranchi Municipality.
„ Jatindra Nath Gupta, Vice-Chairman, Daltonganj Municipality.

36. The Bengal Municipal Act (Act III of 1884) has now been in force for rather over a quarter of a century, and some statistics showing the development of municipal government within that period may not be without interest. The total number of municipalities in the Province (as now constituted) has risen from 102 in 1885-86, with a population of 2,226,900, to 130 containing 2,561,409 inhabitants. The proportion of rate-payers (16·6 per cent. during the year under review) has remained remarkably constant. The elective system is now in force in 98 municipalities, in comparison with 83 in 1885-86. The total municipal income (exclusive of the opening balance and receipts under "Extraordinary and Debt") has increased from Rs. 21,33,971 in 1885-86 to Rs. 55,62,397, this result being largely due to enhanced grants and contributions given in recent years. The revenue under rates and taxes has grown from Rs. 16,79,816 to Rs. 38,25,816, but is now only 68 per cent. of the total income, in comparison with 78 per cent. in the earlier year; grants and contributions have sprung from a modest Rs. 29,132 or, 1·4 per cent. of

gross income, to Rs. 10,28,748, or 18·5 per cent. It is, perhaps, not always recognized that municipal resources are aided to this large extent. The receipts from municipal property and powers other than taxation now amount to Rs. 4,92,778 as against Rs. 1,12,467, but realisations under special Acts have made slower progress (from Rs. 69,889 to Rs. 98,372). The total expenditure (excluding "Extraordinary and Debt" and expenditure from loan funds) is now Rs. 47,85,394, in comparison with Rs. 22,00,509 in 1885-86, and the expansion under various main heads will most easily be appreciated from the following figures:—

	1885-86.		1910-11.	
	Amount.	Percentage of total.	Amount.	Percentage of total.
	Rs.		Rs.	
Establishment	2,53,161	11·5	3,66,294	7·6
Lighting	1,21,105	5·5	2,92,346	6·1
Water-supply	63,080	2·8	3,75,875	7·8
Drainage	50,046	2·2	4,51,828	9·5
Conservancy	5,78,553	26·2	14,31,108	30·0
Medical	1,47,141	6·6	6,65,824	13·9
Public Works	4,90,461	22·2	8,15,485	17·0
Education	78,567	3·5	1,60,373	3·4

The heads which have shown the largest proportionate development are Water-supply, Drainage and Medical, and, as was pointed out in Resolution No. 1352 San., dated the 22nd July 1911, dealing with the report of the Sanitary Commissioner for the year 1910, 19 municipalities now possess water-works which serve rather over half a million people, and which cost approximately Rs. 48 lakhs, while 20 towns have been provided with improved drainage works at an outlay of some Rs. 16¼ lakhs. Much still remains to be done in these directions, but looking to the fact that it is mainly recently that the pace has been quickened under the stimulus of liberal grants-in-aid, an appreciable progress can be chronicled.

The thanks of the Lieutenant-Governor in Council are due to all the gentlemen, official and non-official, who have given their services to the work of municipal administration during the year.

By order of the Lieutenant-Governor in Council,

H. WHEELER,

Secretary to the Government of Bengal.

No. 1537 M.

Copy forwarded to the Commissioner of the Burdwan Division for information. His attention is invited to paragraphs 7, 12, 15, 17, 22, 23, 24, 28 and 34 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 1538 M.

Copy forwarded to the Commissioner of the Presidency Division for information. His attention is invited to paragraphs 7, 12, 15, 17, 20, 22, 23 and 24 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 1539 M.

Copy forwarded to the Commissioner of the Patna Division for information. His attention is invited to paragraphs 5, 6, 7, 12, 15, 22, 23 and 33 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 1540 M.

Copy forwarded to the Commissioner of the Tirhut Division for information. His attention is invited to paragraphs 7, 12, 15, 17, 23 and 28 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 1541 M.

COPY forwarded to the Commissioner of the Bhagalpur Division for information. His attention is invited to paragraphs 7, 12, 15, 20, 23, 24 and 28 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

No. 1542 M.

COPY forwarded to the Commissioner of the Orissa Division for information. His attention is invited to paragraphs 7, 12, 15, 23 and 24 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution

No. 1543 M.

COPY forwarded to the Commissioner of the Chota Nagpur Division for information. His attention is inivted to paragraphs 7, 12, 15, 20, 23, 24 and 28 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

Circular No. 61 M.

COPY, with copies of the above endorsements, forwarded to all District Officers (except of Angul) for information and guidance. Additional copies are supplied for distribution to Subdivisional Officers and Municipal Commissioners.

No. 1544 M.

COPY forwarded to the District Officer of Angul and Khondmals for information.

Circular No. 62 M.

COPY forwarded to all Departments of this Government for information.

No. 1545 M.

COPY forwarded to the Accountant-General Bengal, for information.

No. 1546 M.

COPY forwarded to the Director of Public Instruction, Bengal, for information. His attention is invited to paragraph 29 of the Resolution.

No. 1547 M.

COPY forwarded to the Inspector-General of Civil Hospitals, Bengal, for information.

No. 1548 M.

COPY forwarded to the Sanitary Commissioner, Bengal, for information. One set of the Divisional Municipal Reports is also forwarded for information.

No. 1549 M.

COPY forwarded to the Secretary, Sanitary Board, Bengal, for information. His attention is invited to paragraph 33 of the Resolution in which a reference has been made to the need of a flushing scheme at Arrah. An extract from the Commissioner's Report on the subject is also enclosed.

No. 1550 M.

COPY forwarded to the Inspector-General of Police for information.

By order of the Lieutenant-Governor in Council,

E. L. TANNER,

Under Secretary to the Govt. of Bengal.

CALCUTTA,
The 30th November 1911.

MUNICIPAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 20TH DECEMBER 1912.

RESOLUTION—No. 1837M.

READ—

The Reports from the Commissioners of Divisions on the working of Municipalities in the Bengal Presidency (except Calcutta) during the year 1911-12.

THE reports have been prepared for the Presidency as it stands after 1st April 1912, and therefore though the figures for divisions and for individual municipalities can be usefully compared with those of previous years, the Provincial figures throw little light on the general question of municipal progress. A perusal of the reports leaves the impression that, while municipal administration in Bengal has achieved a very considerable and creditable amount of success, it has not kept pace with the progress that has been so noticeable in other directions in the last few years. Generally, the rate-payers seem to have been rather apathetic, and, where a keen interest has been displayed, party spirit has often taken the place of that public spirit which is so essential to real municipal self-government. It is however gratifying, to observe that some of the large municipalities—Howrah, Cossipore-Chitpur, Dacca, Darjeeling, Kurseong and others—have shown great energy in grappling with the problems presented to them, and considerable appreciation of the true ideals of municipal administration, but the majority have not shown any great anxiety to improve their present condition, have often too readily accepted the usual plea of poverty, and have shown a disposition to wait till improvements are forced upon them. A hopeful sign is the increasing extent to which Municipal Commissioners recognize that their duties and responsibilities are not confined to attendance at meetings; while spasmodic interference with the working of the municipal machine may often do more harm than good, the willingness of Municipal Commissioners to give their services freely to the municipality under an organized system of division of the work of supervision can only lead to good results. Sanitation is the chief work of municipalities, and, largely owing to liberal grants from Government, very considerable progress has been made in the improvement of the urban water-supply in the last few years and many municipalities have undertaken costly schemes of surface drainage; the influence of such works on the public health and convenience cannot be overestimated, and His Excellency trusts that every municipality will endeavour to provide itself with a pure water-supply and, wherever practicable, with an efficient drainage system. These are undoubtedly the two most important requirements of sanitation in the province, but they do not by any means exhaust its demands. There are constant complaints from all the divisions that the present system of conservancy leaves much to be desired. Inadequate attention is given to the cleansing of drains and tanks, jungle-cutting, and the filling-up of insanitary hollows, and the demand is growing for the supervision and inspection of food-supplies and the conditions under which they are sold. The great drawback hitherto has been the lack of a trained executive agency for general sanitation, but steps have now been taken to provide a service of Health Officers and Sanitary Inspectors for employment in municipalities, and it is hoped that Municipal Commissioners will welcome the opportunity of obtaining a trained sanitary agency which will undoubtedly be more efficient and will probably be very little more expensive. Even after sanitation has been provided for, there is a wide scope for the further extension of municipal activities, and the only practical limits are those

imposed by financial considerations. The general scale of municipal taxation throughout the province is by no means excessive, and is lower than that which prevails in other provinces ; the percentage of rate-payers to the municipal population is also low, and it is reported that the burden is not always equitably distributed. The first essential is a fair distribution of the incidence of municipal taxation, and experience has shown that this can best be effected by an assessment of a carefully selected officer whose work the Commissioners are willing to accept, unless very good reasons are shown for interference in particular cases. Equally important is the organization of an efficient Collection Department ; when the rates that it is considered reasonable to levy from individuals have been fixed, there is no reason why the collections should not be made punctually and in full, and there should be but little scope for arrears or remissions. There is little doubt that these measures would considerably improve the financial condition of many of the municipalities without any increase in the present rates, while there would still remain in many cases a reasonable margin for further taxation. The advantages of efficient municipal administration are local, and if the people concerned desire these advantages they must be prepared to pay for them ; it is not reasonable for them to expect that these advantages should be secured to them at the expense of the general tax-payer.

2. The reconstitution of the province from the 1st April 1912 has resulted in a decrease of 19 in the total number of municipalities in Bengal ; 54 out of the 130 referred to in last year's resolution have been transferred to the new province of Bihar and Orissa, while 35 previously in Eastern Bengal and Assam are now within the boundaries of this Presidency. No new municipalities were established during the year, but a proposal to constitute a municipality at Bhola is at present under consideration.

3. *Results of elections held during the year.*—The elective system was extended during the year to Sonamukhi in Bankura, Kamarhati in 24-Parganas and Chakdah in Nadia. There were general elections held in 24 municipalities, and a fair amount of interest was taken in them by the rate-payers ; the percentage of attendance of voters in Western Bengal varied from 80 to 27, but it must be remembered that the percentage of rate-payers to population in the whole province was only 15·9, while it is reported that, in the Presidency Division, only 66 per cent. of the rate-payers pay not less than 6 annas a quarter, which is the minimum rate necessary to qualify for a vote. The elections at Barisal were declared invalid by the District Magistrate, owing to certain irregularities in the poll.

4. *Number of meetings and attendance of Commissioners.*—The total number of meetings held was 1,980 against 1,879 in the previous year. Of these 146 had to be adjourned owing to there being no quorum. Eight municipalities—Sonamukhi, Ramjibanpur, Rajpur, Garulia, Kandi, Basirhat, Cox's Bazar and Jalpaiguri—failed to hold 12 meetings in the year, while in Suri, Ranagha , Kushtia, Jangipur, Khulna, Mymensingh, Comilla and Pabna the interest in municipal affairs, as judged by the attendance of Municipal Commissioners at meeting, was not very great. On the other hand, in 72 municipalities the average attendance was over 50 per cent. and at North Barrackpore, Bhatpara, Baduria and Patuakali three-quarters of the Commissioners attended every meeting.

5. *Number of rate-payers.*—The total number of rate-payers rose from 311,798 to 312,338. and the percentage of rate-payers to population was 15·9. The percentage was lowest in Titagarh (3·5), Garulia (5·2), Bhatpara (5·9), Bhadreswar (6·2), Garden Reach (8·8) and Narayanganj (8·9). The low percentage in Narayanganj, one of the most advanced and thriving municipalities in the province, is explained by the presence in the town of a large number of factory labourers whose rates are paid by their employers. The decrease of 494 rate-payers in Kamarhati was mainly due to the discontinuance of the former practice of counting owners of arable holdings as separate rate-payers. In the Bhadreswar Municipality, the number of rate-payers fell from 2,455 to 1,525, but the decrease has not been explained.

6. *Assessment and taxation.*—In 37 municipalities and in certain wards of the Bhadreswar, South Dum-Dum, South Barrackpore and Rampur Boalia Municipalities the rate on holdings is the principal form of taxation.

In 70 municipalities and in the remaining portions of the four municipalities mentioned above a tax on persons was in force. In addition latrine-fees were levied in 92 municipalities. a water-rate in 14 and a lighting-rate in 4 The average incidence of taxation per head of population for the whole province was Re. 1-14-8 as compared with Re. 1-12-7 durmg 1910-11, the increase being shared by all the divisions. Omitting the hill municipalities of Darjeeling and Kurseong where the incidence was Rs. 8-3-7 and Rs. 4-15-4, respectively, it varied from Rs. 4-15-3 in the Cossipore-Chitpur Municipality to annas 4-4 in Debhatta. The Presidency Division, where the greatest demand for a progressive municipal administration might be expected, still shows the lowest incidence of taxation though it has risen from Re. 1-7-6 to Re. 1-10-1, and many municipalities appear to regard municipal improvement as too expensive a luxury.

7. *Revision of assessments.*—A general or partial revision was made in 82 municipalities, with noticeably satisfactory results in the following instances :—

	Increase of revenue.
	Rs.
Howrah	17,282
Budge-Budge	12,880
Dacca	8,621
South Suburban	7,560
Tollyganj	5,450
Darjeeling	4,900
Narayanganj	4,684
Maniktala	3,778
Cossipore-Chitpur	3,412
Dinajpur	3,173
Burdwan	3,040

In the Midnapore Municipality the assessment was found to be insufficient and inequitable, and after the close of the year an order has been passed under section 111A of the Bengal Municipal Act, 1884, requiring the municipality to revise and amend the assessment. At the request of the Municipal Commissioners a Sub-Deputy Collector has been deputed for the work.

8. *Collections.*—The percentage of total collections on current demand was 97·8 compared with 94·7 in the previous year. The improvement was common to all divisions and it was most marked in the Dacca and Rajshahi Divisions where 102·4 and 97·6 per cent. were collected as against 88·3 and 90·5 per cent., respectively, in 1910-11. Of individual municipalities those showing the best results were Khirpai (117·2), Raniganj (114·06), Dacca (108·7), Halisahar (106·2) and Patuakhali (105·0). The Garulia Municipality succeeded in collecting the entire amount of its demand, and showed neither remissions nor outstandings at the close of the year. Twenty-one municipalities against 13 in 1910-11 were able to show collections of cent. per cent. and over, while in the Debhatta, Hooghly-Chinsura, Rampur Boalia, Chandrakona and South Suburban Municipalities, the collections declined by about 72, 22, 15, 14 and 12 per cent., respectively. The percentage of total remissions on current demand rose from 3·0 to 4·1 and the Provincial figure was greatly exceeded in the Garden Reach (37·5), Dhulian (25·4), Halisahar (19·3) and Burdwan (15·4) Municipalities. Though the outstanding balances in Dacca and Burdwan declined by Rs. 32,694 and Rs. 11,294, respectively, they still amounted to Rs. 20,803 and Rs. 17,928 at the end of the year. Large outstanding balances were also shown by the municipalities of Hooghly-Chinsura (Rs. 18,656), Mymensingh (Rs. 17,177) and Maniktala (Rs. 11,516), and ten municipalities showed unrecovered balances of Rs. 5,000 or more. Attention is again invited to the following remarks made by the Government of Bengal in paragraph 7 of its Resolution reviewing the reports for 1910-11 :—

"With municipal revenues made up, as they are, of a multitude of petty items, it cannot be too strongly insisted upon that the only hope of efficient collections is promptitude in realising what can be paid, and the writing off

forthwith of what is irrecoverable; the accumulation of heavy arrears upon the books impedes the administration at every turn, and it is well worth while to employ a temporary special staff if the accounts can thereby be brought up to date. It is hoped that the matter will receive the special attention of all concerned."

9. *Income and Expenditure.*—The total receipts of the municipalities in the province including the opening balances amounted to Rs. 78,08,730 as compared with Rs. 75,31,496. The increase occurred chiefly under the following heads :—

	Rs.
Opening balance	53,105
Municipal rates and taxes	2,48,325
Sources other than taxation, loans and advances	56,373

The total disbursements amounted to Rs. 59,76,731 as against Rs. 60,77,206 in the previous year. There was a decrease of Rs. 3,60,242 under the head " Extraordinary and Debt " while increased expenditure was incurred under the heads " Public health and convenience " (Rs. 1,84,265), " Miscellaneous " (Rs. 38,892) and " General administration and collection charges " (Rs. 21,894).

10. *Closing balances.*—The closing balances rose from Rs. 14,54,290 to Rs. 18,31,999. The largest balances were held by Howrah (Rs. 4,40,446). Hooghly-Chinsura (Rs. 1,57,768) and Burdwan (Rs. 1,10,126). The increase in Burdwan was due to abnormal receipts by way of contributions on account of drainage scheme. In Hooghly-Chinsura it was due to non-payment of money owing for the water-works.

11. *Income (Rs. 63,54,253).*—The total income of the year excluding that under the heads of " Opening balance " and " Extraordinary and Debt " amounted to Rs. 50,85,013 showing an increase of Rs. 1,67,756 over the figures of the preceding year. Details of the main items of revenue are given below.

12. *Taxes on houses and lands (Rs. 14,23,662).*—Under this head there was an increase of Rs. 1,29,221, of which Rs. 54,637 was due to collection of large arrears in Dacca and Rs. 36,183 to better collections and the revision of assessments in Garden Reach.

13. *Tolls on roads and ferries (Rs. 88,194).*—This source of revenue becomes every year of less and less importance to municipalities. The receipts fluctuate from year to year, but the tendency on the whole is downward chiefly owing to the improvement of communications and increased facilities for railway and steamer traffic.

14. *Water-rate (Rs. 5,08,616).*—This rate was levied in 14 municipalities and the total receipts showed an increase of Rs. 65,483. The increase at Dacca (Rs. 27,516), however, was only nominal as the rate was only in force for a portion of the previous year. The settlement of their dispute with the Port Commissioners has enabled the Garden Reach Municipality to show an increase of Rs. 14,378. The only other large increase was in Maniktala where the enhancement of the rate from the second quarter and the assessment of new and improved holdings resulted in an increase of Rs. 10,086, but a portion of this was illegally levied and will have to be refunded. As the water-rate is a direct payment for benefit received, it should in all cases be sufficient to fully pay the cost of the water-works up-keep and loan charges leaving the general tax free for general sanitation and improvement.

15. *Lighting rate (Rs. 1,55,677).*—The rate is levied only in the four municipalities of Howrah, Cossipore-Chitpur, Maniktala and Darjeeling. The receipts under this head rose by Rs. 8,344. The Darjeeling Municipality has credited the receipts from this source amounting to Rs. 45,397 to the head " Electric light installation " and these have been shown in column 35(*b*) of Form II headed " Other fees."

16. *Conservancy (including scavenging and latrine rates (Rs. 9,48,624).*—The income under this head shows an increase of Rs. 39,975 mainly in the Dacca Division (Rs. 21,872). The receipts from the sale of night-soil and the disposal of refuse and street sweepings are still very small

(Rs. 2,323) and are slightly lower than in the previous year. In other provinces some municipalities make a considerable revenue from this source and even allowing for the difference of conditions it does not seem that the municipalities in this province have yet realised the agricultural value of this refuse and the possibility of increasing their income from this source. In Eastern Bengal the receipts are not shown separately, but this should be done in future.

17. *Tax on persons according to their circumstances and property and the tax on professions and trades.*—The receipts from the tax on persons increased from Rs. 3,69,094 to Rs. 3,70,376, while those from the tax on professions and trades declined from Rs. 57,659 to Rs. 57,110. The variations were slight and call for no remarks.

18. *Receipts under Hackney Carriage Act (Rs. 15,046).*—Fifty-three municipalities as compared with 51 in the previous year derived an income under this head, the aggregate amount showing an inprovement of Rs. 2,294 over the revenue of the previous year. The municipalities of Kamarhati, Halisahar and Kishorganj against which receipts were shown in the preceding year derived no income from this source during the year under review.

19. *Prevention of cruelty to animals.*—The fines realised under Act I (B. C.) of 1869 or Act XI of 1890 and credited to municipal funds in the Burdwan and Presidency Divisions amounted to Rs. 4,313. Fines realized in Howrah were made over to a special committee and those in the district of Darjeeling to the Society for the prevention of cruelty to animals working in that district. Under the orders of the Government of India the arrangements under which the municipalities in Eastern Bengal enjoy the income from this source have been made permanent and these receipts are not specified in the divisional reports.

20. *Grants from Provincial and Local Funds and contributions from private individuals. (Rs. 7,05,550).*—The receipts under this head show a decline of Rs. 48,378. The most noticeable grants made by Government during the year were to the municipalities of Howrah (Rs. 2,50,000 for the extension of the water-supply), Hooghly-Chinsura (Rs. 50,000 for water-supply), Dacca (Rs. 40,000 for the improvement of the conservancy tramway line and for the improvement of the pathways giving access to private privies), Chittagong (Rs. 20,000 for general improvement), Midnapore (Rs. 11,907 for education), South Suburban (Rs. 11,700) for water-supply), Serampore (Rs. 10,000 for water-supply), Bhatpara (Rs. 10,000 for drainage), Jessore (Rs. 10,000 for water-supply), Chandpur (Rs. 8,180 for the old bazar water-works), Ranaghat (Rs. 7,000 for drainage) and Comilla (Rs. 7,000 for the survey of the town). There were few striking instances of private liberality during the year, but the following deserve special mention :—Rai Jyot Kumar Mukharji Bahadur made a donation of Rs. 35,000 towards the water-supply scheme at Uttarpara and the Maharajadhiraja of Burdwan contributed Rs. 10,000 for the drainage scheme at Burdwan. The Midnapore Municipality received Rs. 13,669 from the King Edward Memorial Fund for the construction of a new ward of the Pierce Hospital. In the Kotrung Municipality Babu Kristo Nath Mukharji of Barrackpore is reported to have erected a *pucca* bathing *ghât* at Shiotala at a cost of Rs. 25,000 for the use of the public.

21. *Expenditure—Office and collection establishment (Rs. 3,30,082).*—The total expenditure under this head showed an increase of Rs. 16,433. The percentage calculated on the total ordinary expenditure was highest in Taki (25·3), Nalchiti, Debhata and Bazitpur following with 22·3, 22·1 and 21·1, respectively. The high percentage in Taki is due to the cost of the assessment of the municipality carried out during the year. It is satisfactory that the percentage in the new municipality of Dhulian has been further reduced to 13·7 from 18·5 in the previous year and 39·7 in 1909-10.

22. *Prevention of fire (Rs. 59,073) :*—As in the preceding year 23 municipalities showed expenditure under this head, that incurred by Howrah (Rs. 21,481), Cossipore-Chitpur (Rs. 28,420), Maniktala (Rs. 2,824) and Garden Reach (Rs. 4,707) representing the amount contributed towards the maintenance of the Metropolitan Fire Brigade. In comparison with the expenditure of the previous year the expenditure showed an increase of Rs. 10,492.

23. *Lighting (Rs. 2,79,603).*—The expenditure under this head showed a small increase of Rs. 2,519. As in the previous year the municipalities of North Barrackpore, Taki, Birnagar, Chakdah and Debhatta did not incur any outlay at all on this important branch of administration, and although the attention of the local officers was drawn to the same omission in the last resolution no explanation has been offered. The South Barrackpore Municipality which spent a small amount under this head in the previous year did not spend anything in 1911-12. The lighting is reported to be defective in many municipalities and complaints are specially made regarding Bankura and Hooghly-Chinsura. The matter is one that directly affects the convenience and safety of the inhabitants and it is hoped that all municipalities will pay greater attention to it in future.

24. *Water-supply. (Rs. 6,35,870).*—The expenditure under this head rose by Rs. 1,70,822 and the bulk of the increase (Rs. 1,53,781) occurred under the head "Capital outlay." The outlay under the head "Establishment, repairs, etc.," declined in the Dacca and Rajshahi Divisions. The most important scheme undertaken is the extension and improvement of the water-supply of Howrah which is now estimated to cost Rs. 16,97,162. Government promised to contribute Rs. 5,00,000 and half of the contribution was paid during the year. The Jessore water-supply scheme is expected to be completed during the current year. At Narayanganj the Municipal Commissioners have recently erected a second pump, for which a project amounting to Rs. 25,000 was sanctioned by the late Government of Eastern Bengal and Assam. The Mymensingh water-works were improved at a cost of Rs. 60,303 by the installation of a new engine and a boiler and the construction of a third sand filter-bed. The work in connection with the water-supply schemes at Hooghly-Chinsura, Serampore, Perojpur and Khulna was in progress, while schemes for Uttarpara and for the extension of the Narayanganj water-supply to the east side of the river Lakhya were under preparation during the year. A regular system of water-works has been initiated at Chandpur for which the Government has recently sanctioned a loan of Rs. 15,000. The Barisal water-works to which Government has largely contributed were opened during the year, but they were not completed owing to the failure to collect Rs. 8,000 out of the promised local subscriptions. The Sanitary Engineer reports that the works will be a failure unless they are completed in accordance with the scheme, and it is incumbent on the municipality to rouse sufficient public spirit to prevent this catastrophe. A scheme for water-supply at Nator on what is known as the "Faridpur system" is under the consideration of the Municipal Commissioners.

The reports show that there is a danger of municipalities overlooking the limitations of a water-supply scheme. After completion the works require constant and skilled supervision, and it is most wasteful to stint the expenditure on up-keep or employ a cheap supervising agency. But a greater danger is a disregard of the limit of the capacity of the pumping plant or filter beds ; a scheme designed to deliver a fixed maximum of gallons cannot be forced to deliver more without endangering all the works. The commonest form of improvidence in this direction is a too liberal grant of unmetered house-connections with the consequent inevitable waste of water, and Mymensingh and Dacca have both experienced trouble in this way. The provision of a meter in all house-connections as provided for in the model rules is a most important safeguard againt waste and enables the benefits of a water-supply to be far more wide reaching than they can possibily be when so much of the water is wasted by the comparatively small number of fortunate people who obtain house-connections.

25. *Drainage (Rs. 2,82,507).*—The total capital outlay declined from Rs. 2,33,651 to Rs. 1,65,933, while the expenditure on account of establishment, repairs, etc., rose from Rs. 1,15,636 to Rs. 1,16,574. The Municipality of Howrah incurred the largest capital expenditure, viz., Rs. 59,358. Schemes were under consideration at Dacca, Mymensingh and Suri. Drainage projects for Ranaghat and Kushtia have been sanctioned and the work will be commenced shortly. Administrative approval of Government was conveyed to the Katwa drainage scheme and to the combined drainage and water-supply scheme for Bankura. The detailed plans and estimates

for the latter have since been sanctioned. The Baruipur scheme and the second portion of the Bhatpara scheme were completed during the year under review, and the Burdwan Municipality has taken up the work in connection with the drainage of the town according to a modified scheme costing Rs. 1,50,000. The drainage work of the Serampore Municipality will be taken up as soon as the water-supply scheme is completed, while the undertaking at Hooghly-Chinsura has been postponed indefinitely in view of the large expenditure on the water-works now in progress. The Baranagar Municipality completed its drainage with the exception of the outfall channel and the sluice at the mouth of the Dantia khal. The municipalities connected with the Bagjolla khal project are considering a revised scheme. In this connection the following remarks of the Commissioner of the Presidency Division are of interest :—

" No work of importance under this head was carried out in the districts of Jessore and Khulna. The district reports do not show that the municipalities in these two districts, and the smaller ones in the other districts, made any systematic effort to carry out drainage schemes. Their resources are limited ; and unless they make a genuine effort to expand their income by increased taxation they cannot expect to undertake any expensive scheme of improvement. It may be said generally of the mufassal municipalities that the prevailing tendency is to keep down taxation as low as possible, and the natural consequence is that though many of them have long been in existence very few have done much to effect any real sanitary improvement."

26. *Conservancy (including road-cleaning and road-watering) and latrines (Rs. 14,59,739).*—The expenditure under this head shows an increase of Rs. 1,03,914. It rose in 66 municipalities, the most noticeable increase being in Dacca (Rs. 63,194) and Howrah (Rs. 22,397). The increase in the former was due to improvements to the conservancy tramway line. The difficulties in the way of efficient conservancy are great and this branch of administration is weak in most municipalities, special complaints being made in Hooghly-Chinsura, Krishnagar, Bankura, Berhampore and Dacca where the difficulties are specially great. It is in the matter of conservancy that the utility of trained Sanitary Inspectors will be most apparent, and it may be anticipated that as soon as these are ready for employment a general advance will be made in conservancy arrangements which will be much appreciated by the rate-payers.

27. *Hospitals and dispensaries (Rs. 2,88,204).*—The expenditure under this head declined in all the divisions, the total decrease being Rs. 85,093. It rose in 39 municipalities only, while in the rest it was either stationary or showed a decrease. The decrease was most marked in Burdwan, viz., Rs. 42,107, but it was mainly due to the fact that in the previous year the municipality contributed a sum of Rs. 40,000 towards the construction of the new Fraser Hospital which raised its medical expenditure abnormally. In other Municipalities the decrease was due either to less expenditure on the construction of new buildings or to an adjustment of accounts during the year. The provision of local medical aid is one of the duties of local bodies, and there is no reason to suppose that the decrease in expenditure is due to a decrease in local needs or to private charity taking the place of municipal subventions. The advance in the standard of medical requirements must involve increased expenditure and economy on hospitals and dispensaries must act very hardly on the poorer inhabitants of the municipalities and cannot be without its effect on the general health of the towns.

28. *Plague and other epidemic disease charges (Rs. 17,705).*—The expenditure under this head was incurred only in the Burdwan and Presidency Divisions. It rose in the former but fell in the latter, resulting in a net decrease of Rs. 2,588. The increase in the Burdwan Division was chiefly due to an outbreak of plague in Burdwan town.

29. *Public works (Rs. 7,97,025).*—The expenditure under this head showed an increase of Rs. 18,429 over the figures of the previous year. The increase occurred under all the sub-heads except " Buildings" under which the expenditure fell from Rs. 96,389 to Rs. 61,839. In 33 municipalities in the province the percentage borne by the outlay on public works on the total ordinary expenditure was 25 per cent. or more, and the rate varied from 54·7

in the Dhulian Municipality to 2·2 in Kurseong. It was unduly small in Garulia (4·4), Ramjibanpur (5·4) and Suri (5·7). The condition of the roads in Berhampore and Krishnagar is reported to be unsatisfactory.

30. *Public instructions (Rs. 1,59,023).*—The total expenditure rose by Rs. 5,150 as compared with the previous year, the increase being common to all the divisions except Rajshahi. The ratio of expenditure on primary education to the total ordinary income of the municipalities in the Burdwan and Presidency Divisions and of the municipalities of Darjeeling and Kurseong varied from 12·6 in Debhatta to ·78 in Darjeeling. Of these 30 municipalities spent less than 3·2 per cent. of their ordinary income on primary education.

31. *Loans.*—Forty municipalities were in debt at the close of the year and their total indebtedness, after deducting Rs. 4,909, the amount of the sinking fund investments of the Burdwan Municipality on account of loans raised in the open market, was Rs. 40,08,654. The largest outstanding liabilities were those of Howrah (Rs. 21,09,452), Darjeeling (Rs. 7,19,081), Dacca (Rs. 3,35,359), and Narayanganj (Rs. 1,53,686). Twelve municipalities received loans during the year, namely, Darjeeling (Rs. 1,43,000 for the construction of bazar barracks and for water-supply and drainage), Howrah (Rs. 35,000 for the extension of the water-works), Jessore (Rs. 30,000 for water-supply), Narayanganj (Rs. 25,000 for water-works), Dacca (Rs. 20,000 for the improvement of the conservancy tramway line), Ranaghat (Rs. 16,000 for drainage), Baranagar (Rs. 15,000 for drainage), Garulia (Rs. 10,000 for drainage), Budge-Budge (Rs. 5,000 for the extension of the trenching-ground), Khulna (Rs. 5,000 for water-supply), Maheshpur (Rs. 1,250 for water-supply) and Bansberia (Rs. 1,200 for the construction of office buildings).

32. On 31st March 1912, 58 municipalities in the Burdwan and Presidency Divisions together with Darjeeling and Kurseong in the Rajshahi Division had outstanding liabilities on account of unpaid bills and unfinished works amounting to Rs. 71,267 which represented 2·8 per cent. of their current demand. In four municipalities, viz., Kamarhati, Baduria, Satkhira and Vishnupur, the outstanding liabilities exceeded the closing balance.

33. *Audit of accounts and embezzlement.*—Embezzlements were detected in the municipalities of South Suburban, Nadia, Bhadreswar and Kotechandpur. No case of misappropriation has been reported from the Eastern Bengal divisions.

34. *Howrah.*—The record of the Howrah Municipality during the year has been one of great progress. The ordinary revenue of the year was Rs. 8,87,728 and the collections amounted to 99·84 of the net current demand leaving a total outstanding balance of Rs. 3,333 only at the close of the year. The ordinary expenditure was Rs. 7,99,028 leaving a surplus of revenue over expenditure of Rs. 88,700. The outstanding debt is Rs. 21,09,452, and the municipality is committed to improvement schemes which will absorb the growing revenues for some time. The extension of the water-works at a cost of nearly 17 lakhs is in progress and will provide for an immediate increase of supply from $1\frac{3}{4}$ to 5 million gallons with an ultimate supply of 8 million gallons. The surface drainage scheme is progressing and will eventually cost 19 lakhs, while the sewerage scheme, which must be undertaken as soon as the municipality has finished the water-supply and drainage, will cost 20 lakhs. Much no doubt remains to be done and the cleanliness of Howrah is of great importance to Calcutta, but great credit is due to the Commissioners for the work already done and they have shown that they fully realise their responsibility and are prepared to grapple with the difficulties. An application has been made to Government to extend certain sections of the Calcutta Municipal Act to Howrah to enable the Commissioners to deal with the evils that have been experienced in Calcutta. Road repair which has been somewhat neglected in the past has now been taken up systematically and the Commissioners have decided to light the town with electricity in future.

35. The general record of the year's municipal administration is reviewed by the Divisional Commissioners and there are no very striking features. In the Burdwan Division, Burdwan and Midnapore are again unfavourably mentioned as the worst administered towns in the division and Hooghly-Chinsura and Bankura have both very great room for improvement while in

Uttarpara party feeling still exists to a deplorable extent. The assessment at Midnapore is being revised by a especially selected officer and the probable increase of income should be followed by very considerably increased efficiency. In the Presidency Division most of the advanced municipalities conducted their affairs with credit to themselves, but the Maniktala, South Suburban and Krishnagar Municipalities leave very much to be desired and the administration in Taki, Nadia and Debhatta was much hampered by the existence of strong party feeling. In the Dacca Division Narayanganj has enhanced its reputation for efficient management, but Barisal seems likely to get into financial difficulties unless a more careful and reasonable system of administration is adopted. In the Rajshahi Division, Darjeeling, Kurseong, Dinajpur and Bogra have been well administered, and the municipalities in the Chittagong Division are reported to be satisfactory. All the Commissioners of Divisions are impressed by the languid interest taken generally in the affairs of the smaller municipalities and by the influence of the fear of unpopularity in retarding sanitary improvement.

36. Under Government circular No. 2T.—M., dated the 20th April 1910, the municipalities of Burdwan, Howarh, Cossipore-Chitpur and Maniktala were allowed a free hand in framing their budgets according to their discretion. The manner in which these municipalities utilised the concession during the year under review has not been reported by the Commissioners concerned, although a special notice of the matter in future reports was specifically enjoined in the Resolution for 1910-11.

37. The acknowledgments of Government are due to the following gentlemen whose names have been mentioned in the reports of the Divisional Commissioners for the good work done by them :—

BURDWAN DIVISION.

Mr. C. F. Payne, I.C.S., Chairman, Howrah Municipality.
Babu Mahendra Nath Bhattacharji, Vice-Chairman, Howrah Municipality.
„ Debendra Nath Sarkar, Chairman, Burdwan Municipality.
Mr. E. M. Mannooch, Chairman, Asansol Municipality.
Babu Dolgobinda Chatarji, Vice-Chairman, Asansol Municipality.
Mr. J. R. Wylde, Municipal Commissioner, ditto.
Babu Durga Ram Bose, Chairman, Tamluk Municipality.
„ Rajendra Lal Adhikari, Vice-Chairman, Chandrakona Municipality.
„ Jogendra Nath Mukharji, Chairman, Ramjibanpur Municipality.
Rai Mahendra Chandra Mitra Bahadur, Chairman, Hooghly-Chinsura Municipality.
Babu Gokul Nath Sen, Vice-Chairman, Hooghly-Chinsura Municipality.
„ Pramatha Nath Mukharji, Vice-Chairman, Serampore Municipality.
„ Chuni Lal Chatarji, Vice-Chairman, Uttarpara Municipality.
„ Debendra Nath Mukharji, Baidyabati.
Mr. D. B. Watt, Chairman, Bhadreswar Municipality.
Babu Bhut Nath Banarji, Vice-Chairman, Bhadreswar Municipality.
„ Joti Prosad Banarji, Chairman, Kotrung Municipality.
„ Abinash Chandra Pal, Vice-Chairman, Kotrung Municipality.
„ Bipin Bihari De, Vice-Chairman, Bansberia Municipality.

PRESIDENCY DIVISION.

Rai Kripa Nath Datta Bahadur, Chairman, Cossipore-Chitpur Municipality.
Mr. W. Cuthbert, Chairman, Baranagar Municipality.
„ T. Burns, Chairman, Titagarh Municipality.
„ D. Mudie, Chairman, Bhatpara Municipality.
Babu Keshab Lal Ray Chaudhuri, Chairman, Jessore Municipality.
„ Hari Nath Mazumdar, Chairman, Satkhira Municipality.

DACCA DIVISION.

The Chairman, Narayanganj Municipality.
Babu Nishi Kanta Ghosh, Chairman, Mymensingh Municipality.
Rai Charu Chandra Chaudhury Bahadur, Chairman, Sherpur Municipality.
Babu Chandra Kishor Kar, Chairman, Bazitpur Municipality.
The Chairman and the Vice-Chairman, Tangail Municipality.
The Chairman and the Vice-Chairman, Faridpur Municipality.
The Hon'ble Nawab Khawaja Muhammad Yusuf, Chairman, Dacca Municipality.

CHITTAGONG DIVISION.

Nawab Saiyid Hossam Haider Chaudhuri, Khan Bahadur, Chairman, Comilla Municipality.
Babu Satish Chandra Ray, Vice-Chairman, Comilla Municipality.
Mr. Takle, Chairman, Brahmanbaria Municipality.
„ Arbuthnot, Chairman, Chandpur Municipality.

RAJSHAHI DIVISION.

Dr. Muhammad Muzammal, Vice-Chairman, Rangpur Municipality.
Rai Rajani Kanta Mazumdar Bahadur, Chairman, Bogra Municipality.
Babu Hari Mohan Singh, Chairman, Dinajpur Municipality.

By order of the Governor in Council,

J. DONALD,

Offg. Secretary to the Government of Bengal.

Nos. 23-24 M.

COPY forwarded to the Commissioner of the Burdwan / Presidency Division for information. His attention is invited to paragraph 36 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

Nos. 25-27 M.

COPY forwarded to the Commissioner of the Dacca / Chittagong / Rajshahi Division for information. His attention is invited to paragraph 16 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

CIRCULAR No. 1 M.

COPY, with copies of the above endorsements, forwarded to all District Officers for information and guidance. Additional copies are supplied for distribution to Subdivisional Officers and Municipal Commissioners.

CIRCULAR No. 2 M.

COPY forwarded to all Departments of this Government for information.

No. 28 M.

COPY forwarded to the Accountant-General, Bengal, for information.

No. 29 M.

COPY forwarded to the Director of Public Instruction, Bengal, for information.

No. 30 M.

COPY forwarded to the Inspector-General of Civil Hospitals, Bengal, for information.

No. 31 M.

COPY forwarded to the Sanitary Commissioner, Bengal, for information. One set of the Divisional Municipal Reports is also forwarded for information.

No. 32 M.

COPY forwarded to the Secretary, Sanitary Board, Bengal, for information.

No. 33 M.

COPY forwarded to the Inspector-General of Police for information.

By order of the Governor in Council,

S. K. SAWDAY,

Under-Secretary to the Government of Bengal.

CALCUTTA,
The 3rd January 1913.

FORM No. I.

STATEMENT SHOWING THE CONSTITUTION

OF THE

MUNICIPALITIES IN THE BENGAL PRESIDENCY

DURING

1911-12.

FORM NO. I.—*Statement showing the constitution of the Municipalities in the Bengal Presidency during the year ending 31st March 1912.*

NAME OF DISTRICT.	Serial number of Municipality.	Name of Municipality.	Act under which constituted.	Population within Municipal limits.	NUMBER OF MEMBERS OF COMMITTEE. (a) Ex-officio.	(b) Nominated.	(c) Elected.	(d) Total.	(e) Official.	(f) Non-official.	(h) European.	(h) Indian.	Number of meetings held.	Number of meetings proved abortive for want of quorum or adjourned.	Average percentage of official's present at each meeting.	Average percentage of non-officials present at each meeting.	Average percentage of all members present at each meeting.

GENERAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 11TH MAY 1914.

RESOLUTION—No. 1381M.

READ—

The Reports from the Commissioners of Divisions on the working of Municipalities in the Bengal Presidency (except Calcutta) during the year 1912-13.

Municipal administration during the first year of the newly constituted Presidency was for the most part uneventful. The larger municipalities continued to make steady progress and a few of the smaller bodies made good use of the limited funds at their disposal. The general position remained unchanged and the description given in last year's resolution still holds good. A hopeful sign of the year was the increasing interest taken by Municipal Commissioners in local affairs, and the growing inclination shown by the rate-payers to co-operate actively in the work of local self-government.

1. *Number of Municipalities and revision of boundaries.*—The number of municipalities in the Presidency remained unchanged, viz., 111. A slight addition was made to the area of the Kushtia Municipality and a few outlying villages were excluded from that of Nawabganj. The proposal to establish a municipality at Bhola was postponed.

2. *Result of elections.*—General elections were held in 62 out of the 111 municipalities in the Presidency during the year under report. The seats were as a rule keenly contested, party feeling running high. The attendance of voters was on the whole good, but it varied very greatly. The highest percentage of attendance was 94·07 in Ward No. IV of the Burdwan Municipality and the lowest, except for one election where the number of candidates was only one in excess of the number of seats and one candidate withdrew at a very early stage of the polling, was 5·18 in Ward No. I of the Suri Municipality. The greatest apathy was shown in Kurseong, where only three candidates came forward for eight seats and the remaining five had to be filled by nomination.

Seven elections were declared invalid by the Magistrate on account of irregularities. In Burdwan, civil litigation ensued and the case was still pending at the close of the year. In Barisal the election which had been declared invalid by the Magistrate in the preceding year was eventually decided by the Civil Court to be valid.

The elective system was extended to Debhatta in Khulna during the year under report.

3. *Number of meetings and attendance of Commissioners.*—The total number of meetings held rose from 1,980 to 2,050, and the number of those that had to be adjourned for want of a quorum fell from 146 to 132. The Bally Municipality held no less than 45 meetings and several other municipalities held more than 30. On the other hand, Dainhat, Khirpai, North Barrackpore, Taki, Meherpur, Debhatta, Jalpaiguri, Rangpur, Serajganj and Old Malda failed to hold 12 meetings during the year.

The attendance of Commissioners was, on the whole, fairly good. In North Dum-Dum, North Barrackpore, Chittagong and Sherpur in Bogra, the average attendance exceeded 75 per cent., and in 79 other municipalities it exceeded 50 per cent. In Debhatta and Comilla the percentage was unsatisfactory, while in Baduria it fell as low as 22·2 per cent.

4. *Number of rate-payers.*—The total number of rate-payers fell from 312,338 to 311,654. The decrease of 1,562 in Nawabganj was due to the exclusion of outlying villages, to which reference has already been made.

The decline in Halishahar and Panihati is attributed to the correction of mistaken calculations made in 1910, and to the fact that the occupiers of holdings acquired for the railway had moved out of municipal limits.

The percentage of rate-payers to population was 15·7, a trifle lower than in the previous year. It was lowest in Tittagurh (3·5), Garulia (5·1), Bhatpara (6·2), Bhadreswar (8·6), Garden Reach (8·8) and Narayanganj (8·8). The low percentage in the advanced and thriving municipality of Narayanganj is due to the presence in the town of a large number of factory labourers whose rates are paid by their employers.

5. *Assessment and taxation.*—In 37 municipalities and in certain wards of the Bhadreswar, South Dum-Dum, South Barrackpore, Brahmanbaria and Rampur-Boalia Municipalities, the rate on holdings is the principal form of taxation. In 69 municipalities and in the remaining portion of the five municipalities mentioned above, a tax on persons was in force. In addition, latrine fees were levied in 92 municipalities, a water-rate in 15 and a lighting-rate in four.

The average incidence of taxation per head of population for the whole province was Re. 1-15-4 as compared with Rs. 1-14-8 during 1911-12. In the hill municipalities of Darjeeling and Kurseong the incidence of taxation was Rs. 8-6-9 and Rs. 4-11-10, respectively; in other municipalities it varied from Rs. 5-4-6 in Cossipore-Chitpur to annas 6 in Baduria and Ramjibanpur. The Presidency Division still shows the lowest average incidence of taxation, viz., Re. 1-10-2, the increase during the year being practically nil.

6. *Revision of assessment.*—A general or partial revision of assessments was made in 63 municipalities. The resultant increase of revenue was largest in the following municipalities :—

	Rs.
Maniktala	4,780
Jalpaiguri	3,180
Jamalpur	2,582
Tangail	2,192

7. *Collections.*—The total collections rose from Rs. 37,13,664 to Rs. 38,06,365, the increase being shared by all the divisions except Dacca; but the arrears outstanding at the commencement of the year were considerably less than those of the year before, hence the percentage of total collections to current demand fell from 97·8 to 96·15.

The Garulia Municipality again succeeded in collecting the entire demand without any remissions or arrears. The municipalities of Tittagurh and Naihati had no outstandings at the beginning or end of the year, and the remissions granted by them amounted to only ·2 and ·3 per cent., respectively. Twenty-one municipalities made total collections equal to or exceeding the current demand, the highest percentages being 113·2 in Nawabganj and 111·9 in Mymensingh.

The total remissions fell from Rs. 1,56,756 to Rs. 1,24,100, and their percentage on current demand from 4·1 to 3·13. The highest percentage of remissions was 10·5 in South Suburban, followed by 8·3 in Bansberia and 8·1 in Maniktala.

The outstanding balances rose from Rs. 1,97,079 to Rs. 2,26,519, an increase of about 15 per cent. In Howrah the arrears amounted to Rs. 57,630 and in Hooghly-Chinsura and Burdwan to Rs. 17,162 and Rs. 13,289, respectively. In all, eleven municipalities had arrears exceeding Rs. 5,000. This result is unsatisfactory and attention is invited to the remarks in paragraph 8 of the Resolution reviewing the reports for 1911-12.

8. *Income and expenditure.*—The total receipts of the municipalities of this Province, including the opening balances, amounted to Rs. 93,22,039

as against Rs. 78,08,730 in the previous year. The increase occurred under the following heads :—

	Rs.
Opening balance	3,77,071
Municipal rates and taxes	95,215
Municipal property and powers apart from taxation	15,596
Miscellaneous	14,409
Extraordinary and Debt	11,21,568

There was a decrease of Rs. 1,19,303 under the head "Grants and contributions."

The total disbursements amounted to Rs. 74,84,083 as against Rs. 59,76,731 in the previous year, the increase being principally under the heads "Extraordinary and Debt" (Rs. 12,63,547), and "Public health and convenience" (Rs. 2,29,195). There was a slight decrease under the heads "Miscellaneous" and "Contributions."

9. *Closing balances.*—The closing balances rose from Rs. 18,31,999 to Rs. 18,37,956. The largest balances were held by Howrah (Rs. 4,47,944) and Darjeeling (Rs. 1,41,099), the increase at the latter place being mainly due to mismanagement of the accounts ; but uncashed cheques and large sums received and credited only a few days before the end of the year contributed. In several municipalities the balances exceed the ordinary income, the explanation in most cases being that the municipalities are accumulating funds with which to carry out large schemes of water-supply or drainage.

10. *Income* (*Rs. 93,22,039*).—The total income of the year, excluding that under the heads of "Opening balance" and "Extraordinary and Debt" amounted to Rs. 50,99,683, showing an increase of Rs. 14,670 over the figures of the preceding year. Details of the main items of revenue are given below.

11. *Tax on houses and lands* (*Rs. 14,37,174*).—The increase under this head amounts to only Rs. 13,152. It would have been much greater, but for the fact that there were large arrear collections in 1911-12.

12. *Taxes on animals and vehicles* (*Rs. 2,11,945*).—The receipts under this head show an increase of Rs. 7,023, most of which accrued in the Rajshahi Division.

13. *Tax on professions and trades* (*Rs. 70,465*).—The income under this head rose by Rs. 13,355. In the Howrah Municipality alone the increase was Rs. 16,304, but this was counterbalanced to some extent by a considerable decline in the Presidency Division. The only point of interest in the reports is that a combination among the tanners and brickmakers in the Tollyganj Municipality, to thwart the efforts of the municipality to realise these fees, resulted in a decrease of nearly Rs. 1,500 in that municipality.

14. *Tolls on roads and ferries* (*Rs. 83,258*).—The decline under this head continued. The Burdwan Division, it is true, showed an increase of Rs. 1,617, but the Presidency and Dacca Divisions show a decrease of Rs. 3,719 and Rs. 2,467 respectively. The net loss under this head was Rs. 4,936.

15. *Water-rate* (*Rs. 5,38,015*).—This rate was levied in 15 municipalities and the total income shows an increase of Rs. 29,399 as compared with the previous year. Of this amount the Cossipore-Chitpur Municipality contributed Rs. 13,836, Mymensingh Rs. 6,215, and Barisal, where the tax was imposed for the first time from the third quarter of the year, Rs. 10,208. The Maniktala Municipality, on the other hand, showed a decrease of Rs. 2,776 owing to refund of a portion of the rates illegally realised in the previous year ; and Garden Reach a decrease of Rs. 7,616 owing to collection of large arrears in the previous year.

16. *Lighting rate* (*Rs. 1,65,090*).—This rate is levied only in the four municipalities of Howrah, Cossipore-Chitpur, Maniktala and Darjeeling. The Darjeeling Municipality has credited the receipts from this source,

amounting to Rs. 55,002, to the head "Electric light installation" and these have been shown in column 35 (*b*) of Form II headed "Other fees."

The net increase under this head was Rs. 9.413.

17. *Conservancy (including scavenging and latrine rates) (Rs. 9,71,793).*—There was an increase of Rs. 23,169 under this head.

The receipts from the sale of night-soil and street sweepings amounted to only Rs. 2,342, out of which Howrah alone realised Rs. 1,115. The people in general appear to be generally averse to using night-soil as manure; but the Presidency Commissioner reports that two municipalities in the 24-Parganas succeeded in trenching night-soil on private lands, and the District Magistrate is of opinion that cultivators have begun to recognise its agricultural value.

18. *Tax on persons according to their circumstances and property.*—The receipts from the tax on persons increased from Rs. 3,70,376 to Rs. 3,79,135. The variation is slight and calls for no remarks.

19. *Receipts under hackney carriages (Rs. 15,959).*—This tax was levied in 56 municipalities as against 53 in the previous year. The aggregate amount of receipts shows a slight increase of Rs. 913.

20. *Grant from Provincial and Local Funds and contribution from private individuals (Rs. 5,86,247).*—The receipts under this head show a falling off of Rs. 1,19,303 in comparison with those of the previous year. Among the grants made by Government during the year the following were the most important:—

Rs. 25,400 to the Katwa Municipality for drainage;
Rs. 11,000 to Baranagar for completion of its drainage scheme;
Rs. 11,000 to Garulia for drainage, and
Rs. 20,000 to Chittagong for general improvement of the town.

The following instances of private liberality deserve special mention:—The Maharajadhiraj Bahadur of Burdwan contributed a further sum of Rs. 10,000 towards the drainage scheme of Burdwan, Raja Rao Jogendra Narain Roy Bahadur of Lalgola made a donation of Rs. 17,315 for the construction of a phthisis ward and other improvements in the Berhampore Hospital; and Mr. W. W. Clay, the first Magistrate-Collector of Khulna, made a contribution of Rs. 1,483 for the construction of an operation-room in the local dispensary.

21. *Expenditure, Office establishment and collection charges (Rs. 3,41,856).*—The total expenditure under this head showed an increase of Rs. 11,774.

The percentage calculated on the total ordinary expenditure was highest in Debhatta (23·7); Nalchiti, Old Malda and Gobordanga following with 23·1, 20·9 and 20·5 respectively.

The steady rise under this head of expenditure is due to the increased cost of living.

22. *Prevention of fire (Rs. 52,948).*—Expenditure under this head was incurred by 20 municipalities as against 23 in the previous year, and the total amount shows a decrease of Rs, 6,125. The expenditure shown under this head against Howrah (Rs. 18,997), Cossipore-Chitpur (Rs. 25,134), Maniktala (Rs. 2,495) and Garden Reach (Rs. 4,159) represents the amounts contributed towards the maintenance of the Metropolitan Fire Brigade.

23. *Lighting (Rs. 2,94,090).*—The expenditure under this head showed an increase of Rs. 14,487 as compared with the previous year.

The Darjeeling Municipality spent Rs. 30,976 on the electric installation. The proposal for the supply of electric power by the Darjeeling Municipality to Kurseong having been negatived by Government as impracticable, the Municipal Commissioners of Kurseong contemplate setting up an installation of their own, and Part VIII of the Act has been extended to the municipality with this object in view.

The Dacca Municipality, which has hitherto received its electric current free owing to the generosity of the Ahsanulla Trustees, will now have to make its own arrangements and to incur heavy expenditure.

As in the previous year the municipalities of North and South Barrackpore, Taki, Birnagar and Chakdah spent nothing upon lighting

No explanation of this omission has been given although the attention of the local officers had been previously drawn to the matter.

In many other municipalities, particularly in Barisal and Chittagong, the arrangements for lighting are still defective and it is hoped that much more attention will in future be paid by the municipalities to this important branch of their duties.

24. *Water-supply* (*Rs. 9,72,716*).—The expenditure under this head rose by Rs. 3,36,846, out of which Rs. 3,19,660 were on account of "Capital outlay." The administrative approval of Government was accorded to the independent water-supply scheme for Uttarpara which had been rendered practicable by the liberality of Rai Jyot Kumar Mukerjee Bahadur. In the municipalities of Krishnagar, Asansol, Bhatpara, Madaripur. English Bazar and Chandpur (north section) schemes for the supply of good drinking water were under the consideration of the Commissioners.

The water-supply schemes at Barisal, Chandpur (old Bazar), Perojpur and Kurseong were completed, while the schemes at Hooghly-Chinsura, Serampore and Jessore were approaching completion at the end of the year Progress was also made in the extension of the Khulna water-works. At Mymensingh, a proposal for the improvement of the present works at a cost of Rs. 80,000 was approved by the Commissioners. Extension of the filtered water-supply to the trans-Lakhya portion of the municipality is still under contemplation. In Darjeeling the catchment area was extended. In Natore the scheme for the supply of drinking water on the "Faridpur system" was condemned, and it is now proposed to supply the town with filtered water by means of pipes. No progress was made with the water-supply scheme at Rampur-Boalia and Pabna; and the Kalna water-supply project fell through on account of the withdrawal of his offer of Rs. 25,000 by Kaviraj Upendra Nath Sen.

The new water-works in Kurseong were opened during the year Bacteriological analyses of the water made by the Sanitary Commissioner disclosed the presence of fœcal bacilli. The catchment area is clothed with virgin forest and thick vegetation; it has been fenced in, but charcoal-burning is allowed by the Forest Department and in the upper part of the area the grazing of cattle is very common. The Sanitary Commissioner holds that this is sufficient to account for the contamination of the water, which is, however, in his opinion not such as to give cause for serious alarm. The Chairman is, however, anxious to get complete control over the area.

In several municipalities progress was made in the sinking of wells and re-excavation of tanks.

25. *Drainage* (*Rs. 2,79,261*).—The total capital outlay declined from Rs. 1,65,933 to Rs. 1,48,138, while the expenditure on account of establishment, repairs, etc., rose from Rs. 1,16,574 to Rs. 1,31,123. The Burdwan Municipality incurred the largest capital expenditure, viz., Rs. 41,138. Schemes were under consideration at Asansol, Cossipore-Chitpur (suburban scheme), Kamarhati, Garden Reach, Dacca and Faridpur. Detailed plans and estimates for the subsidiary drains in connection with the Bagjola drainage scheme were prepared by the Irrigation Department. The second portion of the Garulia drainage scheme was undertaken, and the Bhatpara outfall channel scheme and the Kushtia and Ranaghat schemes were nearly completed. The drainage scheme for the Bhadreswar Municipality was submitted to Government and that for Katwa was sanctioned. The Rajpore Municipality was compelled to abandon its drainage project forwant of funds. The drainage scheme for the northern portion of the Budge-Budge Municipality could not be completed as a part of the area covered by it is outside the municipal limits. The Municipal Commissioners are considering the question of including this area within Municipal limits. The drainage schemes at Uttarpara (for block No. 3), Bankura (combined drainage and water-supply scheme), Mymensingh, Tangail and Natore made little headway, and vigorous action is needed to complete them. The late Government of Eastern Bengal and Assam made a grant of Rs. 7,000 to the Comilla Municipality for a survey of the town as a basis for a drainage scheme which is badly needed. The survey was commenced and made satisfactory progress during the year. In Kurseong the municipality suffered considerable loss owing to the

uncemented masonry work on two Jhora drains being washed away by exceptionally heavy rain.

In reporting on the anti-malarial operations in North Barrackpore Major Fry has remarked that the drains constructed there already show signs of neglect and lack of maintenance. It is essential that municipalities should realize that if drainage schemes are to be effective it is imperative that proper attention should be given to the drains after completion, and that the practice of undue retrenchment in the recurring cost of maintenance can only result in the waste of the capital expenditure.

26. *Conservancy, including road-clearing, road-watering and latrine (Rs. 13,55,675).*—The expenditure under this head shows a decrease of Rs. 1,04,064, which is mainly due to the reduction of expenditure on the Darjeeling sewerage scheme now nearing completion, on which a large sum was expended last year. There was also a noticeable decrease in Dacca (Rs. 46,788) owing to the large expenditure in the preceding year on the improvement of the conservancy tramway, but the expenditure was still considerably in excess (Rs. 16,406) of the figure for 1910-11.

This branch of municipal administration is still the one in which there is the greatest need for improvement. The difficulties are admittedly great, but it is hoped that the more general employment of Health Officers and the appointment of Sanitary Inspectors will soon have a salutary effect. It is reported that a high standard of efficiency has been reached in the three towns of Cossipore-Chitpur, Maniktala and Garden Reach which already employ Health Officers.

27. *Hospitals and Dispensaries (Rs. 2,95,987).*—The expenditure on this head increased slightly, but fell far short of that in 1910-11. The increase was shared by all divisions except the Presidency Division, where, however, the decrease was very small. The expenditure rose in 50 municipalities, while in the rest it either showed a decrease or was stationary. A new charitable dispensary was opened in Asansol. Lands were acquired for a dispensary in Basirhat. The municipality of Khulna added an operation room to the Woodburn Hospital. The Barisal Municipality made a contribution of Rs. 3,000 towards the construction of new dispensary buildings. The Pabna Municipality was unable to pay its contribution to the Sadar Dispensary owing to lack of funds.

28. *Plague and epidemic disease charges (Rs. 22,067).*—The total expenditure on this head shows an increase of Rs. 4,362. The bulk of the charge was incurred in the Burdwan and Presidency Divisions, and there was also some expenditure on this account in the Dacca and Rajshahi Divisions. The small expenditure of Rs. 90, in the Rajshahi Division, was due to an imported case of plague in Pabna. There was no plague in epidemic form in any of the municipalities and the expenditure was mainly incurred on precautionary and sanitary measures.

29. *Public Works (Rs. 8,29,145).*—The expenditure under this head shows an increase of Rs. 32,120 over the figures for the previous year. While the expenditure on "Buildings" rose from Rs. 61,839 to Rs. 1,11,367, the amount spent on roads was slightly less than in the former year. This is a matter for regret, as the condition of the roads in most municipalities is very far from satisfactory. The percentage of the outlay on public works on the total ordinary expenditure varied from 62·1 in Dhulian to ·8 in Kurseong. In 28 municipalities it exceeded 25 per cent., while in Chinsura (2·22), Garulia (4·4), Suri (4·73), Midnapore (6·4) and Kurseong (·8) it was ridiculously low.

30. *Public Instruction (Rs. 1,65,609).*—The total expenditure under this head increased by Rs. 6,586. The ratio of expenditure on primary education to the total ordinary income varied from 10·5 per cent. in Cox's Bazar to ·7 per cent. in Darjeeling. Thirty-seven municipalities spent less than 3·2 per cent. of their income on primary education.

31. *Loans.*—Forty-three municipalities were in debt at the close of the year and their total indebtedness, after deducting Rs. 6,175 the amount of the Sinking Fund investments of the Burdwan Municipality on account of loans raised in the open market, was Rs. 41,55,104. The largest outstanding

liabilities were those of Howrah (Rs. 20,21,494), Darjeeling (Rs. 8,38,660), Dacca (Rs. 3,20,882), Narayanganj (Rs. 1,46,972) and Hooghly-Chinsura (Rs. 1,41,615). Eight municipalities received loans during the year, namely, Darjeeling (Rs. 1,53,000 for the construction of the bazar barracks, the sewage scheme and drainage), Hooghly-Chinsurah (Rs. 1,12,000 for water-works), Serampore (Rs. 40,000 for water-works), Chandpur (Rs. 15,000 to meet the capital cost of the old bazar water-works), Bankura (Rs. 12,500 for combined drainage and water-supply scheme), Jessore (Rs. 5,000 for water-works), Kushtia (Rs. 4,000 for drainage scheme) and Kharar (Rs. 2,500 for a dispensary building).

32. On 31st March 1913, 85 municipalities had outstanding liabilities on account of unpaid bills and unfinished work, amounting to Rs. 3,25,422, which represented 8·9 per cent. of their current demand. In 12 municipalities, viz., Serampore, Murshidabad, Taki, Debhatta, Mymensingh, Muktagacha, Kishoreganj, Barisal, Jhalakati, Chandpur, Rampur-Boalia and Pabna, the amount of outstanding liabilities exceeded the closing balance.

33. *Audit of accounts and embezzlement.*—Embezzlements were detected in the municipalities of Baranagar, South Dum-Dum, Ranaghat, Nadia and Maheshpur, all in the Presidency Division. In Baranagar a blank cheque was extracted from the Municipal cheque-book, forged and cashed at the Bank of Bengal for Rs. 462. Suspcion fell on a former clerk of the municipality who absconded when criminal proceedings were instituted. This fraud was rendered possible by the failure to keep the current cheque-book in the personal custody of the Chairman as required by Account rule No. 46. The attention of the Chairmen of all municipalities is invited to the necessity for strictly observing this rule. The other cases were instances of criminal misappropriation by tax-daroga or collecting sarkars and presented no special features; they were due to laxity of supervision. No case of embezzlement was detected in any of the other divisions.

34. *Howrah.*—The current demand rose from Rs. 8,12.588 to Rs. 9,21,011 on account of the assessment of new and improved holdings and the revaluation of certain wards. The total ordinary income during the year was Rs. 11,72,491 and the collections amounted to 90·5 per cent. of the net current demand, leaving a total outstanding balance of Rs. 57,630 at the close of the year (as compared with Rs. 3,333 last year). The percentage of collections compared very unfavourably with that of the previous year, viz., 97·3. The ordinary expenditure was Rs. 8,59,061, leaving a surplus of revenue over expenditure of Rs. 3,13,430. The outstanding debt was Rs. 20,21,494. The year was devoted mainly to the development and execution of schemes started in previous years. Work in connection with the water-works improvement scheme was in progress. The water-supply distribution scheme was extended and improved during the year. This led to an intensification of the shortage in Sibpur and a second storage reservoir has been found necessary to amend this. Steady progress has been made with the construction of surface drains. Work has not yet begun on the canal which is to be the outfall for the inland watershed: estimates for excavation of the canal and construction of the connected works were submitted to Government, but were referred back to the municipality for reconsideration. Final arrangements were made for the lighting of the town by electricity instead of by gas. A proposal for a complete survey of the town was under consideration.

The record of this municipality is still one of great progress, and though much remains to be done, the Commissioners deserve full credit for what has already been accomplished.

35. The general record of the year's municipal administration is reviewed by the Divisional Commissioners. In the Burdwan Division, the Asansol and Bhadreswar Municipalities are efficient and progressive; Suri and Tamluk receive favourable comments and Baidyabati shows marked improvement. Elsewhere for the most part public interests are made subservient to party feelings. In this respect Utterpara is perhaps the worst offender and the elections are described as having been a scandal. Here and in Bally the extension of the Ward Committee system will have to be watched with care, the tendency being to use it as a means to undermine the executive power of the Chairman.

In the Presidency Division progress was retarded by the general elections which were held in about two-thirds of the municipalities. The outgoing Boards showed less interest in their work and the new Commissioners had not got into sufficient touch with things to do much before the close of the year. In the larger and more advanced municipalities there are signs of a growing interest in municipal affairs; the Chairman and Vice-Chairman for the most part exercised efficient control over their subordinates, and the rate-payers evinced a greater inclination to co-operate actively in the work of local self-government.

In the Dacca Division the Narayanganj Municipality has maintained its high reputation for efficiency. Barisal shows but few signs of material advance and its financial position is still unsound; but it is gratifying to observe that the Commissioners now appear to be animated by a genuine desire for improvement, they have of their own motion increased their income by a revision of the assessment and they have made a praiseworthy effort to liquidate their old liabilities.

In the Rajshahi and Chittagong Divisions the larger municipalities were well administered, but here as elsewhere very little real interest is taken in the affairs of the small municipalities.

36. The municipalities of Burdwan, Howrah, Cossipore-Chitpur and Maniktala were allowed a free hand in framing their budgets, but no report on the manner in which they utilised the concession has been submitted by the Commissioners concerned; although their attention was drawn to a similar omission in 1910-11 and 1911-12.

37. The acknowledgments of Government are due to the following gentlemen, whose names have been mentioned in the reports of the Divisional Commissioners, for the good work done by them :—

BURDWAN DIVISION.

Rai Mahendra Nath Bhattacharji, Vice-Chairman, Howrah Municipality.
Mr. K. N. Tagore, Secretary, Howrah Municipality.
Babu Devendra Nath Sarkar, late Chairman, Burdwan Municipality.
Maulvi Muhammad Yasin, Chairman, Burdwan Municipality.
Mr. E. Milsom, I.C.S., Chairman, Asansol Municipality.
Babu Dolgobinda Chattaraj, Vice-Chairman, Asansol Municipality.
Dr. J. J. A. Brachio, Chairman, Suri Municipality.
Babu Kalipada Hazra, Vice-Chairman, Midnapore Municipality.
„ Durga Ram Bose, Chairman, Tamluk Municipality.
„ Basanta K. Sarkar, Vice-Chairman, Tamluk Municipality.
„ Jogendra Nath Mukharji, Chairman, Ramjibanpore Municipality.
Rai Mohendra Ch. Mitra Bahadur, Chairman, Hooghly-Chinsura Municipality.
Babu Barada Prosad De, Chairman, Serampore Municipality.
Dr. Omrita Lal Munshi, Chairman, Uttarpara Municipality.
Mr. R. N. Band, Chairman, Bhadreswar Municipality.
Babu Bhut Nath Banarji, Vice-Chairman, Bhadreswar Municipality.
Mr. J. Low, Chairman, Baidyabati Municipality.
Babu Jati Prosad Banarji, Chairman, Kotrung Municipality.

PRESIDENCY DIVISION.

Rai Kripa Nath Dutta Bahadur, Chairman of the Cossipore-Chitpur Municipality.
Mr. H. M. Peat, Chairman, Garden Reach, Municipality.
Babu Jogendra Nath Ghosal, Vice-Chairman, Kamarhati Municipality.
„ Purna Chandra Roy, Chairman, Kushtia Municipality.
„ Sachindra Nath Roy, Chairman, Dhulian Municipality.
„ Iskandar Kadr Saiyid Nasir Ali Meerza, Chairman, Murshidabad Municipality.
„ Keshob Lal Ray Chaudhuri, Chairman, Jessore Municipality.
„ Hari Das Kunji Lal, Vice-Chairman, Kotchandpur Municipality.

DACCA DIVISION.

Nawab Khawaja Muhammad Yusuff, Chairman, Dacca Municipality.
The Hon'ble Mr. R. Glen, Chairman, Narayanganj Municipality.
Babu Nishi Kanta Ghose, Chairman, Mymensingh Municipality.
Rai Charu Chandra Chaudhury Bahadur, Chairman, Sherpur Municipality.
Babu Ambika Charan Majumdar, Chairman, Faridpur Municipality.
„ Jogesh Chandra Chakravarty, Vice-Chairman, Faridpur Municipality.
„ Abinash Chandra Ray, Chairman, Madaripur Municipality.
Maulvi Habibuddin Ahmad, Vice-Chairman, Madaripur Municipality.
Babu Dinesh Chandra Guha, Chairman, Nalchiti Municipality.
„ Jogendra Nath Guha, Chairman, Jhalakati Municipality.
„ Satish Chandra Sen, Vice-Chairman, Perojpur Municipality.
„ Satyendra Nath Ray Choudhury, Commissioner of Perojpur Municipality.

CHITTAGONG DIVISION.

The Hon'ble Nawab Saiyid Hossam, Chairman, Comilla Municipality.
Haidar Chaudhuri Khan Bahadur, Comilla Municipality.
Babu Satish Chandra Roy, Vice-Chairman, Comilla Municipality.
Mr. J. Takle, Chairman, Brahmanbaria Municipality.
Babu Bhavedev Bhattacharya, Vice-Chairman, Brahmanbaria Municipality.
Mr. Rau, Chairman, Chandpur Municipality.
Babu Haradayal Nag, Vice-Chairman, Chandpur Municipality.
„ Sarat Chandra Shome, Commissioner, Chandpur Municipality.

RAJSHAHI DIVISION.

Maulvi Hafizar Rahaman Chaudhuri, Chairman, Bogra Municipality.
Babu Tarakeswar Chakrabarti, Vice-Chairman, Dinajpur Municipality.
Mr. F. A. Moller, Vice-Chairman, Darjeeling Municipality.
Babu Mahendra Chandra Mukharji, Chairman, Serajganj Municipality.
Maulvi Ataruddin, Chairman, Nawabganj Municipality.

By order of the Governor in Council,

H. F. SAMMAN,
Secretary to the Government of Bengal.

Nos. 1529-33M.

COPY forwarded to the Commissioner of the (1) Burdwan / (2) Presidency / (3) Dacca / (4) Chittagong / (5) Rajshahi Division. His attention is invited to (1) paragraphs 7, 33 and 36 / (2) paragraphs 7, 23, 25, 33 and 36 / (3) paragraphs 7, 23 and 33 / (4) paragraphs 7 and 33 / (5) paragraphs 7 and 33 of the Resolution. Copies of the Resolution required for District and Subdivisional Officers and for Municipalities will be supplied direct to each District Officer for distribution.

CIRCULAR No. 11M.

COPY, with copies of the above endorsements, forwarded to all District Officers for information and guidance. Additional copies are supplied for distribution to Subdivisional Officers and Municipal Commissioners.

CIRCULAR No. 12 M.

COPY forwarded to all Departments of this Government for information.

GENERAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 23RD DECEMBER 1914.

RESOLUTION—No. 3202M.

READ—

The Reports from the Commissioners of Divisions on the Working of Municipalities in the Bengal Presidency (except Calcutta) during the year 1913-14.

THE Bengal Municipal (Sanitary Officers) Act, 1914 (Ben. Act II of 1914), became law towards the close of the year under report and Commissioners have since been invited to submit proposals for the extension of the Act. The extension of this Act will make it compulsory for municipalities whose income is not less than Rs. 10,000 to appoint sanitary officers. Municipal administration was also extended by the retransfer to Municipal authorities of the work of registration of vital statistics. This duty will naturally devolve on the sanitary officers when appointed. There has been no change in the general character of municipal administration. A number of sanitary schemes are under consideration and a few have materialised, but municipal bodies are, as a whole, reluctant to incur expenditure on this account and look to Government for a large amount of assistance. Grants-in-aid are given when required, but in return municipalities are expected to make real efforts to contribute to schemes of improvement.

1. *Number of municipalities and revision of boundaries.*—The number of municipalities in the Province remained unchanged, viz., 111. The proposal to establish a municipality at Bhola has been dropped in favour of the formation of a union committee. Alterations in the municipal boundaries of Rangpur and Darjeeling are under contemplation.

2. *Result of Elections.*—General elections were held in only nine municipalities during the year under report. In Chandpur the seats were for the most part uncontested, but in the other eight municipalities the elections excited considerable interest. The percentage of attendance of voters ranged from 90·9 in Ward No. IV of the Chandpur Municipality to 14·4 in Ward No. II of the Santipur Municipality. The first elections in two wards of the Baduria Municipality were declared invalid. An attempt was made to observe secrecy at a bye-election at Kotrung in the Hooghly district in view of the pressure brought to bear on electors by local zamindars. The presidents and members of the election committee were chosen for their impartiality, and no other person was allowed to remain in the polling booth. The experiment found favour with the voters and may be considered to have proved a success.

3. *Number of Meetings and Attendance of Commissioners.*—The total number of meetings held and the number of those that had to be adjourned for want of a quorum rose from 2,050 and 132 to 2,174 and 134, respectively. The Cossipore-Chitpur Municipality held as many as 63 meetings. Dainhat, Asansol, Suri, North Dum-Dum, North Barrackpore, Baduria, Debhatta and Old Malda failed to hold 12 meetings.

The attendance of Commissioners in the Dacca and Chittagong Divisions is reported to have been unsatisfactory. In 74 municipalities the average attendance exceeded 50 per cent., the South Suburban Municipality heading the list with a percentage of 85 and Rajpur following with 78·8. In seven municipalities the average attendance fell below 40 per cent.

4. *Number of rate-payers.*—The total number of rate-payers rose from 311,654 to 314,562 in spite of a decrease of 2,029 in the Burdwan Municipality consequent on the destruction of holdings by the floods in August and an apparent decrease of 1,331 in Nadia due to errors in previous calculations.

The percentage of rate-payers to population was 15·9. It was highest in Kalna (34·8) and lowest in Titagarh (3·6).

5. *Assessment and Taxation.*—The rates on holdings and persons and the lighting rate were levied as formerly. Latrine fees were levied in 93 municipalities and a water-rate in 17. The average incidence of taxation per head of population rose from Re. 1-15-4 to Rs. 2-1-1. It varied from 6 annas 3 pies in Baduria to Rs. 8-4 in Darjeeling. The divisional average was highest (Rs. 2-8-4) in Burdwan and lowest (Re.1-11-2) in the Presidency Divisions.

6. *Revision of Assessment.*—A general or partial revision of assessment was made in 64 municipalities. The resultant increase of revenue was largest in the following municipalities :—

	Rs.
Cossipore-Chitpur	87,886
Howrah	31,512
Mymensingh	14,421
Baranagar	13,405
Midnapore	12,827
Serampur	11,812
Barisal	10,230

In Chittagong, Rangpur and Darjeeling the assessment of new and improved holdings yielded increased revenues of Rs. 1,640, Rs. 2,500 and Rs. 4,577, respectively.

7. *Collections.*—All the divisions showed increase of collections and the total collections rose from Rs. 38,06,365 to Rs. 39,83,558. The percentage of total collections on current demand, however, fell from 96·15 to 94·15. There was a noticeable falling-off in the percentage of collections in the Presidency Division, in four municipalities of which there were heavy outstanding balances owing mainly to the non-payment of taxes by large tax-payers such as the Eastern Bengal State Railway and the Calcutta Corporation. In some cases the failure to realise these taxes was due to objections preferred against revised assessments. No satisfactory explanation has been given of the large decline in the Dacca Division.

Garulia and Titagarh maintained their reputation, the latter granting remissions amounting to only ·6 per cent. Nalchiti had no outstandings at the close of the year, and the percentage of remission was only ·2 per cent. of the demand. Fourteen municipalities succeeded in making collections equal to or exceeding the current demand.

The total remissions rose from Rs. 1,24,100 to Rs. 1,58,861 and their percentage on current demand rose from 3·13 to 3·7. Debhatta, Taki and Dhulian remitted the high percentages of 24·3, 18·5 and 10·7.

The outstanding balances rose from Rs. 2,26,519 to Rs. 3,16,741, *i.e.*, by nearly 40 per cent. This large increase is almost entirely accounted for by the Presidency Division and is due to the cause already noted. Fourteen municipalities had outstanding balances of over Rs. 5,000. The municipalities with large outstanding balances in the Burdwan Division are reported to have ignored the Government orders on the subject.

8. *Income and Expenditure.*—The total receipts of the municipalities, including the opening balances, fell from Rs. 93,22,039 to Rs. 88,64,602. There were decreases of Rs. 9,37,514 under the head "Extraordinary and Debt" and Rs. 12,409 under "Miscellaneous." The other heads showed an increase, the largest being Rs. 2,20,505 under the head "Municipal Rates and Taxes" followed by Rs. 2,19,043 under the head "Grants and Contributions."

The total expenditure amounted to Rs. 69,58,164 as against Rs. 74,84,083 in 1912-13, the decrease being solely under the head "Extraordinary and Debt" (Rs. 12,13,161). There was a large increase of Rs. 5,76,389 under the head "Public Health and Convenience" chiefly due to capital outlay on water-supply and drainage.

9. *Closing Balance.*—The closing balances rose from Rs. 18,37,956 to Rs. 19,06,438. The largest balances were held by Howrah (Rs. 3,65,856), Chittagong (Rs. 2,24,280), Darjeeling (Rs. 1,46,045) and Dacca (Rs. 1,23,339). These large balances are mainly due to unexpended grants and accumulated funds for water-supply and drainage schemes.

10. *Income (Rs. 88,64,602).*—The total income of the year excluding that under the heads "Opening Balance" and "Extraordinary and Debt" increased from Rs. 50,99,683 to Rs. 55,73,291. Details of the main items of revenue are given below.

11. *Tax on Houses and Lands (Rs. 14,96,781).*—The increase under this head amounted to Rs. 59,607. The largest increases occurred in Howrah (Rs. 34,849) and Cossipore-Chitpur (Rs. 11,219).

12. *Tax on Animals and Vehicles (Rs. 2,19,323).*—There was an increase of Rs. 7,378 under this head, the increase being again largest in the Rajshahi Division. The receipts in the Presidency Division fell by 7·3 per cent., the decrease being attributed to the extension of railways and the partial failure of the jute crop.

13. *Tax on Professions and Trades (Rs. 75,671).*—The receipts under this head showed an increase of Rs. 5,206. The Presidency Division returned an increase of Rs. 1,654 against a decrease of Rs. 4,178 in the previous year.

14. *Tolls on Roads and Ferries (Rs. 87,037).*—The increase of Rs. 3,779 under this head is almost entirely accounted for by a change in the method of accounting in Narayanganj introduced under the instructions of the Examiner of Local Accounts.

15. *Water-rate (Rs. 6,02,313).*—This rate was levied for the first time in Serampur and Chandpur. Of the total increase (Rs. 64,298), Howrah contributed Rs. 26,154, Darjeeling Rs. 8,473, Cossipore-Chitpur Rs. 7,632, Maniktala Rs. 7,522 and Burdwan Rs. 6,269. The Dacca, Narayanganj and Mymensingh Municipalities showed a decrease of Rs. 3,308, of which Dacca accounted for Rs. 2,224.

16. *Lighting-rate (Rs. 1,84,319).*—As in the previous year, this rate was levied only in four municipalities. The receipts under this head showed an increase of Rs. 19,229 to which all the municipalities contributed. In addition, a sum of Rs. 54,373 was received by the Darjeeling Municipality on account of electric light installation.

17. *Conservancy (Rs. 10,10,879).*—The increase under this head amounted to Rs. 39,086. The receipts from the sale of night-soil and street-sweepings rose from Rs. 2,342 to Rs. 4,298, of which Howrah contributed Rs. 2,662. Four municipalities in the Burdwan Division leased out their trenching-grounds for cultivation.

18. *Tax on persons according to their circumstances and property (Rs. 4,00,766).*—The increase of Rs. 21,631 under this head was due to revision of assessments and better collections.

19. *Realization under special Acts (Rs. 1,09,492).*—The income under this head increased by Rs. 6,003 which consisted almost entirely of increased jute warehouse fees in Howrah and Cossipore-Chitpur. Fees under the Hackney Carriage Act were levied in Azimganj and Nadia for the first time.

20. *Revenue derived from Municipal property and powers apart from taxation (Rs. 4,69,161).*—The increase of Rs. 40,466 under this head was principally accounted for by increased rent and interest receipts.

21. *Grants and Contributions (Rs. 8,05,290).*—There was an increase under this head of Rs. 2,19,043. The following large grants were made by Government :—

Rupees 2,00,000 to Chittagong and Rs. 50,000 to Hooghly-Chinsura for water-supply.

Rupees 33,000 to Burdwan and Rs. 26,000 to Satkhira for improvement of water-supply.

Rupees 17,500 to Bhadreswar and Rs. 10,000 to Bhatpara for drainage works.

Rupees 20,000 to Chittagong for general improvement purposes.
Rupees 18,270 to Dacca for construction of girls' primary schools.

The following instances of private liberality deserve special mention :—

The Maharajadhiraj Bahadur of Burdwan contributed a further sum of Rs. 10,000 for the Burdwan Drainage Scheme ; Raja Rao Jogendra Narain Roy Bahadur of Lalgola gave a donation of Rs. 14,000 for the construction of an outdoor dispensary and a phthisis ward in the Berhampur Hospital ; the Raja Bahadur of Mahisadal contributed Rs. 5,000 to the Midnapore Municipality for a Town Hall ; Babu Nilkrishna Ray gave Rs. 5,000 towards the construction of a bridge over the Chaktai khal in the Chittagong Municipality ; Babu Iswar Chandra Ray made a donation of Rs. 4,000 for the excavation of a tank in Brahmanbaria ; and Babu Sachindra Nath Ray, Chairman of the Dhulian Municipality, gave a sum of Rs. 2,800 for the construction of a dispensary in that town.

22. *Expenditure. Office establishment and collection charges (Rs. 3,95,824).*—The expenditure under this head increased by Rs. 29,397 and the percentage on the total ordinary expenditure increased by ·4. The highest percentages were shown by Nalchiti (21·1), Khirpai (21·05) and Debhatta (20·6).

23. *Prevention of fire (Rs. 76,462).*—The increase of Rs. 23,514 under this head is almost entirely due to increased demands from Howrah, Cossipore-Chitpur, Maniktala and Garden Reach Municipalities to meet the cost of improvement in the Calcutta Fire-Brigrade. The total amount contributed by these municipalities was Rs. 73,836.

24. *Lighting (Rs. 3,28,785).*—The expenditure on lighting increased generally, the total increase being Rs. 34,695. Four municipalities are reported to have been unable to incur any expenditure for street lighting and the arrangements in Chittagong remained defective. A scheme is being drawn up for an electrical installation in Kurseong.

25. *Water-supply (Rs. 12,65,291).*—The expenditure on water-supply increased by Rs. 2,92,575, of which Rs. 2,48,144 was on account of capital outlay. The Serampur, Jessore and Khulna water-supply schemes were completed during the year and that of Hooghly-Chinsura has since been completed. The South Suburban Municipality spent Rs. 11,418 in extending its water-supply and Berhampur Rs. 3,392 in repairing its water-works. The water-supply plant of the Victoria Jute Mills Co., Telinipara, was improved and the area of supply extended to the great benefit of the public. Many wells and tanks were provided in the smaller municipalities.

The combined drainage and water-supply project in Bankura was commenced and is now in progress. Administrative approval was accorded to schemes submitted by the Commissioners of the Satkhira, Narayanganj and Chittagong Municipalities, the last being finally sanctioned before the close of the year. The provision of water-supply works in Asansol, Madaripur, Rampur-Boalia, Comilla, Chandpur (northern section), English Bazaar, Krishnagar, Nator, and Bogra and the extension or repair of existing works in Berhampur, Serampur, Mymensingh and Barisal were under consideration.

The Garden Reach Municipality appealed to the Local Government against the demand of the Calcutta Corporation for payment at penal rates for the supply of water in excess of the stipulated amount of 50,000 gallons a day. The result of this appeal was the fixing of an all-round rate of six annas per 1,000 gallons supplied up to a maximum of 200,000 gallons per day. The Kurseong filter was examined and overhauled by the Jewell Filter Co., and is now giving excellent results. A set of rules for the management and control of the catchment area was framed by the Municipal Commissioners and is under consideration. The catchment fencing has been readjusted in some places and it has been proposed that the Forest Department should stop forest work in this area and allow the municipality to protect it. It is hoped by this means to prevent pollution of the water.

26. *Drainage (Rs. 3,68,648).*—The increase of Rs. 89,387 was chiefly on account of capital outlay, the expenditure on which rose by Rs. 85,879.

Howrah (Rs. 59,622) and Burdwan (Rs. 52,928) incurred the largest capital expenditure. The Garulia Municipality completed the second portion, and Budge-Budge the northern portion of their respective schemes ; block 3 of the Serampur scheme was taken up and finished, and the Ranaghat and Kushtia schemes were nearly completed. A number of pucca drains were constructed in English Bazaar and a scheme of partial drainage at Berhampur was carried out, but it does not appear to have been working satisfactorily. The Suri drains are being repaired and encroachments removed. The preliminary arrangements in connection with the Katwa Drainage Scheme were completed and drainage schemes for Bhadreswar, Kurseong and Tangail received Government sanction. Baruipur applied to Government for a grant of Rs. 5,000 to remedy the defects found in its scheme. Cossipore-Chitpur and Garden Reach submitted schemes to Government for approval. The Asansol Drainage Scheme could not be taken up for lack of funds and may have to be revised. Work on the Baranagar outfall channel was also held up. Drainage schemes were under consideration at Basirhat, Kamarhati, Nator, English Bazaar, Dinajpur, Rangpur, Mymensingh, Faridpur and Jamalpur. The preliminary survey for a drainage scheme at Comilla was completed ; this scheme is expected to take some time to mature.

The Commissioner of the Presidency Division has drawn attention to the failure of some drainage schemes after completion and has pointed out that kutcha drains cannot be efficiently maintained by the low-paid staffs employed in small municipalities. The unsatisfactory nature of kutcha drains has now been realised and it is improbable that they will form any important feature in future schemes.

27. *Conservancy* (*Rs. 14,45,131*).—The expenditure under this head showed an increase of Rs. 89,456, principally on account of capital outlay.

An improvement in the Dacca conservancy department is reported, but the Barisal conservancy arrangements are still defective. Chandpur and Brahmanbaria each deputed an officer for a course of training which enabled them to qualify as Sanitary Inspectors. Steps are being taken to extend the Sanitary Officers Act to all municipalities whose income is not less than Rs. 10,000 and it is hoped that a number of these inspectors will shortly be appointed.

28. *Hospitals and Dispensaries and plague charges* (*Rs. 3,75,817*).—There was an increase of Rs. 57,763 under these heads of expenditure. The Presidency Division contributed the major portion of this including a sum of Rs 19,000, contributed by Raja Rao Jogendra Narayan Ray of Lalgola (Rs. 14,000) and the Berhampur District Board (Rs. 5,000) for the Berhampur Hospital. At Bankura a new operation-room was constructed and the outdoor accommodation was extended. At Raniganj quarters were constructed for a midwife. At Ghatal a bungalow was acquired for new hospital buildings. Maniktala established a branch dispensary at Ultadingi. Dhulian spent Rs. 4,038 on a new dispensary. The Pabna Municipality was again unable to contribute its share to the Sadar Dispensary and the contributions of the Bogra and Sherpur Municipalities were inadequate.

The expenditure on plague was almost entirely on preventive measures. A threatened outbreak of plague in epidemic form at Baranagar was successfully checked.

29. *Public Works* (*Rs. 8,59,816*).—There was an increased expenditure of Rs. 45,315 on roads, but the expenditure under the sub-head "Buildings" decreased by Rs. 25,886 ; the total increase of expenditure was only Rs. 30,671. The decrease in expenditure on roads by the municipalities in the Presidency and Dacca Divisions was unsatisfactory, and but for a large increase of Rs. 47,321 in the figures for Howrah, the decrease noticed under this head last year would have continued. The percentage of outlay on public works in Kurseong was only 1·5, but this is explained by the fact that all roads, with the exception of three small ones, are maintained by the Public Works Department. Hooghly-Chinsurah incurred only 3·1 per cent. of its total expenditure on public works.

30. *Public Instruction* (*Rs. 1,83,575*).—The increase of Rs. 17,966 under this head was shared in by all the divisions. Cox's Bazaar spent the

largest proportion of its ordinary income on primary education, viz., 11·2 per cent. Forty-one municipalities spent less than 3·2 per cent.

31. *Loans.*—Forty-one municipalities were in debt at the close of the year and their total amount of indebtedness after deducting Rs. 7,487, the amount of the Sinking Fund investments of the Burdwan Municipality, was Rs. 42,28,989. The largest outstanding liabilities were those of Howrah (Rs. 21,31,043), Darjeeling (Rs. 8,46,919), Dacca (Rs. 3,05,794), Narayanganj (Rs. 1,39,987) and Hooghly-Chinsurah (Rs. 1,34,124). Five municipalities took loans during the year, viz., Howrah (Rs. 2,00,000 for the drainage project), Darjeeling (Rs. 47,740 made up of Rs. 14,000 for improvement of water-supply and Rs. 33,740, the last instalment of the building loan of Rs. 1,63,740), Katwa (Rs. 15,000 for carrying out the drainage scheme), Kushtia (Rs. 6,000, the second instalment of the loan of Rs. 10,000 for drainage) and Jalpaiguri (Rs. 6,000 for the construction of an office building). Vishnupur, Rajpur and Krishnagar paid off their liabilities.

32. On the 31st March 1914, 83 municipalities had outstanding liabilities on current bills amounting to Rs. 2,88,540 which represented 8·1 per cent. of their current demand. In eight municipalities the outstanding liabilities exceeded the closing balance. The financial position of Hooghly-Chinsurah, with a closing balance of Rs. 3,212 and outstanding liabilities of Rs. 73,435, is critical. A special audit of the accounts of this municipality has been ordered by Government since the close of the year.

33. *Audit of Accounts and Embezzlement.*—There were two cases of embezzlement by tax-collectors in Chandrakona and Mahespur and one by a bench clerk in Bhadreswar. A sum of Rs. 558-12-9 was stolen by an office peon from the iron-safe of the Naihati tax daroga. The peon was arrested and has been sentenced to five years' rigorous imprisonment. No embezzlements have been reported from the Dacca, Chittagong and Rajshahi Divisions.

34. *Howrah.*—The current demand on account of taxes rose from Rs. 9,21,011 to Rs. 9,53,203. The total demand amounted to Rs. 10,11,841, of which Rs. 9,13,566 or 90·2 per cent. was collected. The total ordinary income, including grants and contributions, was Rs. 11,49,445 and the ordinary expenditure Rs. 15,74,216. The large increase in expenditure was due to the expenditure of Rs. 6,92,040 under water-supply, capital outlay. The outstanding debt was Rs. 21,31,043. Satisfactory progress was made with the laying of the new 24" water main, and the water-works at Serampur were maintained in good order. The erection of new over-head reservoirs has been postponed until the necessity for them has been established. Land acquisition proceedings were in progress in connection with the construction of the central drainage canal and it is expected that the excavation work will shortly be commenced. The preparation of schemes for pucca drains which will discharge into this canal is approaching completion.

The lighting of the town was greatly improved by the introduction of electric light. Survey operations were commenced under the supervision of the Director-General of Surveys. The clearance of bustees has been engaging the attention of the Commissioners. The provisions of the Bengal Municipal Act have been found unsatisfactory in the case of Howrah, and the Commissioners are considering the advisability of extending to Howrah the sections of the Calcutta Municipal Act dealing with bustees.

35. The year's record of municipal administration has been reviewed by the Divisional Commissioners, and many interesting remarks have been made by District Magistrates. In the Burdwan Division the Asansol, Raniganj, Tamluk, Sonamukhi and Arambagh Municipalities are specially commended for efficiency and good management. On the other hand, Burdwan, Hooghly-Chinsurah, Uttarpara, Baidyabati and Bansbaria are the subject of unfavourable comment. Burdwan passed through a period of exceptional strain at the time of the Damodar flood, which may have accounted for many of its shortcomings. The Magistrate of Burdwan (Mr. W. A. Marr) observes that with the municipalities in his district "the year has been one of preparation rather than performance", for while few important improvements were completed, many were carried through the preliminary stages. The Magistrate of Hooghly (Mr. Prentice) complains of lack of

system and businesslike methods, irregularity in collections and general insufficiency of funds ; he notes substantial progress in water-supply and drainage schemes, but fears that the incomes of municipalities will not expand sufficiently to keep pace with the growing demands unless the maximum limit of taxation is raised. The Magistrate of Howrah specially commends the good work done by the Lilua Ward Committee in the town of Bally. Unfortunately the present relations of the Ward Committee with the Municipal Commissioners are not altogether satisfactory, and the administration of the remainder of the Municipality is not conspicuously efficient the financial position being particularly unsound.

The Commissioner of the Presidency Division (Hon'ble Mr. Monahan) has recorded his opinion as follows : "The character of municipal administration in this division varies widely according to the different circumstances of the municipalities. In the large and wealthy suburban municipalities, with a comparatively high and rising valuation, a fairly high standard has been attained, and there is steady progress. The mill municipalities, which administer small and compact areas, with a sufficient income for their requirements, are efficient bodies. Other municipalities include extensive areas of a rural character, where no large income can be raised by taxation and no very high standard of municipal administration is attainable. Others again administer small and unprogressive towns with little trade or industry, or towns which, owing to economic changes, have declined in importance and are still decaying. In such places no large increase of taxation is possible, and, for any important improvements the municipalities depend on subventions from provincial or district funds or private liberality. Many defects may be found in the work of the municipal committees, the most serious, perhaps, being due to the prevalence of party spirit ; but, when all the difficulties are taken into account, the record of the municipalities, as a whole does not seem a bad one."

The Commissioner of Dacca (Mr. F. C. French) reports that on the whole the municipalities in his division are fairly progressive and desire improvements, but are unwilling to pay for them by any increase of taxation. The Magistrate of Mymensingh (Mr. Spry) observes : "The general charges of under-assessment and slack supervision may justly be made against all municipalities of this district, though without uniform severity. Inadequacy of funds is usually due to unsatisfactory assessment, and it is especially so in municipalities with an elected chairman. On the whole, however, the municipalities continue to do good work, and Government are indebted to many gentlemen for public services rendered at the expense of their time and pockets."

In the Chittagong Division, the Comilla Municipality showed a marked improvement in its administration, especially in the collection of arrears of rates and in the attendance of Commissioners at meetings. The Chittagong Municipality has made considerable progress.

In the Rajshahi Division, the Darjeeling and Kurseong Municipalities have the best record. The affairs of Pabna Municipality have been so unsatisfactory that they have been brought under the investigation of a small committee. Substantial progress has been made in other municipalities, and a number of sanitary schemes have been drawn up.

36. The Municipal Commissioners of Burdwan and Cossipore-Chitpur have not made good use of the freedom given to them in the preparation of their budgets. There have been serious irregularities in the Cossipore-Chitpur finances, and the recent audit of the Burdwan accounts has revealed a most unsatisfactory state of affairs. In the latter municipality there has been an alarming increase in the cost of establishment.

No irregularities have been found in the Maniktala budget, while the Commissioners of Howrah are reported to have used their freedom from control with a due sense of responsibility and to have framed their budget with care and prudence.

37. The acknowledgments of Government are due to the following gentlemen whose names have been mentioned in the reports of the Divisional Commissioners for the good work done by them :—

Burdwan Division.

Maulvi Muhammad Yasin, Chairman, Burdwan Municipality.
Mr. Edgley, Chairman, Asansol Municipality, and Dr. Nicholl, Vice-Chairman.
Mr. Chalmers Hills, Chairman, Raniganj Municipality, and Babu Bipin Behari Banerjee, Vice-Chairman.
Dr. J. J. A. Brachio, Chairman, Suri Municipality.
„ Watts, Chairman, Bankura Municipality, and Babu Ramnath Mukherjee, Vice-Chairman.
Babu Gagan Behari Ghose, Vice-Chairman, Vishnupur.
Mr. L. Burrows, Chairman, and Babu Atul Krishna Mukharjee, Vice-Chairman, Sonamukhi.
Babu Kali Pada Hazra, Vice-Chairman, Midnapore.
„ Durga Ram Bose, Chairman, and Babu Basanta Kumar Sarkar, Vice-Chairman, Tamluk.
Rai Mahendra Chandra Mitra Bahadur, Chairman, Rai Sahib Mahendra Lal Bose, Commissioner, Babu Prosad Das Mullick, the present Vice-Chairman, Hooghly-Chinsurah.
Babu Pramotha Nath Banerjee, Vice-Chairman, Serampur.
Dr. Omirta Lal Munshi, Chairman, Uttarpara.
Babu Bhut Nath Banerjee, Vice-Chairman, Bhadreswar.
„ Nava Gopal Bose, Vice-Chairman, Arambagh.
Rai Mohendra Nath Bhattacharjee Bahadur, Vice-Chairman, Howrah.
Mr. C. G. H. Danby, Chairman, and Dr. E. A. Houseman, Vice-Chairman of the Lilua Ward Committee in the Bally Municipality.

Presidency Division.

Rai Kripa Nath Dutta Bahadur, Chairman, Cossipore-Chitpur Municipality.
Shyama Charan Bhattacharji Bahadur, Vice-Chairman, Bhatpara Municipality.
Babu Jogendra Nath Ghosal, Vice-Chairman, Kamarhati Municipality.
Maulvi Saiyid Mofakhar-ur-Rahman, Vice-Chairman, Titagarh Municipality.
Rai Biswambhar Roy Bahadur, Chairman, Krishnagar Municipality.
Babu Peari Mohan Sanyal, Vice-Chairman, Santipur Municipality.
„ Nogendra Nath Mukharji, Vice-Chairman, Ranaghat Municipality.
Raja Bijoy Sing Dudhoria, Chairman, Azimganj Municipality.
Babu Sachindra Nath Roy, Chairman, Dhulian Municipality.
Rai Sahib Kunja Behari Chakrabarti, Chairman, Khulna Municipality.

Dacca Division.

Nawab Khawaja Muhammad Yusuff, Khan Bahadur, Chairman, Dacca Municipality.
The Hon'ble Mr. R. Glen, Chairman, Narayanganj Municipality.
Babu Nishi Kanta Ghosh, Chairman, Mymensingh Municipality.
Rai Charu Chandra Chaudhuri Bahadur, Chairman, Sherpur Municipality.
Babu Girish Chandra Chakrabarti, Chairman, Kishorganj Municipality.
„ Hem Chandra Routh, Vice-Chairman, Netrakona Municipality.
„ Ambica Charan Majumdar, Chairman, Faridpur Municipality.
„ Jogesh Chandra Chakrabarti, Vice-Chairman, Faridpur Municipality.
„ Abinash Chandra Ray, Chairman, Madaripur Municipality.

Maulvi Habibuddin Ahmad, Vice-Chairman, Madaripur Municipality.
Babu Dinesh Chandra Guha, Chairman, Nalchiti Municipality.
Babu Jogendra Nath Guha, Chairman, Jhalakati Municipality.
„ Satish Chandra Sen, Vice-Chairman, Pirojpur Municipality.
Rai Satyendra Nath Ray Chaudhuri Bahadur, Commissioner of the Pirojpur Municipality.

Chittagong Division.

Major C. A. Gourlay, I.M.S., Chairman, and Mr. A. F. Henderson, Engineer-Secretary of the Chittagong Municipality.
Babu Sarada Kumar Dutt, Vice-Chairman of the Cox's Bazar Municipality.
„ Ambika Charan Das and Babu Sarat Chandra Lahiri, Commissioners, Cox's Bazar Municipality.
„ Upendra Mohan Mitter, M.A., B.L., Vice-Chairman, Comilla Municipality.
„ Haradayal Nag and Babu Basanta Kumar Guha, Vice-Chairmen, Chandpur Municipality.

Rajshahi Division.

Babu Tarakeswar Chakravarti, Vice-Chairman, Dinajpur Municipality.
Maulvi Hafizar Rahman Chaudhuri, Chairman, Bogra Municipality.
Rai Mahendra Chandra Mukherjee Bahadur, Chairman, Sirajganj Municipality.
Babu Bipin Behari Ghose, Chairman, English Bazar Municipality.
„ Tarini Das Ray, Vice-Chairman, English Bazar Municipality.
Mr. F. A. Moller, Vice-Chairman, Darjeeling Municipality.

By order of the Governor in Council,

H. F. SAMMAN,

Secretary to the Govt. of Bengal.

MUNICIPAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 11TH JANUARY 1916.

RESOLUTION—No. 90M.

SANITARY improvement continues to be in the forefront of municipal activities. There were under discussion during the year 1914-15 a large number of schemes for the provision of water-supply and drainage, few, if any, of which would it be within the capacity of the municipality concerned to finance without assistance from Government by grant or loan. It has been the policy of Government, with the help of the Imperial recurring sanitary grant freely to aid improvements of this nature which municipalities were willing to undertake in accordance with the advice of the sanitary authorities. The European war had, however, already in the year under review rendered it necessary to curtail the expenditure provided for on this object; and the Governor in Council fears that for the present the inception of further original works, the execution of which is dependent upon grants and loans from Government, will, except in cases of special urgency, have to be deferred. The appointment of qualified sanitary officers is, however, a reform in municipal administration which will be provided for primarily from the municipal funds, and is not likely to be retarded. The Municipal (Sanitary Officers) Act, 1914 (Bengal Act II of 1914) was not enforced during the year under review and consequently little progress is reported in the appointment of sanitary officers. The Act has now been brought into force in the majority of municipalities containing a population of over 10,000 and will shortly be extended to others of this size, while at the same time the number of qualified men available is increasing. The Governor in Council trusts that municipalities will of their own accord expedite this strengthening of their establishment by the appointment of certified sanitary officers—a measure of no less importance for the improvement of public health in congested towns than the construction of sanitary works.

1. *Number of municipalities and revision of boundaries.*—The number of the municipalities in the province remained unchanged, viz., 111. Proposals were submitted to Government for the modification of the boundaries of the Nadia and Madaripur Municipalities, and the question of dividing South Barrackpore and Serampore into two municipalities each and alterations in the boundaries of Rangpur and Darjeeling were under consideration. The boundaries of the Berhampore Municipality were revised, increasing its area.

2. *Elections.*—General elections were held during the year in 21 municipalities. The majority of these elections were well contested. Party feeling in excess led to instances of sharp practice in one municipality, and there was litigation in connection with the general elections at Barisal and Nator. While within reasonable degrees rival sympathies and canvassing are the essentials of a healthy elective system, the Governor in Council trusts that leaders of public opinion in the townships will be on their guard against those elements of faction which lead to the domination of personal interests over public spirit.

3. *Number of meetings and attendance of Commissioners.*—The total number of meetings held fell from 2,174 to 2,159, of which 151 as against 134 last year failed for want of a quorum. The municipalities of Maniktala, Panihati, North Barrackpore, Meherpur and Pabna failed to hold at least one meeting a month, and in the Rangpur Municipality 8 out of 16 meetings proved abortive. The average attendance of Commissioners exceeded 50 per cent. in 73 municipalities, including all in the Chittagong Division. Patuakhali with an average attendance of 79·1 per cent. attained the best results, while in the Rangpur Municipality a percentage of only 27·7 betrays a lamentable degree of civic apathy.

4. *Number of rate-payers.*—The increase in the number of rate-payers from 314,562 to 318,099 was shared by all divisions except Rajshahi. Discovery of an excess in the number of rate-payers shown for Darjeeling in last year's report accounts for a slight decrease in the figures of this division. The number of rate-payers in the Burdwan Municipality rose again by 1,440 with the construction of new huts in place of those washed away last year by the floods. The percentage of rate-payers to population for all municipalities averaged 16·08, ranging from 34·9 in Kalna to 3·6 in Titagarh.

5. *Assessment and taxation.*—In two wards of the South Dum-Dum Municipality a tax on persons was replaced by a tax on holdings. Otherwise the rates on holdings and persons were levied as before. Latrine-fees were levied in 93 municipalities, a water-rate in 19, and a lighting-rate in Darjeeling and in three municipalities adjoining Calcutta. The only change in respect of these rates was the introduction of a water-rate in Jessore and Hooghly-Chinsura. The average incidence of taxation per head of population rose from Rs. 2-1-1 to Rs. 2-6-10. It varied from 5 annas 8 pies in Bajitpur to Rs. 8-10-1 in Darjeeling, the highest divisional average being Rs. 2-10-5 in the Burdwan Division, and the lowest Rs. 1-13-7 in the Presidency Division.

6. *Revision of assessment.*—General or partial revision of assessment took place in 41 municipalities, resulting in increase of demand with a few inconsiderable exceptions. In addition to this 25 municipalities increased their demand by new assessments mostly to a small extent. Thirty municipalities report a nett reduction of revenue due to remissions on appeal or on account of poverty and for other reasons not always explained. Revision of assessment has not led to instances of increase on the same scale as some quoted last year, the municipalities concerned being smaller. The largest increases are :—

	Rs.
Kurseong	9,415
Chandpur	6,986
South Dum-Dum	6,706
Berhampore	6,467
Dinajpur	6,214

On the other hand, there is noticeable a tendency to undo the improvement effected on revision by excessive leniency in the disposal of appeals. The Cossipore-Chitpur Municipality have reduced the increase secured last year by over Rs. 7,000 largely through reduction on appeals. The Midnapore Municipality have reduced an increase of Rs. 12,827 reported last year by over Rs. 4,000. The Burdwan Municipality, with one-fourth of the appeals still unheard at the end of the year, were reported to have whittled away the increase from revision by wholesale reductions. The results of a reassessment in Chittagong, which concluded in November 1914 with an increase of close on Rs. 20,000 from house-tax alone, could not be counted on at the end of the year, pending further revision of the assessment by the Commissioners and proposals for reduction of the rate of the latrine-tax. Imposition of a water-rate for the first time brought in a sum of Rs. 17,059 in Hooghly-Chinsura and Rs. 10,220 in Jessore. Assessment of new and improved holdings caused an increase of over Rs. 2,000 in Maniktala and Titagarh, and approximately Rs. 1,500 in Jalpaiguri.

7. *Collections.*—The total collections rose from Rs. 39,83,558 to Rs. 42,20,568. To this increase the Presidency Division contributed, in round figures, Rs. 1,20,000 and the Burdwan Division Rs. 70,000, while all divisions of Eastern Bengal shared in the balance. The percentage of total collections on current demand rose from 94·15 to 96·03. The highest divisional percentage is that of the Presidency Division, which rose from 91·4 to 97·8. There is still mention of unrealized dues from the Calcutta Corporation in Cossipore-Chitpur and from the railways in Krishnagar. The divisional percentage for Rajshahi decreased by 3·4 per cent., despite an increase of over Rs. 15,000 in the actual collections, largely on account of decreased collections in Rampur-Boalia, Nawabganj and Old Malda. Prolonged audit is said to have hampered collections in Rampur-Boalia and Pabna. Eighteen municipalities in all

succeeded in making collections equal to or in excess of the demand—an accomplishment depreciated in some cases by the excessive percentage of remission with which it was accompanied. Sixteen municipalities in the Burdwan, Presidency and Dacca Divisions had outstanding balances of less than Rs. 100, including six with no balance, remission in all cases being kept down to a minimum. Among these the small municipalities of Nalchiti and Garulia show neither opening arrears, outstanding balance, nor remissions.

The total remissions fell from Rs. 1,58,861 to Rs. 1,56,742, and their percentage on current demand from 3·7 to 3·5. Seven municipalities in the Presidency and Burdwan Divisions remitted over 10 per cent. on current demand, notably Bankura with a percentage of 17·7 on a demand of Rs. 20,177, and Taki (mentioned last year for high percentage of remission) with a percentage of 14·8 on a demand of Rs. 3,600.

The outstanding balances rose from Rs. 3,16,741 to Rs. 3,35,821, notwithstanding a decrease of Rs. 22,799 in the Presidency Division. Twenty-two municipalities had outstanding balances of over Rs. 5,000 as against 14 last year. An abnormal balance in the Burdwan Municipality of over Rs. 35,000 is inadequately explained by delay in disposing of appeals against the general revision of assessment. The depression in the jute trade and local failures of crops were unfavourable circumstances of the year. The prevailing obstacle to fuller collections appears, however, to be the disinclination of the municipal executive to brave the unpopularity which coercive measures involve. The Governor in Council cannot too emphatically remind municipal Chairmen and Vice-Chairmen of the injustice done to the punctual rate-payer and the poorer classes of citizens by unwarranted indulgence to defaulters, and the need year by year for prompt demand and insistent pressure in the realization of municipal dues.

8. *Income and expenditure.*—The total receipts of the municipalities, including opening balances, rose from Rs. 88,64,602 to Rs. 93,64,836. Of this increase, however, only Rs. 54,539 was under heads of actual income. There was an increase of Rs. 3,07,260 in loans from Government, Rs. 1,18,259 in sale of Government securities and withdrawals from Savings Bank, and Rs. 67,829 in opening balance. There was an increase of Rs. 2,24,314 in receipts from rates and taxes, and a decrease of Rs. 1,66,852 in grants and contributions.

The total expenditure rose from Rs. 69,58,164 to Rs. 72,18,133. There was an increase of Rs. 2,55,699 under the head "Extraordinary and Debt" due chiefly to investments in Savings Banks. The total expenditure under all other heads hardly varied from that of last year, a decrease of approximately Rs. 1·35 lakh under "Public Health and Convenience" being set off against an increase of nearly a lakh under the head "Miscellaneous" and other slight increases. In round figures Rs 5 lakhs less was spent this year than last in capital outlay for water-supply and Rs. 3 lakhs more in capital outlay for drainage.

9. *Closing balance.*—The closing balance rose from Rs. 19,06,438 to Rs. 21,46,708. The largest balances were held by Howrah (Rs. 4,50,516) Chittagong (Rs. 2,09,740), Darjeeling (Rs. 1,30,553), Narainganj (Rs. 1,11,259), Dacca (Rs. 1,08,816), and Cossipore-Chitpur (Rs. 1,00,147). These large balances are mainly due to unexpended balances of grants and accumulated funds for water-supply and drainage schemes. The Commissioner of the Presidency Division remarks on a tendency in the municipalities of the 24-Parganas to incur expenditure in excess of budget allotments without the previous sanction of the Commissioner resulting in inadequate working balances.

10. *Income (Rs. 93,64,836).*—The total income of the year, excluding that under the heads "Opening Balance" and "Extraordinary and Debt," increased from Rs. 55,73,291 to Rs. 56,27,830. Details of the main items of revenue are given below.

11. *Tax on houses and lands (Rs. 15,87,351).*—There was an increase under this head of Rs. 90,570, of which the Presidency Division contributed Rs. 52,622. The largest increases occurred in Cossipore-Chitpur (Rs. 32,995), Baranagar (Rs. 11,315), and Dacca (Rs. 9,221).

12. *Tax on animals and vehicles* (*Rs. 2,17,002*).—Receipts under this head decreased by Rs. 2,321, an increase of Rs. 7,206 in the Burdwan Division being set off against decreases of Rs. 6,727 in the Rajshahi Division, which last year reported the largest divisional increase, and of Rs. 4,131 in the municipalities of the 24-Parganas and the Nadia district, with slight variations elsewhere. This decrease is ascribed to the failure of cart traffic consequent on the dullness in the jute trade.

13. *Tax on professions and trades* (*Rs. 81,845*).—There was an increase under this head of Rs. 6,174. The most noticeable features of the receipts were an increase of Rs. 5,150 in Howrah and of Rs. 2,722 in the municipalities of the 24-Parganas, slight depression in the other districts of the Presidency Division and continued decline in the Chittagong Municipality. The Rangpur Municipality were unable to realize more than Rs. 277 in license-fees from jute merchants, as against collections of Rs. 2,152 in the previous year, pending orders of the Divisional Commissioner on a representation of the merchants for reduction of the rate of fee imposed by the municipality.

14. *Tolls on roads and ferries* (*Rs. 86,845*).—A decrease in receipts under this head of Rs. 192 in all is the result of an increase in the Presidency and Burdwan Divisions and a decrease in all the divisions of Eastern Bengal of approximately Rs. 5,000 in each. The variations arise chiefly from ferries and are due to local causes, such as increased competition, arrears and failure of floods.

15. *Water-rate* (*Rs. 6,67,558*).—The rate was levied for the first time in the municipalities of Jessore and Hooghly-Chinsura, which contributed respectively Rs. 7,428 and Rs. 13,781 to the total increase of Rs. 65,426. Increases of Rs. 13,737 in Serampore and of Rs. 3,437 in Chandpur were due to the fact that collections were made only from the latter part of the previous year. Better collections resulted in an increase of Rs. 15,302 in Cossipore-Chitpur, Rs. 5,989 in Dacca, and Rs. 2,044 in Mymensingh, and revision of assessment in an increase of Rs. 4,065 in Berhampore and Rs. 2,600 in Kurseong. Receipts in Narainganj again declined. An apparent decrease of over Rs. 5,000 in Darjeeling is due to inclusion last year of sale-proceeds of old materials.

16. *Lighting-rate* (*Rs. 1,96,404*).—Of the four municipalities in which this rate is levied Cossipore-Chitpur contributed Rs. 11,373 out of a total increase of Rs. 12,085 as the result of better collections. There was a petty decrease in Maniktala.

17. *Conservancy* (*Rs. 10,70,191*).—The increase under this head amounting to Rs. 59,312 was shared by all divisions. Proceeds from the sale of nightsoil fell from Rs. 4,298 to Rs. 2,643. The practice of letting out trenching grounds for cultivation appears to be on the increase, and the Serampore Municipality made a few rupees by trenching nightsoil on private grounds.

18. *Tax on persons according to circumstances and property* (*Rs. 3,93,209*).—A decrease of Rs. 7,557 is largely accounted for by the abolition of this tax in two wards of the South Dum-Dum Municipality.

19. *Realization under Special Acts* (*Rs. 1,11,611*).—The Presidency Division contributed Rs. 1,391 out of a total increase in receipts under this head of Rs. 2,119. Fees under the Hackney Carriage Act were imposed for the first time in Kishoreganj and Pabna. The Chandpur Municipality failed to derive any income this year from jute-warehouse fees.

20. *Revenue derived from municipal property and powers apart from taxation* (*Rs. 4,72,250*).—The increase of Rs. 3,079 is the outcome of an increase generally under the heads of "Rents, Fees and Fines" and "Other Fees" counterbalanced by a decrease of slightly over Rs. 15,000 in the receipt from investments for general purposes.

21. *Grants and contributions* (*Rs. 6,38,438*).—There was a decrease under this head of Rs. 1,66,852.

The following were the larger grants made by Government :—

Rupees 50,000 to Hooghly-Chinsura and Rs. 44,815 to Uttarpara for water-supply.

Rupees 1,00,000 to Narainganj and Rs. 40,000 to Berhampore for extension and improvement of water-supply.

Rupees 10,433 to North Dum-Dum and Rs. 7,246 to Panihati in connection with the Bagjola Drainage Scheme.

Rupees 20,000 to Chittagong for the combined post of Secretary and Engineer.

Rupees 18,060 in all to Midnapore for water-supply (Rs. 5,000) and educational purposes (Rs. 13,060).

Rupees 15,000 to Burdwan to recoup the losses sustained from flood.

Rupees 11,771 to Darjeeling for medical purposes.

The following instances of private liberality deserve special mention.

The municipalities of Raniganj and Burdwan received grants of Rs. 3,500 and Rs. 3,000, respectively, from the Maharajadhiraja Bahadur of Burdwan, the former in aid of a water-supply scheme and the latter for the improvement of a charitable dispensary.

Babu Ram Chandra Guha and Babu Surja Kanta Chaudhuri made a grant of Rs. 4,780 to the Basirhat Municipality for the diversion of a road and for a tank. The Moslem community at Garden Reach contributed Rs. 1,268 to the local municipal fund for a Muhammadan burial ground. The Hon'ble Babu Upendra Lal Ray contributed Rs. 1,000 to the Chittagong Municipality for the construction of a road.

Contributions were also made to municipalities from various local funds, the largest being a grant of Rs. 13,000 made to the Nator Municipality from the Edward Memorial Fund for the purposes of water-supply. The municipalities of Jessore and Chandpur received contributions of Rs. 9,100 and Rs. 10,000, respectively, from the District Boards towards water-supply with the approval of the Governor in Council.

22. *Office establishment and collection charges* (*Rs. 4,11,238*).—Notwithstanding an increase of Rs. 15,414 in expenditure under this head, the percentage of this expenditure as to total expenditure decreased from 8·2 to 7·9 for the province, ranging in individual cases from 4·2 in Khulna and 4·7 in Hooghly-Chinsura, Dacca, Chandpur and Jessore to 22·1 in Comilla, 25·2 in Debhatta, and 26·2 in Nalchiti. High percentage of the expenditure on establishment is a constant and unavoidable feature of small municipalities such as the last two, the total ordinary expenditure of which was less than Rs. 2,500 each, while in Comilla the increase of 13·9 was largely due to survey charges.

23. *Prevention of fire* (*Rs. 78,304*).—Of the increase of Rs. 1,842 under this head approximately half is due to increased expenditure on appliances in Darjeeling. The bulk of the expenditure consists in contributions from municipalities adjoining Calcutta to the Calcutta Fire Brigade.

24. *Lighting* (*Rs. 3,34,567*).—Expenditure under this head rose by Rs. 5,782, the chief features being a decrease of Rs. 5,600 in the Presidency and Burdwan Divisions, and an increase of Rs. 6,154 in the Rajshahi Division. This was due principally to an extra cost of Rs. 3,916 incurred by Darjeeling in connection with the new hydro-electric scheme, and of Rs. 1,023 by Kurseong on account of 16 petrol lamps. In Dacca electric lighting was extended to certain important streets with the help of a grant of Rs. 6,000 made by the trustees of the Electric Light Fund. The municipalities of South Barrackpore, Panihati and North Barrackpore in the 24-Parganas, and Birnagar in the Nadia district, spent nothing on lighting.

25. *Water-supply* (*Rs. 7,85,149*).—The expenditure on water-supply decreased by Rs. 4,80,142, this being the result of a decrease of over Rs. 5 lakhs in capital outlay, while the cost of maintenance increased by approximately Rs. 33,000. The only large original scheme to be completed during the year was that for the supply of filtered water in Hooghly-Chinsura. Two new filters were completed in Serampore, and the Kamarhati Municipality made temporary arrangements for the supply of filtered water from the hydrants of the Cossipore-Chitpur Municipality. The Baranagar Jute Mills erected a filter for supplying filtered water to mill bustees. The existing water-supplies in the larger municipalities of the interior worked well, with the exception of that at Barisal, where the municipality is

reported to have made no provision for dealing with the difficulty caused by the river water becoming brackish in February, with the result that the water was rendered useless for drinking purposes for several months. Fair progress was made during the year with the water-supply scheme in Bankura. The improvement of the water-works in Burdwan has had to be postponed for want of funds. Two new distribution lines were opened by the Kurseong Municipality and a new pump was purchased at Patuakhali. Tanks and wells were provided as before in the smaller municipalities.

The scheme for the extension of the Narayanganj water-supply to the municipal area on the east side of the river Lakhya at a cost of Rs. 1,70,000 received the final sanction of Government, and a grant of one lakh was paid to the municipality. A loan of the balance has been sanctioned, and at the end of the year work was about to be taken up after settlement of preliminaries. Final sanction was also accorded to the scheme for the completion of the Barisal water-works at a cost of Rs. 20,000, and work was taken up under the supervision of the District Engineer. A detailed scheme for the water-supply of the Satkhira Municipality was submitted to Government. Administrative approval was accorded to schemes for the improvement of the water-supply of the Dacca Municipality and of Berhampore, construction of a water-supply for the northern part of Chandpur and for the English Bazar Municipality, and for an independent water-supply at Uttarpara. The detailed project of the Dacca scheme was placed before the municipality during the year. The provision of a water-supply at Ranaghat, Asansol, Raniganj, Suri, Faridpur, Madaripur, Nator and Krishnagar was also under consideration of the municipalities concerned or of Government in various stages, preliminary to administrative approval.

The question of the control of the catchment area in connection with the water-supply of Kurseong, with a view to preserve the sources of supply from pollution is still under the consideration of Government.

26. *Drainage* (*Rs. 6,86,750*).—There was an increase of Rs. 3,18,102 under this head, of which Rs. 3,08,050 was due to capital outlay. This was the result of an increase of over three lakhs in the Howrah Municipality and slight decreases in all other divisions than Burdwan. The expenditure in Howrah was incurred in connection with the Central Drainage Scheme. Apart from this the largest capital expenditure was incurred by the Burdwan Municipality (Rs. 33,493). The drainage scheme of the Ranaghat Municipality was completed during the year, and there remain only two sluice-gates to be provided for the completion of that of the Kushtia Municipality. Progress was made with the construction of drainage works at Katwa and in the most congested part of the Bhadreswar Municipality under the supervision of a resident engineer. The greater part of the sanctioned scheme for surface drainage in Kurseong was executed during the year. The North Dum-Dum and Panihati Municipalities constructed subsidiary drains in connection with the Bagjola Drainage Scheme. There was little capital expenditure on drainage apart from that incurred in connection with the various schemes sanctioned on the advice of the Sanitary Engineer. No further original scheme of importance appears to have received the sanction of Government during the year under review. The Baruipur Municipality received a grant of Rs. 4,950 for removing defects of drainage, which they were unable to use, and a scheme for Garden Reach has been subsequently sanctioned. Drainage schemes were under consideration of the Municipal Commissioners during the year at Asansol, Muktagacha, Jamalpur, Faridpur and Comilla, and a scheme for the Suri Municipality was submitted to the Sanitary Board. Government were unable to accord administrative approval either to the drainage or water-supply schemes for the Mymensingh town owing to the unsatisfactory financial position of the municipality, a state of affairs which, it is hoped, the newly constituted Municipal Board may be able to remedy. A combined drainage and water-works scheme for Krishnagar was submitted to Government. Since the close of the year under review it has been decided to postpone execution of the sewerage scheme for Cossipore-Chitpur for financial reasons. Preliminary surveys were conducted by the Sanitary Engineer in Dacca, Bogra and Malda. A combined surface and sewerage scheme for the town of Serampore, at an estimated cost of Rs. 3 lakhs, prepared

by the Sanitary Engineer has not been submitted owing to the partition of the municipality, and drainage schemes for the Nadia and Santipur Municipalities have been held in abeyance for want of funds.

27. *Conservancy* (*Rs. 15,18,266*).—There was an increase in expenditure of Rs. 73,135 under this head In the Presidency Division 18 municipalities spent a sum of Rs. 21,115 for the entertainment of Health Officers and Sanitary Inspectors. The municipalities of Cossipore-Chitpur, Maniktala, Garden Reach and Baranagar, all of which entertained Health Officers, maintained a high standard of efficiency in this branch of the administration. The Titagarh Municipality also managed the work creditably under the supervision of the Vice-Chairman. It was not till after the end of the year under review that the appointment of the Sanitary Inspectors has been made obligatory by extension of the Sanitary Officers Act to municipalities with an income of not less than Rs. 10,000 in the Burdwan, Rajshahi and Chittagong Divisions. At the end of the year under review the municipalities of Baidyabati and Chandpur had engaged Sanitary Inspectors, and an allowance was paid by the Brahmanbaria Municipality to the Overseer (who holds the certificate of Sanitary Inspector) for the preformance of sanitary duties.

28. *Hospitals and dispensaries and plague charges* (*Rs. 3,53,594*).—A decrease of Rs. 22,223 on the total for last year was entirely due to a decrease in plague charges, largely nominal on account of a change in classification, while expenditure on hospitals and dispensaries showed a trivial increase. New wards were added to the hospital at Bankura, and a new dispensary and hospital buildings were constructed at Ghatal. In the Presidency Division a female ward was erected in Budge-Budge and phthisical wards in Krishnagar and Jessore. An isolation ward for cholera and small-pox cases was built by the Mymensingh Municipality. The Barisal Charitable Dispensary and Hospital was placed under a joint committee appointed by the municipality and the District Board. Contributions for new medical institutions were made by the municipalities of Mymensingh and Madaripur. The municipalities of Rangpur and Pabna are reported to have been unable wholly or in part to make contributions to local dispensaries through want of funds, and the failure of the Bogra Municipality to increase their contribution to the Bogra Dispensary in an unhealthy year is the subject of unfavourable comment. The actual expenditure on plague charges was slight and devoted to preventive measures. No municipality suffered from an epidemic of plague, but several found it necessary to take steps to prevent the spread of local outbreaks of small-pox and cholera.

29. *Public works* (*Rs. 8,29,839*).—Expenditure under this head decreased by Rs. 29,977 in all.

There was a decrease of Rs. 8,626 in expenditure on roads, and of Rs. 25,076 on account of buildings, and a slight increase under the sub-heads "Establishment" and "Stores."

The chief features were larger expenditure on roads in the Presidency Division (notwithstanding a heavy decrease in the 24-Parganas) and in the Rajshahi Division; an increase on account of buildings in the Presidency Division; and an abnormal decrease on this account in the Rajshahi Division, due to an unexplained decrease of Rs. 47,342 in Darjeeling. The percentage of outlay on public works to total expenditure ranged from 2·1 in Kurseong, where the municipal roads are maintained by the Public Works Department, and 7·3 in Kishoreganj to 52·5 in Kandi. Twenty-three municipalities incurred more than a quarter of their total expenditure on account of public works.

30. *Public instruction* (*Rs. 1,83,575*).—There was an increase of Rs. 25,178 under this head, of which the Dacca Municipality alone contributed Rs. 20,734. This is due to the construction of five buildings for girls' schools in that town with the aid of a Government grant of Rs. 18,270. The Dacca Municipality spent the largest proportion of its ordinary income on primary education, viz., 13·3 per cent., followed by Nator (12·9 per cent.), and Cox's Bazar (10·1 per cent.). Only 23 municipalities spent over 5 per cent. of their income on primary education.

31. *Loans.*—Forty-two municipalities were in debt at the end of the year, and the total amount of their indebtedness, after deducting Rs. 7,751, the amount of the sinking fund investments of the Burdwan Municipality, was Rs. 45,97,266. The largest outstanding liabilities were those of Howrah (Rs. 24,70,938), Darjeeling (Rs. 8,02,785), Dacca (Rs. 2,90,069), Hooghly-Chinsura (Rs. 1,88,288) and Narainganj (Rs. 1,32,721). Six municipalities took loans during the year, viz., Howrah (Rs. 4,34,000 for the drainage scheme), Hooghly-Chinsura (Rs. 63,000 for water-supply), Chittagong (Rs. 50,000 for water-supply), Jessore (Rs. 15,000 for water-supply), Bankura (Rs. 10,000 for water-supply), and Tangail (Rs. 10,000 for drainage). The South Barrackpore and Krishnagar Municipalities paid off their liabilities.

32. On the 31st March 1915, 82 municipalities had outstanding liabilities on current bills amounting to Rs. 2,66,076, which represented 7·2 per cent. of their current demand. In 12 municipalities the outstanding liabilities exceeded the closing balance. This excess was reduced in the case of Hooghly-Chinsura from over Rs. 70,000 to Rs. 12,831. The position of Rangpur with an excess of Rs. 2,471 and Pabna (Rs. 2,470) was unsatisfactory. The latter municipality was the subject of a special enquiry and report during the year under review.

33. *Audit of accounts and embezzlement.*—Embezzlements came to light during the year in the municipalities of Bhadreswar, Burdwan, Rampur-Boalia and Pabna. The most serious case was in Bhadreswar, where Rs. 2,455 was embezzled by the municipal head-clerk, who has since absconded. Criminal proceedings were pending at the end of the year in respect of Rs. 262 alleged to have been embezzled by the priest of the burning ghat in Burdwan. In the two other municipalities the sums embezzled were recovered and the offenders dismissed. No embezzlement was reported from the Dacca or Chittagong Division. A petty misappropriation has been under enquiry in Nadia. The Governor in Council would impress on all Chairmen and Vice-Chairmen of municipalities the need for insisting on meticulous accuracy of procedure in all matters of account.

34. *Freedom of budget.*—Four municipalities are allowed a free hand in the preparation of their budget. Among these the finances of Burdwan are unsatisfactory, and Cossipore-Chitpur showed a tendency to avoid provision for an adequate working balance, but Howrah and Maniktala made sound use of the privilege.

35. *Howrah.*—The current demand on account of taxes rose from Rs. 9,53,203 to Rs. 9,79,935. The total demand amounted to Rs. 10,21,838, of which Rs. 9,35,380 or 91·5 per cent. was collected. The total ordinary income of the municipality fell from Rs. 11,49,445 to Rs. 10,49,825, and ordinary expenditure from Rs. 15,74,216 to Rs. 13,68,749. The outstanding debt was Rs. 24,70,938. Expenditure on water-supply fell from Rs. 7½ lakhs to Rs. 1,93,505. Substantial progress has been made, but failure on account of the war to obtain from Government loans required hampers the further carrying out of the water-works improvement scheme. The water-supply is excellent in quality, but deficient in quantity, distribution being uneven. Over four lakhs further expenditure is required to bring the supply up to 5,000,000 gallons, which is the object of the improvement scheme. Two new filters for the supply of water to the Serampore Municipality were completed. Possession has now been taken of all the land required in connection with the construction of the Central Drainage Canal for which a grant of one lakh and loan of 5½ lakhs have been received from Government. The preparation of pucca drainage schemes discharging into this canal has been completed. The estimates for these works amount to over Rs. 12 lakhs.

The survey of the town has made good progress. Proposals for introducing the necessary sections of the Calcutta Municipal Act to cope with insanitary bustees are still under consideration of the Commissioners.

36. Divisional Commissioners and District Magistrates review the municipal administration of the year with tempered enthusiasm. While there is evinced a great deal of disinterested effort for municipal welfare hesitation in enforcing equable assessment and full realization of taxes, and laxity of control by those in office, due sometimes to the embarrassment

of local faction, have often impaired the efficiency of municipal management. The reports of the Burdwan Division show much continuity in the character of the municipalities. The business-like methods of Sonamukhi, the quiet progress of Tamluk and Arambagh, the comparative cleanliness of Birbhum call for praise, while the factions of Uttarpara and Chandrakona, the feeble administration of Bansberia, and the financial embarrassments of Burdwan call for energetic measures to remedy. The Magistrate of Burdwan considers that none of the municipalities in that district can point to any striking achievement, but a good deal of activity is reported in enquiries and proposals for sanitary improvements. The Magistrate of Hooghly finds no noticeable improvement in the methods of collection, the real objection to the issue of warrants being the unpopularity incurred by the Chairman or Vice-Chairman who makes use of his powers of compulsion. Notwithstanding the carelessness discovered in audit of the accounts of Bhadreswar, he believes that the executive have done their best to cope with a volume of work beyond the capacity of one municipality.

The Magistrate of Howrah, while commending the appointment by the Bally Municipality of a paid Assessor for revision of assessment, has found "too much discrimination in the issue of warrants, laying the administration open to a charge of partiality." He again speaks well of the Lilooah Ward Committee, with the suggestion that it might become a separate municipality.

The Commissioner of the Presidency Division writes :—"The reports indicate the progress of towns and the stagnant decay of country municipalities. The latter are content to carry on the normal standard of municipal services required by the rate-payers, viz., the periodical removal of domestic refuse, the maintenance of roads, and a dispensary and municipal office. But in the more urban areas a proper conception of municipal government is being slowly evolved out of the present state of affairs, which, when municipalities were constituted, was little better than chaos." Of the municipalities in this division Cossipore-Chitpur and Garden Reach in the 24-Parganas have shown enterprise and good management, while party feeling is reported to have brought the administration of Maniktala practically to a standstill. Absence of opposition begins to render progress possible in the busy trading centre of Kotchandpur, and the administration of the Debhatta Municipality in Khulna improves. The Jessore Municipality has found its new water-works not altogether a success and suffers from a want of funds due to inadequate self-taxation.

The Commissioner of the Dacca Division remarks on the growing demand for a pure water-supply with which the larger municipalities are now fairly well supplied, whereas the subject of drainage is only just beginning to attract attention and notices usually a lack of interest in hospitals, which are too often housed in miserable buildings with little or no accommodation for in-patients. The Magistrate of Mymensingh considers that, as an educative influence in local self-government, the municipal administration of the district may be said to show some promise, though judged by administrative standards progress is slow. The management of municipalities in the Bakarganj district is well spoken of, with the exception of Barisal.

There is little mentioned to distinguish the municipalities of the Chittagong Division for better or worse during the year under review. Progress with the scheme for water-supply in Chittagong has been hampered by the war. Erosion on the south of Noakhali deters the Commissioners from undertaking permanent works.

The Commissioner of the Rajshahi Division reports that with the exception of Darjeeling, Jalpaiguri and Dinajpur, municipalities at district headquarters compare unfavourably with those in the interior. Darjeeling and Kurseong have fully maintained their reputation for efficiency. The affairs of the Pabna Municipality which were in a precarious state last year are now in other hands, with what result it is too early to say. The Nator Municipality goes sensibly about its work, and Sherpur did well. Rampur-Boalia is noticeable for defective finances, laxity of executive supervision, and dishonesty among the collecting staff, while Sirajganj suffered from the retirement of Marwari merchants on the collapse of the jute trade.

The thanks of the Governor in Council are conveyed to the following gentlemen, whose services are reported to have been of special value to the municipalities in which they held office :—

Burdwan Division.

Maulvi Muhammad Yasin, Chairman, Burdwan Municipality.

N. G. A. Edgley, Esq., I.C.S., Chairman, Asansol Municipality.

Dr. J. J. A. Brachio, Chairman, Suri Municipality.

Babu Basanta Kumar Neogi, Chairman, Bankura Municipality.

„ Ganga Behari Ghosh, Vice-Chairman, Vishnupur Municipality.

Mr. L. Burrows, Chairman, and Babu Atul Krishna Mukharji, Vice-Chairman, Sonamukhi Municipality.

Babu Kalipada Hazra, Vice-Chairman, Babu Kshitish Chandra Dutta and Babu Ram Prosanna Mitra, Commissioners, Midnapore Municipality.

„ Durga Ram Bose, Chairman, and Babu Basanta Kumar Sarkar Vice-Chairman, Tamluk Municipality.

Rai Mohendra Chandra Mitra Bahadur, Chairman, and Babu Prosad Das Mullick, Vice-Chairman, Hooghly-Chinsura Municipality.

Babu Barada Prosad De, Chairman, Serampore Municipality.

Mr. W. D. B. Watt, Chairman, and Babu Bhut Nath Banarji, Vice-Chairman, Bhadreswar Municipality.

Dr. Amrita Lal Munshi, Chairman, Uttarpara Municipality.

Babu Naba Gopal Basu, Vice-Chairman, Arambagh Municipality.

Dr. Akhil Nath Pal, Chairman, and Babu Sasanka Sekhar Banarji Vice-Chairman, Bally Municipality.

Rai Mahendra Nath Bhattacharji Bahadur, Vice-Chairman, Howrah Municipality.

Presidency Division.

Rai Kripa Nath Dutt Bahadur, Chairman, Cossipore-Chitpur Municipality.

Maulvi Saiyid Mofakhar-ur Rahman, Vice-Chairman, Titagarh Municipality.

Rai Shyama Charan Bhattacharji Bahadur, Vice-Chairman, Bhatpara Municipality.

Rai Biswambhar Ray Bahadur, Chairman, Krishnagar Municipality.

Babu Pyari Mohan Sanyal, Vice-Chairman, Santipur Municipality.

„ Nagendra Nath Mukharji, Vice-Chairman, Ranaghat Municipality.

Raja Bijoy Sing Dudhoria, Chairman, Azimganj Municipality.

Babu Keshab Lal Ray Chaudhuri, Chairman, Jessore Municipality.

Rai Saheb Kunja Behari Chakravarty, Chairman, Khulna Municipality.

Dacca Division.

Nawab Khwaja Muhammad Yusuff, Khan Bahadur, Chairman, and Kazi Raizuddin Ahmad, Commissioner, Dacca Municipality.

Mr. R. J. Smith, Chairman, Naraingani Municipality.

Babu Nishi Kanta Ghosh, Chairman, Mymensingh Municipality.

Rai Charu Chandra Chaudhuri Bahadur, Chairman, Sherpur Municipality.

Babu Girish Chandra Chakravarty, Chairman, Kishoreganj Municipality.

„ Jadab Chandra Maitra, Vice-Chairman, Tangail Municipality.

„ Dinesh Chandra Guha, Chairman, Nalchiti Municipality.

„ Jogendra Nath Guha, Chairman, Jhalakati Municipality.

„ Satish Chandra Sen and Rai Satyendra Nath Ray Chaudhuri Bahadur, Commissioners, Pirojpur Municipality.

Maulvi Fazlal Karim, Vice-Chairman, Patuakhali Municipality.

Chittagong Division.

Major C. A. Gourlay, I.M.S., and Mr. E. A. Martin, Chairman, and Mr. A. F. Henderson, Secretary-Engineer of the Chittagong Municipality.

Babu Kailas Chandra Bhattacharji, B.A., Chairman, Babu Upendra Mohan Mitra, M.A., B.L., Vice-Chairman, and Babu Kailas Chandra Das, Commissioner of the Comilla Municipality.

„ Basanta Kumar Ghosh, Vice-Chairman of the Chandpur Municipality.

„ Bhabadev Bhattacharji, Chairman of the Brahmanbaria Municipality.

Maulvi Safarali, Chairman of the Noakhali Municipality.

Rajshahi Division.

Babu Jogendra Chandra Chakravarty, Chairman of the Dinajpur Municipality.

„ Bepin Behari Ghose, Chairman, English Bazar Municipality.

Maulvi Muhammad Attaruddin, Chairman, Nawabganj Municipality.

Mr. A. A. Patterson, Chairman of the Kurseong Municipality.

Maulvi Sheikh Hamidullah, Vice-Chairman of the Nator Municipality.

Babu Tarakeswar Chakravarty, Vice-Chairman of the Dinajpur Municipality.

By order of the Governor in Council,

K. C. DE,
Offg. Secy. to the Govt. of Bengal.

Circular No. 6M.

COPY forwarded to all Commissioners of Divisions for information.

Copies of the Resolution required for district and subdivisional officers and for municipalities will be supplied direct to each district officer for distribution.

Circular No. 7M.

COPY with a copy of the above circular forwarded to all district officers for information and guidance. Additional copies are supplied for distribution to subdivisional officers and Municipal Commissioners.

Circular No. 8M.

COPY forwarded to all departments of this Government for information.

Nos. 219—23M.

COPY forwarded to Accountant-General, Bengal, Director of Public Instruction, Bengal, Surgeon-General with the Government of Bengal, Secretary, Sanitary Board, Bengal, and Inspector-General of Police, Bengal, for information.

No. 224M.

COPY forwarded to the Sanitary Commissioner, Bengal, for information. One set of the Divisional Municipal Reports is also forwarded for information.

By order of the Governor in Council,

C. W. GURNER,
Under-Secretary to the Govt. of Bengal.

CALCUTTA,
The 20th January 1916.

FORM No. I.

STATEMENT SHOWING THE CONSTITUTION

OF THE

MUNICIPALITIES IN THE BENGAL PRESIDENCY

DURING

1914-15.

FORM No. I.—*Statement showing the constitution of the Municipalities in the Bengal Presidency during the year ending 31st March 1915.*

MUNICIPAL DEPARTMENT.

MUNICIPAL.

CALCUTTA, THE 18TH DECEMBER 1916.

RESOLUTION—No. 2896M.

READ—

The Reports from the Commissioners of Divisions on the working of Municipalities in the Bengal Presidency (except Calcutta) during the year 1915-16.

DURING the year under review the municipalities of Bengal suffered so little from the unfavourable financial conditions consequent on the war, that their collections increased by nearly a lakh of rupees and they had no difficulty in providing for current needs. The effect of the war was, however, apparent in their inability to undertake large and expensive schemes of improvement, for which they are dependent on the assistance of Government by means either of grants or loans, or both. Few private individuals are willing to come forward with generous contributions for public purposes, and both Municipal Commissioners and the ratepayers are opposed to increased taxation, so that funds for large schemes are not forthcoming from other sources. Owing to the necessity for careful economy of the provincial revenues, the amounts which the Government could make available for grants and loans to municipalities had to be reduced, and consequently a number of useful schemes of water-supply and drainage had to be kept in abeyance. As soon as normal financial conditions are restored, the Governor in Council trusts that he will be able to extend to municipal bodies the assistance they require for projects of improvement. He must however reaffirm the principle that Government, with many demands upon its limited resources, cannot make grants to Municipal Boards which have not learnt the lesson that the development of their towns depends mainly on their readiness to raise taxation to a reasonable figure and that, in the case of water-supply, they must be prepared to make the projects self-supporting.

In pursuance of the policy that the representative system should be extended to the greatest extent compatible with the interests of the ratepayers, orders were passed that the right to elect Municipal Commissioners should be given to nine municipalities in which they had hitherto been appointed by Government, viz., Budge-Budge, Cox's Bazar, Darjeeling, Dhulian, Jhalakati, Narayanganj, Netrakona, Patuakhali and Rangpur. Eleven municipalities have since been given the right to elect their Chairmen, the number of municipal towns in which Government appoints the Chairman being consequently reduced to 14. In the important municipality of Howrah, where the Magistrate has hitherto been elected Chairman, the Municipal Commissioners declared themselves in favour of having a non-official Chairman. The Governor in Council, accepting this resolution, did not appoint the Magistrate a Commissioner, and a non-official was elected to the Chairmanship.

In order that Municipal Boards should enjoy the fullest measure of financial independence permissible under the law, the Governor in Council directed that all municipalities, except those in which maladministration had shown that such a concession could not safely be allowed, should be given a free hand in framing their budgets according to their discretion, the Commissioners of Divisions being required only to see that the law, statutory rules and Government orders are complied with and that due provision is made for the necessary minimum closing balance and for the service of municipal loans.

It rests with the Municipal Commissioners of the towns which have been granted these privileges to justify the confidence which the Governor in Council has placed in their capacity for independent self-government.

2. **Number of municipalities and revision of boundaries.**—The number of municipalities increased from 111 to 112, in consequence of the partition of the Serampore municipality into the separate municipalities of Serampore and Rishra-Konnagar. The partition of the South Barrackpore municipality was also sanctioned, but did not take effect during the year. The limits of the North Barrackpore, Navadwip and Netrakona municipalities were reduced by the exclusion of rural areas.

3. **Elections.**—General elections were held in 64 municipalities and the majority were contested. A significant instance of the democratic leaven at work under the representative system is that a Muchi and a Chandal were elected Commissioners in one municipality. There has been a noticeable growth of interest in municipal elections, but it is a matter for regret that this should be associated with a tendency to resort to litigation. One-sixth of the elections were the subject of civil suits. The reports do not show how far these suits are due to irregularities at the polls, difficulties in the election procedure, the resentment of defeated candidates or party spirit and faction, but it is clear that they are a serious check to municipal administration. In one town the new Municipal Board was unable to meet during the year under review owing to a temporary injunction issued by the civil court; in another the constitution of the new body of Municipal Commissioners was delayed for about a year by litigation about election. Under the existing law it is not possible to follow the English practice, by which election petitions are disposed of by a special commissioner appointed for the purpose and the long delays of civil court suits are avoided. Government are considering the question of amending the law so as to remedy the present unsatisfactory state of affairs, and in the meantime it is not too much to expect that suits and injunctions should be minimized by the common sense and good faith of contending parties.

An interesting development of the elective system in Bengal was the adoption at the general election held in the Kotrung, Serampore and Rishra-Konnagar municipalities of a system of secret voting, which was first tried experimentally in 1913-14 at a bye-election at Kotrung in order to prevent candidates interfering with the liberty of the voters.

4. **Number of meetings and attendance of Commissioners.**—Altogether 123 meetings failed for want of a quorum, and seven municipalities failed to hold at least one meeting a month. There was a good average of attendance throughout the Dacca and Chittagong Divisions.

5. **Number of ratepayers.**—The number of ratepayers decreased from 318,099 to 317,722. The percentage of ratepayers to the population residing within municipal limits averaged 16·11 and varied in individual towns from 35·8 in Bogra to 3·5 in the mill-town of Titagarh.

6. **Assessment and taxation.**—There was no change in the methods of taxation in force. A water rate was imposed for the first time in Khulna, and in a few cases the provisions of section IX of the Bengal Municipal Act were extended to new areas on the request of the municipalities concerned. The average incidence of taxation per head fell from Rs. 2-6-10 to Rs. 2-3-10. As in previous years it was highest in Darjeeling, viz., Rs. 8-0-8. In the plains it varied from Rs. 6-9 per head in Cossipore-Chitpur to 5 annas 4 pies in Baduria.

7. **Revision of assessment.**—A general revision of assessment was effected in 24 municipalities, while in other cases the revision made in the previous year took effect during the year under review. They resulted in every case in an increase of income, the enhancement being greatest in Chittagong (Rs. 19,798). Only two municipalities, Bhatpara and Kalna, took the opportunity of reassessment to enhance the rate of taxation; and complaints are general that the municipalities show great reluctance to increase their taxation. A signal instance of this spirit is afforded by the town of Bally, where the revision of assessment resulted in a considerable increase of revenue, and the Commissioners proceeded to reduce it by lowering the rate on holdings from 7½ per cent. to 6 per cent. The appeals against revision were numerous. It took two years to dispose of them in Burdwan, and nearly a year in Rampur-Boalia, where they numbered 2,932.

8. **Collections.**—The total collections rose from Rs. 42,20,568 to Rs. 43,01,670 or 3 lakhs above the figure recorded in 1913-14. This continuous rise in collections may be taken as a satisfactory symptom of municipal prosperity. There was however a decrease in the percentage of collections on current demand, which represented 95·33 per cent. as against 96·03 per cent. in the preceding year. In no less than twenty municipalities the collections were in excess of the current demand, the ratio in Halishahar rising to the abnormal figure of 126·7 per cent The excess is obviously due to failure to realize dues in the previous year and is so far satisfactory that it shows a creditable effort to remedy past negligence. The least successful of the larger municipalities was Rampur-Boalia. Embarrassed by the work of revaluation, by a large number of appeals against reassessment, by a general election, and by a disinclination to issue warrants, the executive of this municipality succeeded in realising only 73·7 per cent. of the current demand.

There was an increase in the total remissions from Rs. 1,56,742 to Rs. 1,80,578, their percentage on current demand rising from 3·5 per cent. to 4 per cent. Three municipalities remitted a percentage of 10 per cent. and the small municipalities of Dhulian and Debhatta nearly one-fifth.

The outstanding balances rose from Rs. 3,35,821 to Rs. 3,63,755. They exceeded Rs. 5,000 in the case of 17 municipalities, and were noticeably large in Dacca, Rampur-Boalia, Hooghly-Chinsura and Serampore. In Cossipore-Chitpur, Jessore and South Dum-Dum, they were partly due to unsettled claims against public bodies. The Burdwan municipality has entirely failed to reduce an abnormal balance of over Rs. 35,000, which for the last two years has been attributed to delay in disposing of the appeals against the revision of assessment in 1914-1915—an explanation which Government has already held to be inadequate. These are conspicuous examples of a tendency to laxity in the realization of municipal dues, which is only too constant a theme of the annual reports. An outstanding balance of Rs. 10,311 in Berhampore is due to the collections having been impeded by the prosecution of practically the whole of the collecting staff for embezzlement.

9. **Income and expenditure.**—The total receipts including opening balances amounted to Rs. 82,94,648 as against Rs. 93,64 841 during the previous year. This large decrease is due to the fact that the total for 1914-15 included the proceeds of the sale of Government securities, to the value of Rs. 8,00,000, by the Howrah municipality, as well as a loan to the same municipality of Rs. 4,34,000, whereas its only receipt under either head, during the year 1915-1916, was a loan of Rs. 1,00,000. The total actual income, excluding opening balance and receipts under "Extraordinary and Debt", decreased by Rs. 2,21,514 and amounted to Rs. 54,06,316. The amount of Government loans fell from Rs. 5,82,000 to Rs. 1,78,000, but there was an increase of Rs. 98,458 in the total receipts from rates and taxes, and of Rs. 15,029 in revenue derived from other municipal property and powers apart from taxation.

The total expenditure declined from Rs. 72,18,133 to Rs. 66,35,636. The decrease was entirely under the heads "Extraordinary and Debt" and is mainly accounted for by a decrease of over five lakhs in savings bank investments by the Howrah municipality. Actual current expenditure amounted to Rs. 57,97,859 as against Rs. 57,52,157 during the previous year, and it is apparent that though no new capital expenditure was possible, the ordinary current activities of the towns were sustained.

10. **Closing balances.**—The closing balances which had increased by about 3 lakhs in the last two years fell from Rs. 21,46,708 to Rs. 16,59,012. Only three municipalities retained closing balances of over one lakh, viz., Howrah (Rs. 1,86,484), Narayanganj (Rs. 1,09,891) and Cossipore-Chitpur (Rs. 1,02,812). The greater part of the larger balances consists of funds earmarked for schemes of improvement, such as drainage or water-supply, and in many cases is made up of unspent Government grants given for projects which it has not been possible to proceed with owing to the rise in the cost of materials.

Details of the main items of revenue and expenditure are given below.

11. **Taxes on houses and lands (Rs. 16,30,735).**—There was an increase of Rs. 43,384 due to revision of assessment in certain municipalities and larger collections in Howrah ; the increase was confined to the Burdwan, Chittagong and Rajshahi Divisions. A decrease of Rs. 18,808 in Cossipore-Chitpur is attributed to non-payment of taxes claimed from the Calcutta Corporation.

12. **Tax on animals and vehicles (Rs. 2,25,227).**—This tax yielded an increase of Rs. 8,225, which more than makes up for the falling off of the previous year, which was ascribed to a failure of cart traffic consequent on dullness in the jute trade.

13. **Tax on professions and trades (Rs. 84,291).**—The receipts under this head rose by Rs. 2,446 : the only noticeable feature is an increase in the collections by the Rangpur municipality from Rs. 277 to Rs. 3,156 on receipt of the Commissioner's sanction to the rates of fees for jute godowns.

14. **Tolls on roads and ferries (Rs. 83,943).**—Receipts under this head in the Dacca and Rajshahi Divisions, which fell heavily during the previous year, recovered partially ; but a falling off in the other Divisions, especially Presidency and Burdwan, resulted in a net decrease of Rs. 2,902.

15. **Water-rate (Rs. 6,88,436).**—There was an increase of Rs. 20,878, due partly to the levy of a water-rate for the first time in Khulna, and to the fact that the water-rate was realised for the whole year in Hooghly-Chinsura, where it was only collected for three quarters of the previous year, during which the water-works first came into working. The balance of the increase was due to better collections, especially in Howrah, Mymensingh and Jessore. A decrease of Rs. 9,685 in Cossipore-Chitpur is attributed to remissions on account of railway holdings.

16. **Lighting rate (Rs. 1,92,294).**—There was a decrease of Rs. 4,110, the net result of a decrease of Rs. 7,213 in Cossipore-Chitpur, attributed to remissions for railway holdings, and of an increase of Rs. 3,000 in Howrah.

17. **Conservancy (Rs. 10,92,020).**—Receipts rose by Rs. 21,829. An increase of over Rs. 30,000 in the Burdwan, Rajshahi and Dacca Divisions more than counterbalanced a decrease in the Presidency Division, where it was due mainly to remission of taxes in Cossipore-Chitpur, and in the Chittagong Division, where it was due to reduction of the latrine rate.

18. **Tax on persons according to circumstances and property (Rs. 3,98,078).**—There was an increase of Rs. 4,869, notwithstanding the abolition of the tax in some wards of the Rampur-Boalia and Nator municipalities.

19. **Realizations under Special Acts (Rs. 1,09,241).**—There was a decrease of Rs. 2,370 which calls for no remarks. Fees under the Hackney Carriage Act were levied for the first time in Bogra.

20. **Revenue from municipal property and powers other than taxation (Rs. 4,87,279).**—An increase of Rs. 15,029 was shared by all Divisions. The Burdwan municipality obtained an addition of Rs. 8,745 in receipts from educational institutions, which is attributed largely to the school fees obtained from a branch municipal school which has been recently established. The amount of fines realised decreased slightly, and the small total of Rs. 40,879 under this head, of which Rs. 13,604 was realised in one municipality seems to indicate lack of energy in the prosecution of municipal offences.

21. **Grants and contributions (Rs. 2,90,182).**—There was a decrease under this head of Rs. 3,48,256, due mainly to a reduction of the Government grants on account of the financial stringency arising out of war conditions. The following were the larger Government grants which it was found possible to make :—

Burdwan municipality		...	Rs. 17,452 for drainage.
Bankura	ditto	...	Rs. 19,025 for water-works and sanitary improvement.
Midnapore	ditto	...	Rs. 22,074 for the college and other educational purposes.
Chittagong	ditto	...	Rs. 10,200 towards the pay of the Secretary-Engineer.
Dacca	ditto	...	Rs. 7,500 for a conservancy tramway.

There was a slight increase in private contributions, and the following instances of liberality deserve special mention. Suri received a contribution of Rs. 25,000 from Raja Satya Niranjan Chakarvarty of Hetampur towards the Suri water-works. Berhampore received a donation of Rs. 23,097, the bulk of which was contributed by Raja Rao Jogendra Narayan Bahadur of Lalgola for the charitable hospital and the Khagra burning ghât. Babu Raj Krishna Ghose gave Rs. 2,000 to the Bhatpara municipality for a female bathing ghât, Babu Profulla Nath Tagore made over land of the value of Rs. 1,500 to the Baranagar municipality for the drainage works, and Babu Hari Charan Guha gave Rs. 1,292 to the Bally municipality for a road. Generous contributions were made to Bhadreswar by the Victoria and Shamnagar North Jute Mills for the construction of roads in the mill bustees, and the Managing Agents of the Empire Jute Mills granted Rs. 4,000 to Titagarh for improvement of the drainage. There was a decrease in contributions from local funds, the greater part of which were made for medical purposes. Barisal received Rs. 5,000 from the District Board towards the water-works, and Dacca Rs. 6,600 from the Dacca Electric Light Trust Fund for the better lighting of the town.

22. **Office establishment and collection charges (Rs. 4,56,921).**—Expenditure on this account increased by Rs. 45,683 and its percentage on the total expenditure from 7·9 per cent. to 8·1 per cent. This increase is chiefly due to the establishment charges of Howrah, which rose by over Rs. 45,000, more than half of this amount being due to an increase in charges for survey. The percentage of expenditure on this account varied from 20·08 in North Dum Dum to 3·8 in Berhampore. Other towns which appear to have exercised commendable economy are Katwa and Barisal with percentages of 4·1 and 4·4 respectively. The low percentage of 3·9 in Chittagong is due to the pay of the Secretary-Engineer being debited under another head.

23. **Prevention of fire (Rs. 79,537).**—The bulk of the expenditure consists of contributions by suburban municipalities to the Calcutta Fire-Brigade. There was an increase of Rs. 1,357 in Darjeeling, which is the only town with an organised fire-brigade outside Calcutta.

24. **Lighting (Rs. 3,73,692).**—There was an increase of Rs. 39,125 under this head. In Darjeeling alone there was an increase of over Rs. 24,000, incurred for the most part in capital outlay on the existing electric power works and a new hydro-electric scheme. In Dacca electric lighting was extended to certain streets with the help of the grant from the Electric Light Trust Fund already referred to. The increase in other municipalities is attributed rather to the increase in the cost of materials, such as oil and glass chimneys, than to any improvement in lighting. A decrease in the expenditure in the Dacca Division was caused by the fact that the Narayanganj Municipality had to substitute kerosene for petrol lamps through inability to procure mantles. The municipalities of North Barrackpore and South Barrackpore spent nothing on lighting.

25. **Water-supply (Rs. 9,51,819).**—There was an increase of Rs. 1,66,670 in expenditure on water-supply. Of this increase Rs. 1,34,327 was incurred on account of capital works, expenditure on which had fallen by five lakhs during the previous year, and Rs. 32,343 in maintenance and repairs. Of the total expenditure on capital works (Rs. 5,39,752), a sum of Rs. 2,09,566 was spent on the construction of water-works at Chittagong, which have since been opened, and Rs. 1,93,373 on the extension of the Howrah water-works, the completion of which has been delayed through the inability of Government to make the full loan promised. The only water-works scheme completed during the year was that of the Bankura municipality. Other capital works of minor importance were the extension of the water-pipes in Burdwan and Cossipore-Chitpur, the repair of the water-works engine at Berhampore, improvements to the Barisal water-works, and the re-excavation of a tank in Pabna at a cost of Rs. 6,392.

The largest of the schemes under consideration was the Riparian Municipalities Water-works Scheme, which is intended for the supply of water to municipalities on the east bank of the Hooghly north of Calcutta. Representatives of the municipalities concerned were invited to confer on a revised

scheme prepared by the Sanitary Engineer at an estimated cost of 35 lakhs; and the details of a system under which a Water-works Board can be constituted, and the water-works financed and managed, are under the consideration of Government.

The final approval of Government was given to water-works schemes for Dacca (Rs. 1,80,000), Nator (Rs. 67,000), Satkhira (Rs. 51,793) and Chandpur (Rs. 1,26,000). It was not possible to start work on any of these schemes during the year, but the Satkhira municipality, to which Government had already given a grant, has since been able to make a beginning with its project. In other cases the schemes depend for their execution on the receipt of grants and loans from Government, which it was not possible to make on account of financial stringency. At the same time, the estimates require revision in view of the increase of prices, and thus involve reconsideration of the financial proposals on which the schemes were sanctioned.

Sketch projects for the water-supply of Krishnagar, Raniganj and Suri received the approval of Government during the year and detailed estimates were called for. Important schemes of water-supply for Asansol, Midnapore and Murshidabad were under the consideration of the Municipal Commissioners in consultation with the Sanitary Engineer. Experiments in the sinking of a well in the bed of the Cossye and in pumping at Midnapore gave satisfactory results, and the Sanitary Engineer drew up a scheme, which has been submitted to the Municipal Commissioners since the close of the year.

26. **Drainage (Rs. 3,25,529).**—There was a net decrease of Rs. 3,61,221 in expenditure on drainage, though expenditure on establishment and maintenance increased from Rs. 1,44,683 to Rs. 1,64,298. The heavy net decrease is due to the fact that expenditure on capital works in Howrah was less by Rs. 3,68,896 than during the preceding year. The bulk of the capital outlay was incurred in the Burdwan Division. The drainage scheme of the Bankura municipality was completed during the year. Sums of over Rs. 25,000 each were spent by the Burdwan and Katwa municipalities. In Bhadreswar a surface scheme for part of the municipality was completed at a cost of Rs. 21,627, and the Commissioners now propose to take in hand another block of the scheme. Various small works were carried on or initiated, but the only new scheme of any importance with which a beginning is reported to have been made is the Bharpara drainage scheme in Howrah. Two larger schemes were under the consideration of Government during the year. The Bagjola scheme for the drainage of municipalities to the north of Calcutta was considered by the Sanitary Board in consultation with the Chairmen of the Calcutta Corporation and the local Municipalities and other officers concerned, and in view of the sanitary objections to it, it was decided not to proceed further with the scheme in its present form. A combined project for sewerage and surface drainage in Rampur-Boalia, at an estimated capital cost of Rs. 1,46,000, was prepared by the Sanitary Engineer during the year. Drainage schemes are reported to be pending with the municipalities of Hooghly-Chinsurah, Kamarhati, Budge-Budge and Comilla among others, and have not yet materialized owing to the difficulty of formulating satisfactory financial proposals.

27. **Conservancy (Rs. 15,59,947).**—An increase of Rs. 41,681 was contributed to by the municipality of Howrah and the three divisions of Eastern Bengal. A considerable saving was effected in the cost of the conservancy staff at Asansol without any reduction of its efficiency.

28. **Sanitary Officers (Rs. 53,209).**—This is the first year in which expenditure on Sanitary Officers has been entered under a separate head. The Sanitary Officers Act (II of 1914) was brought into force during the year by notifications prescribing the sanitary staff to be entertained by all municipalities. Expenditure on this account was incurred, however, by only 36 municipalities during the year, and progress towards making the necessary appointments must be regarded as slow. There are signs of a tendency to avoid appointing the staff pending the receipt of grants-in-aid from Government. Municipalities must recognise that they are now under a legal obligation to appoint these officers, irrespective of the receipt of assistance from Government and that this constitutes a necessary charge on municipal finances. Assistance from Government towards the pay

of Sanitary Inspectors can only be expected when a municipality has shown both its readiness to make the appointment, and its inability to meet the charge, notwithstanding a reasonable incidence of taxation, without prejudice to the efficiency of other departments of the municipal administration.

29. **Hospitals and Dispensaries and plague charges (Rs. 3,90,942).**—There was an increase of expenditure amounting to Rs. 37,348. The Dwarika Nath Charitable Dispensary at Tangail, which had hitherto been under private maintenance, was placed in charge of the municipality. An increase of Rs. 19,004 in expenditure by Berhampore was due to the addition to the Charitable Hospital of a new outdoor dispensary, with the help of private generosity which has already been mentioned.

30. **Public Works (Rs. 8,66,251).**—Expenditure under this head increased by Rs. 36,412. There was an increase of Rs. 41,738 on roads, and of Rs. 3,121 on establishment, and a decrease under the subheads Stores and Buildings. Expenditure on roads increased in the Burdwan, Dacca and Rajshahi Divisions. The percentage of outlay on public works ranged from 46·2 in Taki to 4·1 in Kotrung and Kurseong, in the latter of which the roads are maintained by the Public Works Department. In twenty municipalities more than a quarter of the total expenditure was on account of public works.

31. **Public Instruction (Rs. 2,21,956).**—Educational expenditure rose by Rs. 13,203, and it is observed that the whole of the increase was devoted to secondary rather than primary education. The major portion of the increase is due to expenditure on colleges and high schools in Burdwan, Midnapore and Maniktolla. The expenditure on primary schools decreased from Rs. 1,08,328 to Rs. 88,567 and the Governor in Council desires to invite attention to the principle that primary education must be the first object of municipal educational expenditure, and that the municipal fund should not be utilized for secondary education intended for the benefit of well-to-do classes until full provision has been made for primary schools. Twenty-two municipalities spent over 5 per cent. of their income on primary education. The percentage was highest in Jhalakati (21·8 per cent.) and Debhata (16·7) and varied elsewhere from 8·7 in Cox's Bazar to less than 2 per cent. in Howrah, Midnapore, Burdwan and Darjeeling, while the extremely low figure of ·06 was reached in Dinajpur.

32. **Loans.**—Thirty-nine municipalities were in debt to Government at the end of the year, the total amount of their outstanding liabilities on the 31st March 1916 being Rs 45,36,292 in addition to Rs. 12,600 due from Burdwan and Bally for loans taken from other sources. The largest outstanding loan liabilities were those of Howrah (Rs. 24,51,828), Dacca (Rs. 2,73,681), Hooghly-Chinsurah (Rs. 1,78,031), Narayanganj (Rs. 1,25,161) and Chittagong (Rs. 1,10,000). Four municipalities took loans during the year, viz., Howrah (Rs. 1,00,000 for water-supply), Chittagong (Rs. 60,000 for water-supply), Barisal (Rs. 13,000 for water-supply) and Bankura (Rs. 5,000 for sanitary works). The Berhampore and Bansberia municipalities liquidated their loans.

33. **Outstanding liabilities on account of current bills.**—At the end of the financial year, eighty municipalities had outstanding liabilities on account of current bills, amounting to Rs. 2,17,576, which represented 5·7 per cent. of their current demand. In 16 municipalities the outstanding liabilities exceeded the closing balance. The tendency to incur liabilities beyond annual means was marked in the Rajshahi Division, where the liabilities exceeded the closing balances in five municipalities, notably Pabna and Rampur-Boalia with outstanding liabilities of Rs. 5,664 and Rs. 4,173, respectively, against closing balances of Rs. 1,839 and Rs. 1,796.

34. **Audit of accounts and embezzlement.**—No financial irregularities were discovered during the year in the Rajshahi and Dacca Divisions. Elsewhere the usual tale of dishonesty among subordinates and laxity of supervision repeats itself. The audit of the accounts of Berhampore brought to light a systematic embezzlement, which necessitated a special audit of the accounts from 1912 to 1915. A large sum of municipal money had been gradually embezzled for some years by the collecting staff, practically all of whom were involved in the fraud. Eight persons were prosecuted and sentenced; and the municipality is being required to pay the cost of the special audit.

Embezzlements by the collecting staff were also discovered in Basirhat, South Barrackpore, Satkhira, Netrakona and Tamluk. In the municipality last named the detection of a fraud by a member of the staff, who is still absconding, had so little effect in stimulating the executive to closer supervision that another embezzlement was committed by his successor.

Reference has already been made to the issue of instructions relaxing the control exercised by Commissioners over municipal budgets. The Commissioner of the Presidency Division attributes certain instances of extravagance to the policy of non-intervention, but Government consider that it would be premature to draw conclusions at present as to the effect of orders which were passed only towards the close of the year under review.

35. **Howrah.**—The current demand on account of taxes rose from Rs. 9,79,935 to Rs. 9,95,273, and the total demand amounted to Rs. 10,47,669, of which 92·5 per cent. was collected against 91·5 per cent. in the previous year. The total ordinary income rose from Rs. 10,49,825 to Rs. 10,83,028, while the total ordinary expenditure fell from Rs. 13,68,749 to Rs. 12,06,621. Owing to the war and the impossibility of obtaining loans, the Commissioners had to postpone all capital expenditure except that to which they were actually committed. Work proceeded on the new filters and settling tanks at Serampore, for which contracts were made before the war, and the Bharpara drainage scheme was taken up in accordance with an agreement with the Bengal-Nagpur Railway, which will pay Rs. 12,500 towards the total cost of the scheme (Rs. 34,500). Work on the central drainage scheme and developments of the water-works improvement scheme, such as the laying of the new town main and the purchase of a new pumping engine, were postponed. The work already done for the improvement of the water-supply has increased the supply in the town by 58 per cent., giving 17 gallons per head of population. A general election was held in December, but it was not till after the close of the financial year that the municipality was reconstituted. The Governor in Council will watch with special interest the progress made by this municipality under the Chairmanship of a non-official gentleman.

36. **General Remarks.**—It is not without a sense of disappointment that the Governor in Council has read the criticisms of Commissioners and District Officers on the working of municipalities during the year. The towns-people of Bengal have now had over 30 years' training in municipal administration under the Bengal Municipal Act and he cannot but feel, after reviewing the record of the year's work in the most friendly spirit, that, with some notable exceptions, progress is slow.

The Commissioner of the Presidency Division considers that the year under report has scarcely been one of progress except that the municipalities on the east bank of the Hooghly have now agreed to join in a common scheme of water-supply which they rejected ten years ago. Sanitary Officers have received little encouragement; taxation is inadequate; expenditure on drainage and water-supply is not seriously faced. "The Municipal Committee's conception of civic duty," he remarks, "is seldom sufficiently high to set self-interest aside and test the faith of the people in municipal government by a large increase of taxation." Among individual municipalities he mentions Berhampore as having again failed to perform its duties efficiently owing to laxity of management and torpid inaction accompanied by a listless expectancy of Government aid. Maniktolla has suffered from party spirit and faction for some years and is said by the Magistrate to have had the pretensions, but not the substance of modern administration. In Debhatta rates were not collected owing to internal dissension. The Commissioner adds, however, that with these exceptions the municipal services were for the most part efficiently performed within the limits of the financial resources, while in municipalities connected with the headquarters of districts the standard of administration was in many ways creditable. The Magistrate of the 24-Parganas refers to the administration of the mill municipalities, such as Titagarh, Naihati and Bhatpara, which have had their resources augmented by substantial help from the mills, as business-like and efficient. Other small rural municipalities, however, are unsatisfactory, and the Magistrate points out that an inspection of any of the minor

municipalities must convince any disinterested person that the taxation is wholly inadequate, the collections are poor and dilatory, and there is a general reluctance to use coercive measures to improve them. In Nadia some elements of progress are observed, and there has been normal progress in the municipalities in Khulna district with the exception of Debhatta. Little advance however has been made in Jessore, while in Murshidabad there are said to be very few indications of the growth of a healthy public opinion, which will insist on municipal questions being decided on their merits, instead of in accordance with the private interests of rival local factions.

The record of the municipalities in the Burdwan district is generally unsatisfactory. Of Burdwan it is reported that little good can be said: the roads are bad, the drains are not flushed, the water-supply is abused with impunity, the finances are mismanaged and in confusion, the Municipal Board is rent by faction. Party faction and self-interest among the Commissioners prevent good administration in Katwa and to a less degree in Kalna. Conspicuous by contrast are the municipalities of Asansol, the affairs of which were administered with foresight, efficiency and economy, and Raniganj which was managed with quiet efficiency, on a small income of which "little was wasted." The Vishnupur municipality worked smoothly, and a marked improvement is noticed in the administration and cleanliness of Bankura, where the Municipal Commissioners have to deal with the expansion of the town owing to the opening of railway communications. No special reform or improvement was effected in Midnapore. The Commissioners of Hooghly-Chinsura declined to impose a water-rate adequate to meet the maintenance charges of the water-works; the collection of taxes was bad, and the municipality had insufficient funds to carry out municipal work efficiently. Party feeling runs high in Baidyabati and prevents good administration. In Bansberia it is reported that no improvements can be expected unless the executive and the Commissioners exert themselves to promote the welfare of the municipality. Arambagh, however, was well managed; in Uttarpara the virulence of party feeling abated; and the work of Bhadreswar municipality shows a very great improvement, so that it promises to be the most up to date and progressive town in the district.

In the Rajshahi Division the Commissioner reports that there has been a distinct improvement in the administration of municipal affairs, especially in Pabna, where a real effort is being made to look after the welfare of the town. A change in the executive has resulted in an improvement of the working of the Sirajganj municipality, and Rangpur is commended by the Magistrate for its improved administration and business-like assessment. The hill municipalities of Darjeeling and Kurseong maintain their good record, and in both mention is made of the assistance given to the executive by the Commissioners and of their practical interest in municipal affairs.

In the Dacca Division most of the important municipalities are maturing useful schemes of improvement, but tend to rely too much on Government aid. Professor Geddes visited Dacca on the invitation of the municipality and made a close study of the town and its needs: his report will shortly be published. This is the first occasion on which an opportunity has been afforded to an Eastern Bengal municipality of coming into contact with modern ideas of town-planning and improvement. The administration of the other towns in the Division calls for little comment. A keen interest in municipal elections was displayed, and it is satisfactory to learn that at Madaripur the parties were content to abide by the decision of the Magistrate over disputed elections without having recourse to litigation.

The only outstanding feature in the municipal work of the Chittagong Division was the progress made with the water-works in the town of Chittagong. The Chandpur municipality has been trying to accumulate funds for a water-supply scheme, so that it may be able to contribute its share of the cost when Government can come to its assistance. In Comilla the Municipal Commissioners have been unable for several years past to undertake any important scheme for want of adequate funds. Its financial position does not afford sufficient security for loans from Government, and the only

means of increasing the permanent revenues seems to be to adopt a tax on holdings instead of the unsatisfactory method of assessment on incomes. Mention of the town of Brahmanbaria as under water for three months with "all the roads covered with water to a sufficient depth to allow of small boats sailing over them" gives a glimpse of the difficulties of municipal work in an Eastern Bengal town in a wet year.

37. The following gentlemen are mentioned by Commissioners as having served with special distinction on Municipal Committees during the year and the Governor in Council desires to thank them and all others who are co-operating in the development of municipal life in Bengal :—

Mr. N. G. A. Edgley, I.C.S., Asansol.
„ M. C. G. Young, Asansol.
The Revd. J. Mitchell, Bankura.
Babu Nagendra Nath Ghose, Bankura.
Mr. G. Crawford, Raniganj.
Babu Bipin Bihari Banerjee, Raniganj.
„ Baroda Prosad De, Serampore.
Mr. W. D. Bruce Watt, Bhadreswar.
„ Omerta Lal Munshi, Uttarpara.
Babu Surendra Kumar Sen, Dinajpur.
„ Jogesh Chandra Sarkar, Rangpur.
„ Dinanath Biswas, Pabna.
Mr. V. Gerard Smith, Sirajganj.
Revd. Mr. McColl, Kurseong.
Babu Pyari Lal Das, Dacca.
„ Jogendra Nath Guha, Jhalakati.
„ Dinesh Chandra Guha, Nalchiti.
Maulvi Fazlul Karim, Patuakhali.
The Hon'ble Mr. E. A. Martin, Chittagong.
Babu Sarat Chandra Shome, Chandpur.
Maulvi Safar Ali, Noakhali.
Rai Kripa Nath Dutta Bahadur, Cossipore-Chitpur.
Maulvi Saiyid Mofakhar-ur-Rahman, Titagarh.
Rai Shyama Charan Bhattacharjee Bahadur, Bhatpara.
„ Barada Kanta Mitra Bahadur, Naihati.
The Hon'ble Babu Surendra Nath Ray, South Suburban.
Mr. T. C. Donald, Garulia.
Babu Pramatha Nath Chakrabarti, Kumarkhali.
Mr. W. S. Hopkyns, I.C.S., Howrah.
Rai Mahendra Nath Bhattacharji Bahadur, Howrah.

By order of the Governor in Council,

L. S. S. O'MALLEY,
Secretary to the Govt. of Bengal.

Circular No. 30M.

COPY forwarded to all Commissioners of Divisions for information.

Copies of the Resolution required for District and Subdivisional Officers and for municipalities will be supplied direct to each District Officer for distribution.

Circular No. 31M.

COPY, with a copy of the above circular, forwarded to all District Officers for information and guidance. Additional copies are supplied for distribution to Subdivisional Officers and Municipalities.

Circular No. 32M.

COPY forwarded to all departments of this Government for information.

Nos. 2898-2902M.

COPY forwarded to the Accountant-General, Bengal; Director of Public Instruction; Surgeon-General, Bengal; Secretary, Sanitary Board and Inspector-General of Police, Bengal, for information.

No. 2903M.

COPY forwarded to the Sanitary Commissioner, Bengal, for information. One set of the Divisional Municipal Reports is also forwarded for information.

By order of the Governor in Council,

C. W. GURNER,
Under-Secretary to the Govt. of Bengal.

CALCUTTA,
The 18th December 1916.

FORM No. I.

STATEMENT SHOWING THE CONSTITUTION

OF THE

MUNICIPALITIES IN THE BENGAL PRESIDENCY

DURING

1915-16.

FORM NO. I.– *Statement showing the constitution of the Municipalities in the Bengal Presidency during the year ending 31st March 1916.*

Name of District.	Serial number of Municipality.	Name of Municipality.	Act under which constituted.	Population within Municipal limits.	PARTICULARS AS TO CHAIRMAN. Elected non-official. [c] Revised figures.

(a) The difference of figures in column 14 of Appendix D for 1914-15 and column 3 of the Appendix for 1915-16 is due to a mistake of Rs. 7-7 in the totals of the demand for 1914-15.

(b) Includes Rs. 249 realized on 31st March 1916, but not credited into the treasury within the year under report.

(c) Includes Rs. 45 collected on 30th and 31st March 1916, but not credited into the treasury during the year under report.

(d) The figure shown in column 14 of Appendix D for 1914-15 was wrongly increased by Rs. 180.

(e) Includes Rs. 8 collected on 31st March 1916, but not credited into the Treasury during the year under report.

(f) Includes Rs. 554 collected on 31st March 1916, but not credited into the treasury during the year under report.

N.B.—The figure in italics in column 14 against 19 Serampore (old) has not been included in the divisional total.

	GRAND TOTAL FOR 1914-15.	3,18,035	43,95,096	47,13,131	2,04,367	40,16,201	42,20,568	96·03	40,377	1,16,365	1,56,742	3·5	3,35,821

* Revised figures.

† This is exclusive of Rs. 26,524 being the outstanding balance of the old Serampur Municipality on the 30th September 1915 which were taken over by the two new Municipalities of Serampur and Rishra Konnagore and have been included in the figures against them in column 4.

(*a*) Recovery of Rs. 30 out of an advance made to certain sweepers in 1914-15 has not been shown here.

(*b*) The difference of Rs. 10 with the figures shown in column 14, Appendix D of the previous year is due to the correction of the demand according to the balance of the bills found in the previous audit of account.

(*c*) Actual balance of the previous year was Rs. 280.

(*d*) Excess realization of Rs. 6 included in the figures in columns 15, 19 and 21 of form No. II has not been shown here.

(*e*) The discrepancy of Rs. 240 with the figures in columns 15 and 21 of form No. II is due to the fact that an amount of Rs. 370 untimely collected on the 31st March 1916 has been included in this column. And Rs. 130 untimely collected in 1914-15 is not included in this column but it has been shown in form II. Hence the difference of Rs. 240.

APPENDIX E.

Statement showing the details of educational expenditure incurred by all the
